CANADIAN CORPS

The Court having assembled pursuant to order, proceed to examine the scene of the accident and the method of felling insisted on by the French Authorities, and to take the evidence of:-

No. 1012813 Corporal Swanson A.E.
No. 24 Company, Canadian Forestry Corps.

AES

"I was in charge of a working party, in Coupe 49, on 23-3-17. At the time of the accident Corporal Paquin was trimming a tree in range of several trees, of which the roots had been grubbed, at about 15.30 o'clock. The tree which caused the death of Corporal Paquin was blown down by a sudden squall of wind. A warning was shouted by myself and several of the

"men working in the gang. The deceased looked up but did not have time to get from under the tree, which, so far as I could see, struck him on the back of the neck. He fell on the tree which he was trimming, which would account for a blow on the other side of his head. I immediately gave orders for him to be removed to a motor car belonging to the French Service which happened to be halted on the road adjacent to the accident. The car immediately proceeded to the No.9 Hospital, Base Rouen." Corpl A.E. Swanson.

Evidence of No. 724006 Pte Kelly H.V.
No. 24 Company, Canadian Forestry Corps.

"On 23-3-17 at 15.30 o'clock I was on duty in a working party under Corporal Swanson. At the time of the accident I was engaged in pulling a tree in the same coupe and was attracted by the ordinary warning when trees are falling. I looked up and saw a tree fall, which I found out afterwards had been grubbed out but, which was not being pulled at the time, and strike the deceased on the head.

HVK

Another man engaged in trimming the same tree as Corporal Paquin escaped from under, but the deceased only had time to look up before he was struck. I assisted in removing him to the road where he was placed in a motor car belonging to the French Service, which immediately moved off."

H.V. Kelly.

Evidence of No. 1012131 Sergeant Mousseau L.
No. 24 Company Canadian Forestry Corps.

"On 23-3-17 in the afternoon I was marking trees in Coupe 49, about 50 feet from the scene of the accident. I heard a shout, but as I looked in the other direction first, the tree which struck the deceased was down before I looked in that direction. I assisted to convey him to a French motor car, which was standing in the road quite near at the time. I entered the car and escorted the deceased to No. 9 General Hospital, Rouen. During the entire journey the deceased was unconscious, and on arrival at the Hospital he was pronounced by two officers, who were brought from the Hospital, to be dead without removing him from the car.

"I received instructions to take him to the Mortuary, which I did."

Sgt Mousseau L.

Evidence of Major F.W.Boultbee,
O.C. No. 23 Company, Canadian Forestry Corps.

"I am the Officer Commanding No. 23 Company, Canadian Forestry Corps, at Rouvray, to which details from No. 24 Company have been attached. I was absent from the Camp at the time of the accident, which was reported to me on my

turn at about 16.30 o'clock. Sgt.Moisseau returned to Camp at about 17.30 o'clock and stated that Corporal Paquin had died before arrival at No. 9 General Hospital,and that he was to report to that Hospital at 9.30 on 24-3-17.

I proceeded to No. 9 General Hospital with Sergt.Moisseau a.m. 24-3-17. I was informed by the Officer i/c Hospital that Corporal Paquin was dead and that the Hospital authorities would make all arrangements for his burial.

Up to the present time I have not received any written confirmation regarding this death,but I was informed that the necessary record would be transmitted by the Officer i/c Hospital through the Base Commandant to Corps H.Q. I gave a receipt for his effects,which I received from the Hospital.

FINDING.

The Court having duly considered the evidence submitted is of the opinion that the deceased met his death by misadventure while engaged in the performance of his duty, and that no negligence, or neglect of duty, is attached to the N.C.O. in charge nor to any man of the working party.

The Court recommends that an application be made to the French Forestry Authorities whereby the present restrictions may be varied and the dangerous and slow method of pulling trees avoided in the future.

The Court also recommends that confirmation of the deceased's death be obtained through the proper channel from the O. i/c No. 9 Hospital, Base, Rouen.
