15. Basis for Counsellor's Recommendations:

Cady is 29 years old. He is a cooperative and alert lookin king man. Has made no definite plans but has a few possibilities. Could return to work as shipper for his former employer if he were physically fit to do so. He was earning $35.00 per week when he enlisted and those wages may lure him back to the same job if and when physical condition permits. Says he may consider building a green house for seedlings and earn his living out of that. Has not had any experience along that line but seems intelligent enough to learn the growing of seedlings fairly rapidly. Vocational training for that type of employment could perhaps be reasonably recommended. Has qualified clerk group "C" and as he was employed as such for 18 months in the Army, he could probably be employed as office clerk if no medical limitations are present.

16. Action Recommended:

No action. In hospital.

17. Other possibilities suggested by Counselor:

(1) Former employment as shipper.
(2) Vocational training as seedling grower.
(3) Employment as office clerk.

18. Referred to:

D.V.A. Special Placement Officer,
634 St. James Street, Montreal Que.
