Re: 197 - F/Sgt. D'Aoust,R.

The delay in answering your letter of July 23,1942 is regretted. It was caused by my absence from the hospital during the latter part of July.

The report which you request is now submitted as follows:

Man is feeling very well, has had no recurrence of haemoptysis since June 4,1942. He has a slight cough, scanty yellowish sputum, no dyspnoea, no pain, no night-sweats, appetite is good, digestion good, bowels regular, no genito-urinary symptoms, sleepswell. Temperature 99o fairly freqently. Pulse 70-90, with an occasional increase to 110. Weight varies from 103 - 105¼. The man appears frail.

Right Lung - no abnormality found.

Left Lung - Note impaired at the base posteriorly and in the axilla. Breath sounds diminished in that area with moist rales and rhonchi on both quiet respiration and after cough. The moist rales are increased by dependent coughing. There seems no doubt that this is a case of minimal Bronchiectasis in the left base and also the X-ray indicates calcification in the root of the right lung. Thickened root in the left lung and infiltration extending toward the periphery from the root of the left lung. Guinea pig inoculated June 9,1942 but not autopsied yet.

Final Diagnosis: Hilar Tuberculosis and Minimal Bronchiectasis.

I believe that the best interests of the man and the Air Force would be served by having this man demobilized. ''

Sir:-

When I was discharged from the R.C.a.F. I was informed that my wife would be granted a month's dependents' allowance and assigned pay ds rehabilitation grant.

When I received my rehabilitation grant the sum of $35.00 assigned pay was deducted from it and I expected my wife to receive that amount plus her dependents' allowance when her account would be closed. But on December 14 when she received her adjustment cheque it was only issued in payment of dependents' allowance and assigned pay for the period from October 1st., to October 29th., date upon which I was discharged.

In answer to an enquiry by my wife the Dependents' Allowance Board answered that no rehabilitation grant was issued, because the form discontinuing assigned pay on her behalf did not

[illegible] any authority for rehabilitation grant nor did itt show the deduction from rehabilitation grant for assigned pay for one month without which they are unable to issue rehabilitation grant.

Would you please take the necessary action to rectify this error as soon as possible in order that she can receive her rehabilitation grant.

Hoping to hear from you soon,

I remain, Sir,

Yours respectfully,

Attention: Accountant Officer.

Sir,

I was discharged from St. Ann's Military Hospital on Sept. 22, 1942, and at present I am on leave pending discharge which will be effective Oct. 29, 1942.

When I was in Ottawa on Sept. 24 to get my clearance certificate signed and to return my clothing I expected to receive my back pay, clothing allowance and rehabilitation grant but for some reason or other all I received was an advance of $50.00 and I was told that the balance, which amounts to approximately $516.00, would be mailed the following week.

As I am unable to work at present owing to my condition and cannot support my family we are therefore forced to rely on the kindness of others

to support us. As I have never been in this position before and as there is no reason why I should be now I request that you forward my cheque, or at least let me know within the next few days what is causing the delay or I shall be forced to take legal action to collect the balance you owe me.

If for any reason you are unable to forward the whole cheque within the next few days please send me an advance of $200.00.

I hope, Sir, you will give this letter due consideration and plompt action,

I remain, Sir,

Yours very truly,
