INSTRUCTIONS

1. This form is to be rendered WITHIN 48 HOURS after the event in all cases of accidental or self-inflicted injuries to an officer or airman involving:—

(*a*) death,

(*b*) absence from duty for 48 hours or more, or

(*c*) absence from duty of less than 48 hours when the Medical Officer, who should invariably be consulted, advises that the injury *may* be the exciting cause of disability later.

AND ALSO

(*d*) *In all flying accidents involving personnel, whether there is evidence of injury or not.*

2. A separate form is to be used in respect of each individual affected.

3. The form is to be rendered notwithstanding the holding of a Court of Inquiry or Investigation (see Instruction 10).

(*a*) Three copies of this form are to be forwarded in all cases direct to Air Force Headquarters, one copy is to be retained by the Unit rendering the form, and one copy placed in the Medical envelope, R.C.A.F. M. 10 of the person concerned.

(*b*) One copy of the form is to be forwarded to Command Headquarters for their information (but see Instruction 10).

(*c*) Of the copies received at Air Force Headquarters, one copy is to be sent to D.M.S. (Air), and the remaining two copies passed to D.P.R. 2 who will forward one copy to the Canadian Pension Commission and place one copy on the C.R. file of the person concerned.

4. Section 3 (*a*), (*b*), (*c*), (*d*), (*e*), (*f*), (*g*), (*h*), is only to be answered in cases of flying accidents involving personnel as per instruction 1 (*d*) above—(see K.R. (Air) 669A (*a*) (i) and (ii) for definition).

5. This form is to be used in lieu of Naval Hurt Certificate for injuries sustained by naval personnel serving with the R.C.A.F., in all cases where issue is appropriate under Instruction 1 above, irrespective of whether the circumstances are such as would justify the issue of a Hurt Certificate under K.R. (Admiralty) 1419. Whenever the injury is one for which a Hurt Certificate might have been issued, copies of form R. 78A are to be made in Air Force Headquarters and forwarded as follows: For an officer, two copies are to be returned to the C.O. of the unit, who is to pass one copy to the officer and endorse the other copy to that effect and then return the copy to Air Force Headquarters for transmission to Naval Headquarters. For a rating, one copy of form R. 78A is to be returned by Air Force Headquarters to the Unit for attachment to the Service Certificate (Naval) on which an appropriate note is to be made.

6. The statement made by the injured person in Section 2 of this form should not be used as evidence against him in any subsequent disciplinary proceedings. The rendering of this form should not be delayed in the event of his being unable to make a statement, but the latter should be forwarded at the earliest opportunity.

7. No statements of witnesses are required in support of form R. 78A when an accident forms the subject of a Court of Inquiry or an Investigation under K.R. (Air) 669A or 674. Where no such inquiry is held, form R. 78A must be accompanied by full statements taken by an officer or warrant officer from witnesses of the accident and signed both by the witnesses and the officer or warrant officer. When there are no witnesses, statements from any persons to whom the injured person may have mentioned his injury immediately after the occurrence should, when obtainable, be attached to the form. In the case of injury in organized games, etc., when the witnesses of the accident are in agreement, the evidence of one witness only need be attached to the form, his statement being endorsed by the other witnesses in corroboration. When separate forms are rendered in accordance with Instruction 2 above, a copy of the statements of witnesses is to be attached to each form.

8. In the case of an injury sustained in an organized game, etc., it is most important in the interests of the injured Officer or airman that the questions contained in Section 5 (*b*) of the form should be answered carefully and in full detail, since if and when the question of attributability of the injury to conditions of service comes to be decided under the provisions of the Pension Act, that decision may be based on the information given in answer to these questions.

9. When an affirmative answer is given to Section 5 (*a*) (i) the statement required by Section 2 should specify the particular act of air force duty on which the officer or airman was engaged at the time the injury was received.

10. Courts of Inquiry are to be held or Investigations made when required under K.R. (Air) 669A and 674 regardless of the rendering of this form, but a copy of this form should be included in the Proceedings of the Court of Inquiry or Investigation for information. The Proceedings will be disposed of as laid down in regulations in force at the time of reporting.

11. In addition to being reported on this form, all casualties are to be reported in accordance with the procedure laid down in K.R. (Air) 1871, *et seq.* and A.F.A.O. A. 8/1.

12. Sections 5 (*d*) and (*e*) should only be definitely answered where the answer is obviously in the negative; otherwise it should be noted that no opinion can be given pending finding of Court of Inquiry or Investigation.
