Cadet	5		Captain	Quebec High Sch.

1. I hereby apply to join the McGill University Contingent, Canadian Officers' Training Corps, and agree to take the Oath of Allegiance and abide by the conditions prescribed on the Attestation paper I sign.

2. It is understood that I pass a recruit class before being finally accepted and receiving my uniform and equipment.

3. I agree to return all articles of uniform and equipment which I may receive, and for which I sign, or pay for them at current Government rates.

4. I am a British subject and do not belong to any unit of His Majesty's Forces at the present time.

5. It is understood that none of the conditions above mentioned shall prejudice in any way my responsibility to the Corps as set forth in the Declaration I am to make and sign on becoming a member of the Corps.

6. It is understood that I am personally responsible for keeping myself posted as to Contingent and Company orders and that ignorance of same will not be taken as an excuse.

7. I agree to contribute to the funds of the McGill University C.O.T.C. the pay received in respect of the annual training or trainings performed during my service with the unit.

8. I declare that personal details given on this form are correct.

PART IV

STATEMENT OF INJURED PERSON:

(Short statement by injured person of the circumstances of the injury. Signed statements of witnesses, or of persons to whom the injured person may have mentioned his injury, to be attached.)

STATEMENT OF Lieut. H.H. Anderson.

On 28 OCT 44 at approximately 1445 hours at the time of the accident I was in the performance of my duty as Convoy Officer for 4 V.R.D., 1 Cdn C.O.D. I had, along with me one other D.R. a convoy of twenty-five (25) vehicles from No. 4 V.R.D., 1 C.C.O.D. destined for No. 2 V.R.D., 1 C.C.O.D. Two vehicles, on turning left at the lights at Hindhead were somewhat behind the convoy so I proposed to watch for an opportunity to proceed to the front to slow down the leading vehicle. I was unable to pass these last two vehicles before a 15-cwt CZ/4206429T came around a bend and I at once realized that I could not draw in behind the truck I was overtaking and the road was too narrow to attempt going between so I applied my brakes as did the oncoming vehicle. By the time we struck he had stopped and I was not doing more than 10 M.P.H. I realized I could not avoid strking hisbumper but pulled my machine slightly left catching my rear wheel on his bumper and fell over, twisting my leg and knocking my~~self~~ wind out. I was not thrown from my motorcycle nor did it strike the ground.

Hugh H. Anderson
