Re Alloc Centre:
This man has apparently been giving useful service as a carpenter in U.K. He has been somewhat handicapped "out-of-camp" due to total inability to converse in English but his health is good & only incapacity is inability to meet full physical requirements due to age. He has been attached to 2 Fd Construction Coy RCE & drew trades pay as Gp "C" Dr Mech. Following this was subsequently occupied purely as a carpenter & was regranted trades pay. Has been requested for services with #6 CIRU & seems suitable for such reposting.
Rec - Return to appropriate unit for employment at his trade.
