Dear Mrs. Antila:

Information has just been received from military authorities in the Far East that the remains of your husband, E30276 Rifleman Leo Sikatus Antila, have now been interred in grave 4, row A, plot 1, of the Canadian Section in Sai Wan Military Cemetery, Hong Kong. This is a recognized military burial ground which will receive care and maintenance in perpetuity.

Therefore, if you should change your address would you be good enough to inform the undersigned.

Yours faithfully,

For the purpose of record and in the event of there being any Service estate available for distribution (according to law) on account of the late

ANTILA, Leo Sikstus, Rfmn.

E.30276 C.A.

it is necessary that the requisite information regarding the deceased and his relatives should be furnished on the inside of this form in strict accordance with the printed instructions. The particulars required are to be carefully filled in and the Declaration on the back should then be signed in the presence of a Clergyman, Priest, Local Magistrate, Commissioner for Oaths or Notary Public, who should be asked to complete and sign the Certificate. This form should then be returned to the above address.

A deceased's Service estate, the administration of which is the responsibility of the Estates Branch, consists of any balance of pay and allowances at credit, cash on hand and the personal effects which are under the control of the Service authorities. To obtain such assets, it is not necessary for the person(s) legally entitled thereto to obtain through the Courts Probate of the Will, or if none, Letters of Administration of his estate.

In addition to the administration of those Service assets, the Administrator of Estates is authorized to withdraw into Government account any funds (within a defined amount) on deposit to the deceased's credit in Banks, Post Offices or other financial institutions in Canada and Overseas, without expense or trouble to the person(s) legally entitled to the estate, and to distribute such funds at the same time as any balance of pay is distributed. Also, War Savings Certificates and Victory Loan Bonds owned by the deceased may be redeemed and similarly distributed, or transmitted into the name(s) of the person(s) legally entitled. Such Certificates and Bonds should not be forwarded to the Administrator of Estates until they are requested.

If there are other assets which necessitate an application for Probate or Letters of Administration, the Administrator of Estates may transfer and hand over the Service assets to the executor or administrator appointed by the Court so that all the estate, Service and otherwise, may be dealt with as a whole.

The information given by you on Pages 2 and 3 of this form is therefore of importance in determining whether or not the deceased's assets are such that they may all be administered by the Administrator of Estates to the person(s) legally entitled, that is, without the need for Probate or Administration.

If there is insufficient space for complete particulars to be given opposite any question on Pages 2 and 3 of this form, the space under "additional remarks" on page 4 should be used.

Re: E-30276, Rfmn. Antila, Leo Sikstus
Royal Rifles of Canada.

Dear Mrs. Antila:

Receipt is acknowledged of your letter of the first of April requesting information regarding marginally named soldier, your husband, who was with the Royal Rifles, Force "C" at HongKong.

This Department cannot officially confirm the news item published in the Finnish Newspaper which you referred to in your letter, and which gave the information that your husband and another Finlander had been taken prisoner of war at HongKong. However, it is assumed that he was taken prisoner of war along with the other members of the Royal Rifles of Canada who were part of the Canadian Force "C" at HongKong.

This Department is making every effort to arrange for communication between prisoners of war at HongKong and their next-of-kin, but so far no definite plan has been reached with the Japanese Government or the Japanese Red Cross. As soon as any definite arrangement is made for the forwarding of mail and also parcels from the next-of-kin to the prisoners at HongKong, a notification will be sent to you with full instructions as to the proper method of addressing mail.

I appreciate your anxiety to communicate with your husband, and you can be assured that everything possible is being done to not only enable you to write him and send him parcels, but also to make it possible for him to write you.

Yours sincerely,

F. W. Clarke, Lt.-Col.
