This man is satisfied to drive a tank and seems competent. He is very unstable and is not reliable. He is a "smart-alec" type and indifferent in manner. His behaviour is not improving as he was before his O/C only a few days ago for neglecting to report for duty.

He has never worked and has "bummed around" Canada for two years.

RESUME OF INTERVIEW: Average learning ability suggested by "M" score. Limited schooling, poor attendance and considerable conflict. Questionable family background, but nothing specific can be elicited from S.U.S. Tells many falsehoods in his story and is to be considered as thoroughly unreliable egocentric, and deceitful. No apparent work history - presumably a parasite no self discipline. Refer to Psychiatrist for "M" and "S" rating.

.....Capt.
C.B. Watson, S.P.O. (2), C.D.B.

PSYCHIATRIC ASSESSMENT: Shallow, superficial rapport. Vague and rather evasive. Has a casual, mirthless laugh. Whole attitude is very casual and indifferent. Gives no history of occupational achievement. Says he has no energy, no interest, no purpose, but in spite of this indifference professes a casual interest in drinking, social life and women. Can't make up his mind as to what he wants to do. Appears cheerfully lethargic. This is either a schizoid condition or a reasonable facsimile. It is impossible to be sure that this present reaction is habitual and not voluntary, but his history is consistent with a schizoid personality. His adjustment has not been satisfactory and it is considered that he is unlikely to be of much value to the army.

Pre-psychotic Personality - schizoid.
