2/30

FIRST WITNESS Lieut. D.M. McClymont, 8 Cdn Inf Bde Sp Gp (C.H. of O), having been duly sworn states:-

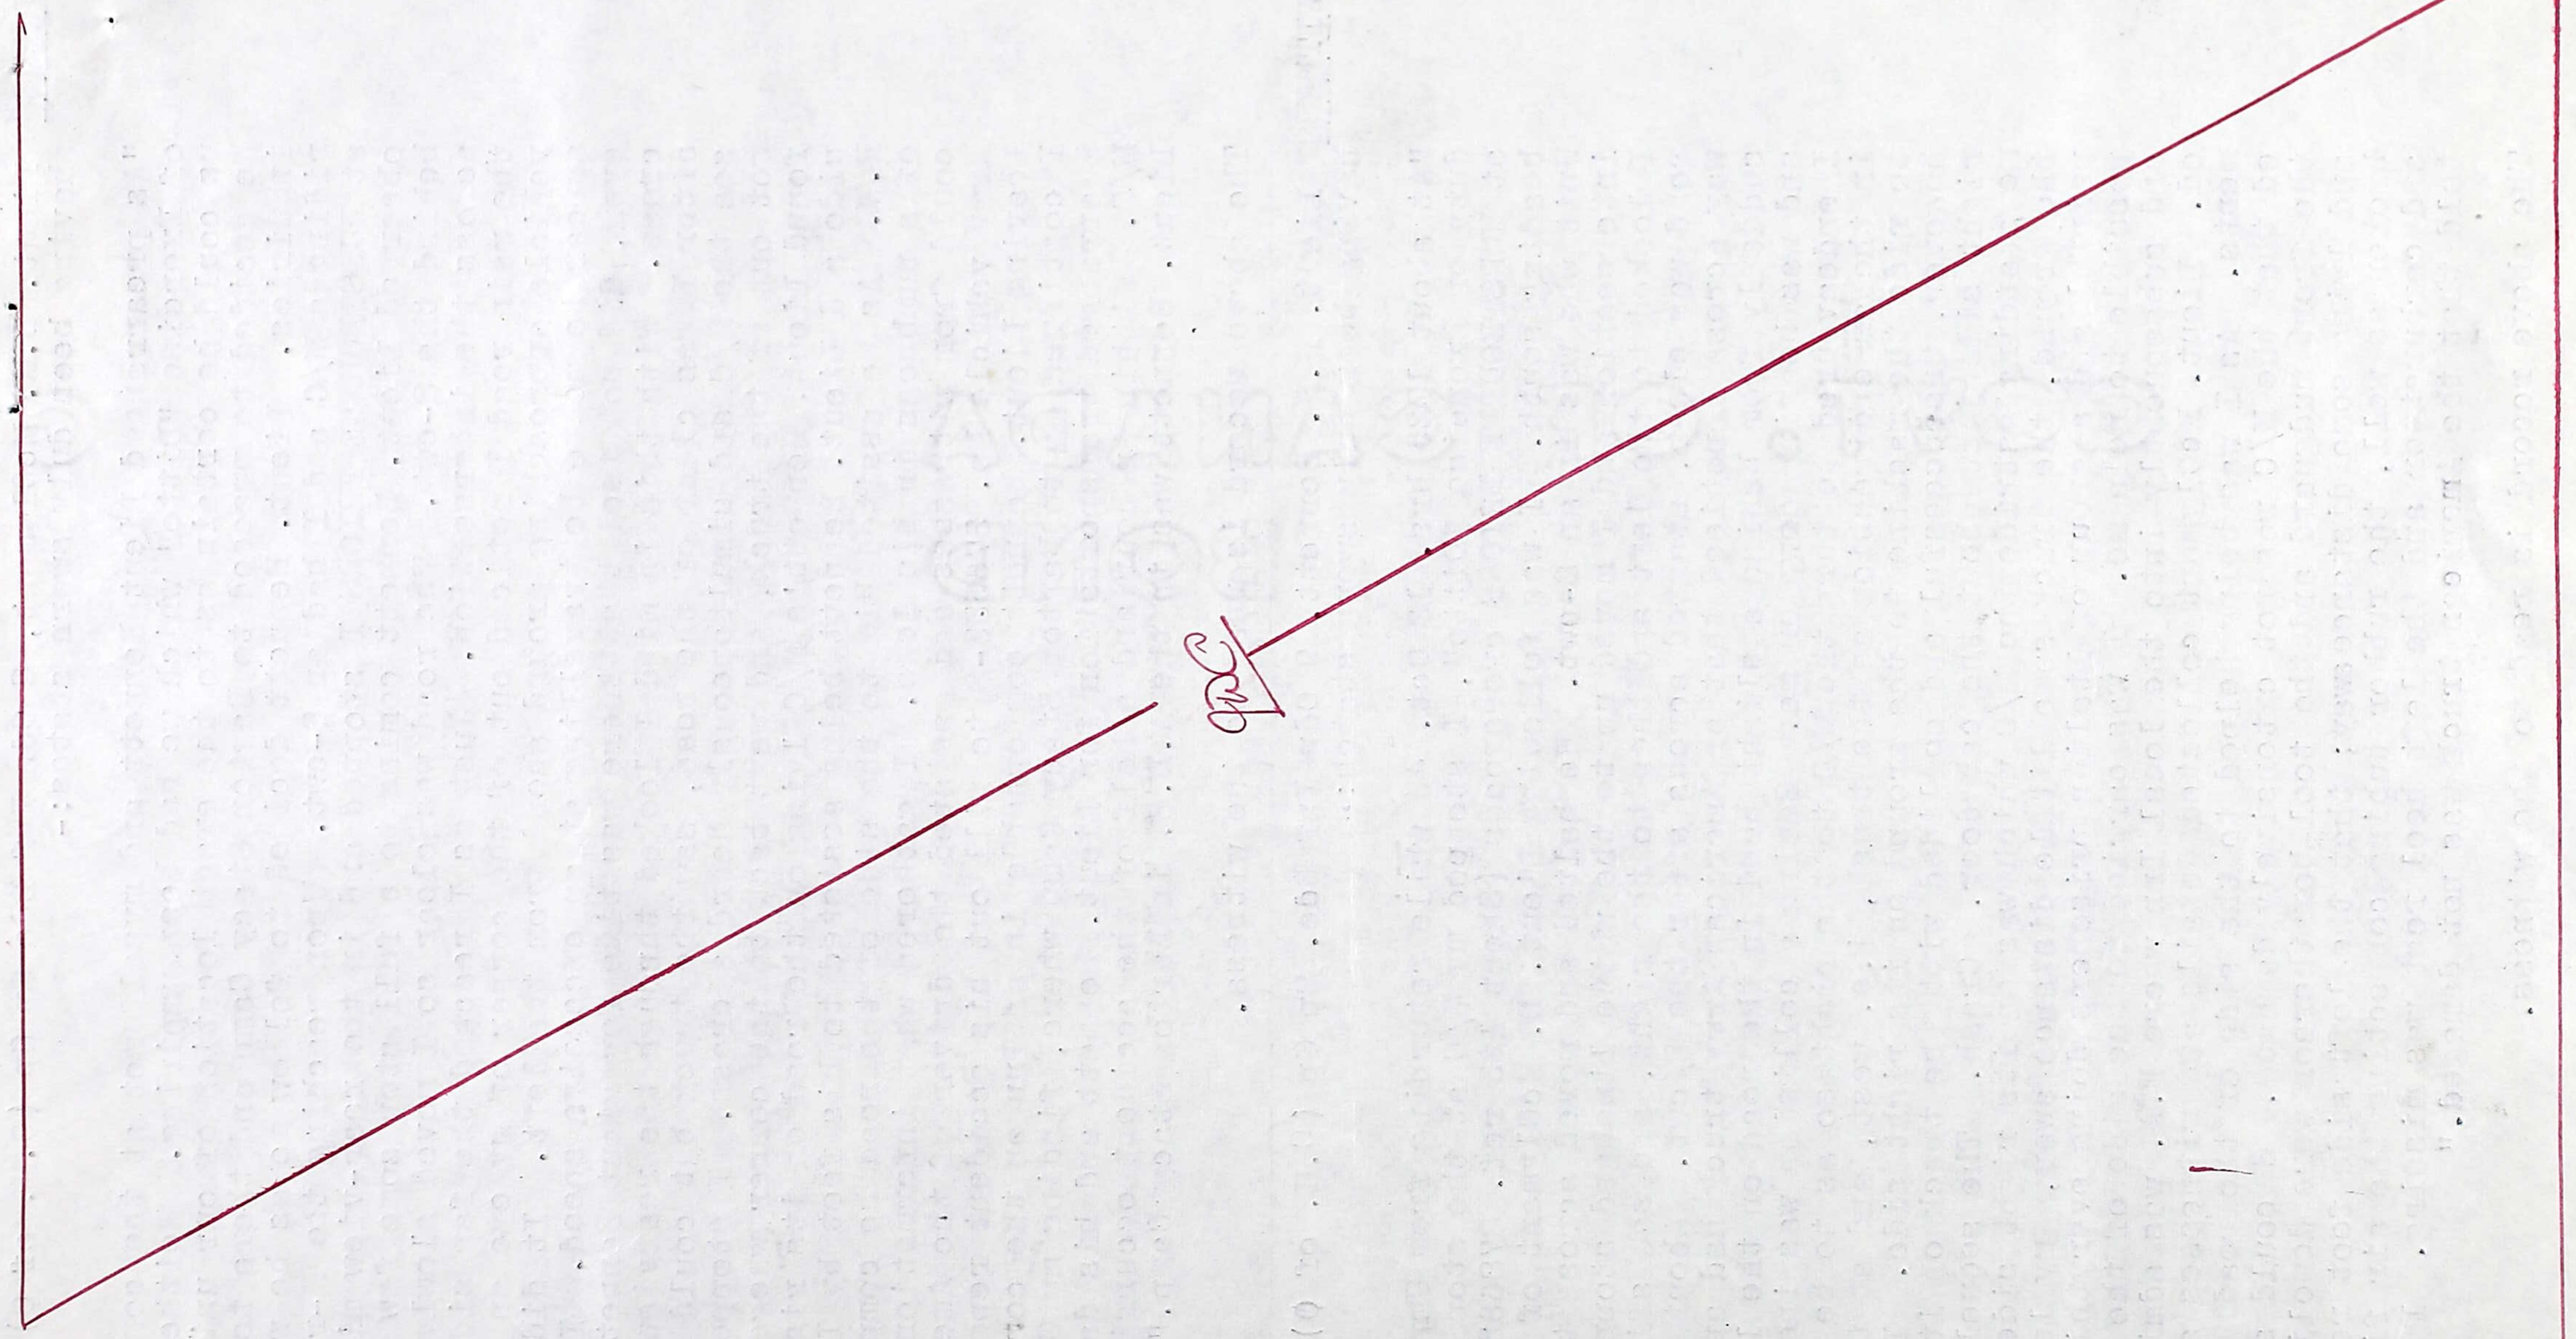
"As prearranged Lieut Bennett and myself met at the conclusion of Exercise "Ditto" which we had been umpiring. Neither of us could be certain as to the exact location of our units. We decided to proceed to Barton Stacy Camp and there to make inquiries. Lieut. Bennett decided to follow me as he was riding a M/C and I had an 8-cwt. Upon reaching the X-roads at HURSTBOURNE PRIORS I stopped and in the rear-view mirror observed Lieut. Bennett coming to a full stop some few yards behind the 8-cwt. The road was clear so I moved slowly across the intersection. Just as I reached the far side of the main road I noticed out of the corner of my eye an army vehicle approaching around abend from the left. It did not appear to me to be travelling at an excessive speed. I, however, did not feel that there was time for Lieut Bennett to cross. With this in mind I looked through the rearview mirror after I was clear of the road, saw the truck but could not see the M/C and simultaneously heard a crash. I stopped, got out of the truck, and went back to the corner where I found Lieut. Bennett's M/C lying on the road on its right side and Lieut. Bennett being assisted to his feet by Italian P.W. As we assisted him to the side of the road he complained of a numbness in his legs. I gathered what information I could from witnesses and assisted the driver of the American Army vehicle No. 376533-S to fill out his accident report. Leaving Lieut. Bennett comfortable in an Inn on the corner I continued on to Barton Stacy Camp where, finding my Gp. H.Q. I arranged transportation for Lieut. Bennett and his damaged M/C. Within an hour and a half of the accident occurring Lieut. Bennett was in the A.D.S. in Barton Stacy Camp."

The above record is read to the witness.

SECOND WITNESS Lieut. H.H. Bennett, 9 Cdn Inf Bde. Sp Gp (C.H. of O), having been duly sworn states:-

"At about 1725 hrs. 12 Oct. 43 while returning from Umpiring duty on Exercise "Ditto", I stopped my M/C at the stop sign at HURSTBOURNE PRIORS crossroads (Sheet 123 ref. 878665) heading south. I was following Lieut. D. McClymont of my Unit who was in an 8-cwt. He halted and moved across the intersection and I moved up to the white line and stopped. I looked to the left and then to the right, and satisfied the road was clear, started across after the 8/cwt. About half way across I noticed that an American Army truck had appeared suddenly from behind a slight bend in the road on the left, and was bearing down on me. Seeing a collision was inevitable I endeavoured to turn the M/C to the right so as to be going in the same direction as the truck, i.e. west, and at the same to ride the machine to the ground on its right side. I was, however, unsuccessful and collided with the truck on its right side just about the cab door. Crash. The sequel found me standing astride the M/C which was on its right side on the ground, the truck some little distance away, my legs very painful and a group of Italian prisoners doing everything possible to help me. I was carried to the side of the road and subsequently into the local Inn where F.A. was administered. Lieut. McClymont collected details and witnesses statements. As I was being helped to the side of the road I noticed that the M/C was not extensively damaged. I could see that the front mudguard and the tool box thereon were demolished and lying some distance away; that the left side foot rest was broken as well, the rubber tubing connecting the air filter and carburettor and the left heel rest was missing. I was told that the American truck was not damaged."

The above record is read to the witness.



THIRD WITNESS Pfc. Reuben J. Ebdrup No. 37274967. Coy F, 332nd Engineer Regt., A.U.S., having been duly sworn states:-

"On 12 Oct 43 at approximately 1730 hrs. I was driving from LONDON through SALISBURY, on Coy. business. My speed was approximately 20 miles per hour as I approached the X-roads at HURSTBOURNE PRIORS. It was slightly down hill and a slight curve leading up to the X-roads. A Canadian M/C approached from a minor side road and when I first saw him he was in the centre of the road. I swung to the left to try to avoid a collision and the motorcyclist attempted to lay his M/C over to the right. The M/C struck my vehicle under the right front door. I stopped about 20 feet from the point of contact. My vehicle was not damaged in any way. On looking over the scene of the accident I observed that the X-roads was not visible to a driver approaching from LONDON. I estimate the speed of the M/C at about 5 miles per hour."

The above record is read to the witness.

FOURTH WITNESS Mr. W.J. Barnett, Civilian Camp Engineer No. 5 Gen. Hospital U.S. Army, address 42 Harcourt Terrace, SALISBURY, Wilts., having been duly sworn states:-

"At approximately 1727 hrs on the 12th inst, whilst returning from LONDON to SALISBURY, on approaching the crossroads at HURSTBOURNE PRIORS, at a speed of just under twenty miles per hour, we were practically on the centre of the crossroads when we sighted a motor cycle being driven out of the minor road. In my opinion it was impossible to avoid a collision, for althought the M/C was only just moving, one has practically in the centre of the cross to see any traffic approaching from the LONDON direction. I should add that the driver of the M/C was approaching the crossroads from the NORTH and on seeing the truck in which I was a passanger, he did all in his power to lay the M/C over to his right to avoid a more serious collision. The M/C was travelling at approximately 3 miles per hour."

The above record is read to the witness.

FIFTH WITNESS Mr. J.B. Lane, 25 Anton Road, ANDOVER, Hants - employee of the Bank of England, Whitchurch, Hants, having been duly sworn states:-

"At about 1725 hrs 12 Oct 43 I was standing at the crossroads at HURSTBOURNE PRIORS, and I witnessed the following:-
A Canadian Army motor-cyclist was approaching the WHITCHURCH-ANDOVER road from the NORTH, and had stopped at a point approximately 7 yards beyond the halt signs and slightly short of where I have previously observed the white line, which at this time was hardly visible. At the time the motor cyclist was stationary I neither heard nor observed the lorry which was ultimately involved. I estimate the speed of the lorry at about 20 m.p.h. Immediately after the motor-cyclist had re-started, I observed the lorry and considered a head on collision inevitable. Owing to the presence of mind of the motor-cyclist this was successfully avoided, the result being a side-swipe."

The above record is read to the witness.

SIXTH WITNESS Lieut. K.F. Prueter, Administration Officer, 9Cdn. Inf. Bde. Sp. Gp. (C.H. of O), having been duly sworn states:-

"I am the Administration Officer of 9 C.I.B. Sp. Gp. (C.H. of O), I present the following documents:

a) AFA 3776 - Road Accident Report on Lieut H.H. Bennett's accident which occurred on the 12 Oct. 43.

(Marked Exhibit "C", signed by the president, and attached to the proceedings).

The above record is read to the witness.

SEVENTH WITNESS Lieut. D.E. Haldane, E.M.E. 4th Class, 9 CIB Work Shops, having been duly sworn states:-

"I certify that the damage to Cdn. Army Vehicle CC 4218187 Harley Davidson M/C was as follows:-
