- 2.—If the case does not come under the category of 1:—
 - (a) Was the injury, in the first instance, very severe in character?
 - (b) Are its effects still very severe?
- 3.—If the case is classified under category 2, are the effects of the injury permanent, or likely to be permanent? (Article 590.)
- 4.—Injuries that do not come under the above categories should be classified here, making use of the following terms:—*severe* or *slight* and *permanent* or *not permanent*, as the case may be.
