your letter Sep 22, 1952

Ontario,
27 September, 1952.

Mr. John Quinn,
1933 Bayle Street,
Montreal, Quebec.

Dear Mr. Quinn:

Your letter of September 22 to the Director of War Records has been forwarded to me for reply, and I regret indeed that you have been caused undue distress over the communication that you received concerning the resting place of your son, Pilot Officer Gerald Edgar Quinn.

A letter under date of August 15, 1947 (copy of this letter is attached) was directed to you. The letter as you will see conveyed the information that your son had been re-interred in the Permanent Canadian Military Cemetery at Nijmegen, Holland, Grave No. 1, Row A, Plot 20. It would appear from your referenced letter that you did not receive this communication, for the letter stated that the resting place of your son would be cared for in perpetuity by the Imperial War Graves Commission (of which Canada is a member).

The name of the cemetery has since been changed to the Groesbeek Canadian War Cemetery, and I can assure you that the Imperial War Graves Commission (of which Canada is a member) is an authorized organization, it is made up of representatives from the different nations of the Commonwealth and their work is to provide a headstone of standard design at every known grave of those that lose their lives in the service of their country, and to care for those graves in perpetuity.

No funds whatsoever are required from you or any next-of-kin, and as the Commission operate on an extremely close budget at one time prior to World War II, funds were accepted from those that were in a position to make contributions, but the fact that those clauses in the verification form were marked out whether slightly or otherwise, is all the assurance required to convey the fact that these clauses are no longer operative.

It is most unfortunate that our letter of August 15 did not reach you, and it is my earnest hope that the undue distress and sorrow that you have been occasioned will in a measure be lessened, with the knowledge that your son's resting place will be reverently, and permanently, cared for.

May I take this opportunity to express to you and the members of your family my deepest sympathy in the loss of your gallant son.

Yours sincerely,

(W.R. Gunn)

Dear Mrs. Quinn:

It is a privilege to have the opportunity of sending you the Operational Wings and Certificate in recognition of the gallant services rendered by your son, Pilot Officer, G.E. Quinn.

I realize there is little which may be said or done to lessen your sorrow, but it is my hope that these "Wings", indicative of operations against the enemy, will be a treasured memento of a young life offered on the altar of freedom in defence of his Home and Country.

No. 419 (R.C.A.F.) Squadron,
"MOOSE SQUADRON"

22nd June, 1944.

Dear Mr. Quinn:

I deeply regret to inform you that your son, Warrant Officer Gerald Edgar Quinn, is missing from operations on the night of 16/17th June, 1944. This was a very heavy attack on one of the main German industrial targets, and has since proved to have been very successful. Unfortunately, nothing has been heard of your son's aircraft since time of take-off and its loss can only be attributed to enemy action. There is still quite a possibility, however, that all or part of the crew may have escaped, or, at worst, be prisoners of war, but news of this could not be expected for some considerable time.

Your son came to us on the 20th of March of this year from another Squadron in the Group and completed in all 27 attacks on the enemy. These included five operations against Berlin. He was a very cheerful and happy lad, exceptionally keen and conscientious in his work, and had obtained many photographs of the aiming point in his various attacks. His general all-round good work had prompted me to recommend him for a commission which, unfortunately, has not as yet been actioned. I can assure you that the loss of this very capable and popular Air Bomber has been a great blow to the Squadron and his many friends wish me to convey their very sincere sympathy.

If any further news comes to hand, you may rest assured you will be notified immediately.

W/O Quinn's kit and personal effects have been collected and forwarded to the Central Depository, Colnbrook, Slough, Bucks. who, after completion of necessary details, will communicate with you as to their disposal.

May I convey my sincere sympathy to you in your great loss and hope with you that better news may follow.

Yours sincerely,

W P Pleasance

Dear Mrs. Quinn:

You will recently have received from Treasury a cheque payable to your order in the amount of $598.90. This is the total amount to the credit of your son's service estate and is made up as follows:

War Service Gratuity - per attached form....	$457.14
Recredit on Sixth Victory Loan Bond.....	16.80
Pay on appointment to Commission.....	46.20
Balance of pay account.....	78.76
	$598.90

This amount is paid to you as sole beneficiary named in your son's will on file in this Branch.

Please complete and return the enclosed form of acknowledgment.

We wish also to acknowledge receipt of our inventory receipt form for your son's personal effects for which we thank you. It is noted that there is a civilian suit and a pair of brown shoes which you state your son had but which were not forwarded with the effects. The effects which you received were the only ones which were sent from our Overseas Headquarters to this Branch and the two articles you mention were accordingly not received here. A committee of your son's fellow officers gathered these effects together when he was reported missing and it is not understood how two items like these could be over-looked. It is possible that your son may have disposed of these articles as they were not found among his effects. It is also noted that your son's two officer's uniforms are missing and we will communicate with our Overseas Headquarters and advise you further in this connection.

Yours faithfully,

GWH.
