MEMORANDUM FOR

P. 64

Mrs. Mary Nerney Martin,
4602 Hingston Ave., N.D.G.
Montreal, Que.

Any further communication on this subject should be addressed to:—

THE ADMINISTRATOR OF ESTATES,
DEPARTMENT OF NATIONAL DEFENCE,
OTTAWA, ONTARIO.

and the following number quoted:—

H.Q. 1022- M - 2988 FD 272

DEPARTMENT OF NATIONAL DEFENCE

ESTATES BRANCH

OTTAWA, ONT.

Nov. 2nd. 1943

For the purpose of record and in the event of there being any Service estate available for distribution (according to law) on account of the late

MARTIN, HUGH MacDONALD

F/SGT. R56412 R.C.A.F.

ESTATES BRANCH NOV 17 1943 H. Q. OTTAWA NATIONAL DEFENCE

it is necessary that the requisite information regarding the deceased and his relatives should be furnished on the inside of this form in strict accordance with the printed instructions. The particulars required are to be carefully filled in and the Declaration on the back should then be signed in the presence of a Clergyman, Priest, Local Magistrate, Commissioner for Oaths or Notary Public, who should be asked to complete and sign the Certificate. This form should then be returned to the above address.

A deceased's Service estate, the administration of which is the responsibility of the Estates Branch, consists of any balance of pay and allowances at credit, cash on hand and the personal effects which are under the control of the Service authorities. To obtain such assets, it is not necessary for the person(s) legally entitled thereto to obtain through the Courts Probate of the Will, or if none, Letters of Administration of his estate.

In addition to the administration of those Service assets, the Administrator of Estates is authorized to withdraw into Government account any funds (within a defined amount) on deposit to the deceased's credit in Banks, Post Offices or other financial institutions in Canada and Overseas, without expense or trouble to the person(s) legally entitled to the estate, and to distribute such funds at the same time as any balance of pay is distributed. Also, War Savings Certificates and Victory Loan Bonds owned by the deceased may be redeemed and similarly distributed, or transmitted into the name(s) of the person(s) legally entitled. Such Certificates and Bonds should not be forwarded to the Administrator of Estates until they are requested.

If there are other assets which necessitate an application for Probate or Letters of Administration, the Administrator of Estates may transfer and hand over the Service assets to the executor or administrator appointed by the Court so that all the estate, Service and otherwise, may be dealt with as a whole.

The information given by you on Pages 2 and 3 of this form is therefore of importance in determining whether or not the deceased's assets are such that they may all be administered by the Administrator of Estates to the person(s) legally entitled, that is, without the need for Probate or Administration.

If there is insufficient space for complete particulars to be given opposite any question on Pages 2 and 3 of this form, the space under "additional remarks" on page 4 should be used.

Dear Mrs. Martin:

It is a privilege to have the opportunity of sending you the Operational Wings and Certificate in recognition of the gallant services rendered by your son Flight Sergeant H.M. Martin.

I realize there is little which may be said or done to lessen your sorrow, but it is my hope that these "Wings", indicative of operations against the enemy, will be a treasured memento of a young life offered on the altar of freedom in defence of his Home and Country.

Yours very sincerely,

Mrs. M.N. Martin,

Dear Mrs. Martin:

It is with reluctance that after so long an interval, I must refer to the loss of your son, Flight Sergeant Hugh MacDonald Martin, but due to the lack of any information concerning him since he was reported missing, it must be regretfully accepted and officially recorded that he does not have a "known" grave.

Due to the extreme hazards attending air operations there are, unhappily, many thousands of British aircrew boys who do not have "known" graves and all will be commemorated on General Memorials that will be erected at a number of locations by the Imperial War Graves Commission (of which Canada is a member), each Memorial representative of a theatre of operations. One of these Memorials will be erected at Malta, and the name of your son will appear on that Memorial.

The attached verification form was received from the Commission with the request that it be forwarded on to you for completion and return direct to them.

I realize that this is an extremely distressing letter and that there is no manner of conveying such information to you that would not add to your heartaches. I am fully aware that nothing I may say will lessen your great sorrow, but I would like to express to you and the members of your family my deepest sympathy.

Yours sincerely,

REPORT OF CHIEF FLYING INSTRUCTOR WITH REGARD TO H. M. MARTIN (LAC)
NO. R.56412

FEBRUARY 4th, 1941

The above pupil has not progressed very well since going solo. Recently, he got lost and had to be brought back by an instructor. He has little or no idea of direction and locality, and after flying around within the five mile limit, he finds it very difficult to locate the aerodrome.

His other flying is just average.

General flying is just fair. Inclined to be nervous. Navigation is very poor. Cannot recognize landmarks unless they are called to his attention. Has no sense of direction. I would not recommend this student to complete the flying course, as I do not think he would make an average pilot.

	R70984	Sgt.	Welsh	J.V.	Wop/Ag

Aircraft: Blenheim V. BA 783 Date of Cas: 18.12.42

Details on our records, including extracts from Nos. 1, 2 and 5 B.P.O. files, are insufficient to indicate whether or not an enquiry should be opened in respect of the loss of the above aircraft and crew.

The only information we have is:-

The above aircraft and crew failed to return from an operation consisting of dropping two containers of leaflets on LA MERSA, and 250 lb. bombs on the BIZERTA docks. It was reported by an officer of the squadron, who was at the front line at the time, that an unidentified twin engine aircraft crashed in front of our lines at MATEUR on the morning of the 18th, and it was thought at the time that it might have been P/O Jickling's plane, but no official information has since been received.

Your advice on the matter will be appreciated.
