PROCEEDINGS of a *Court of Inquiry

assembled at Brockville, Ont.

on the 27th day of November 1916

by order of Lt-Col. R. de Salaberry

Lieut. L. Clark

The Court having assembled pursuant to order, proceed to

examining the attestation papers of No. 1012622 Pte. Degre L., and found that he was duly sworn in by Major L. F. Howard on the eighteenth day of September 1916, and taken on the strength of the Battalion on the same date. He remained with the Battalion until the 14th of October when he obtained leave to the 20th of October. He is shown in orders as struck off the strength of the Battalion on the 20th of November 1916 having died in the Royal Victoria Hospital from Septic Pneumonia on the 6th November 1916. The Court after having examined the evidence found that No. 1012622 Pte. Degre L., came to his death from natural causes, and that the Court is unable to prove whether his death was caused by his own negligence or not.

First Witness:-

Lieut. Duncan MacCallum, A.M.C., Medical Officer in charge of troops, Royal Victoria Hospital, Montreal, duly sworn states:

"I had No. 1012622 Pte. Degre L., removed from 635 St. Ambroise Street by orders of A. D. S. S., M.L. No. 4, on the 1st November 1916. He was suffering from double Septic Pneumonia. I also noticed that he was in civilians clothes. When in the hospital I did everything possible for him, but his case was very serious and he grew gradually and progressively worse and died on the 6th November 1916 at 7.50 A. M. The man never fully regained consciousness before death so that I was never able to obtain any information about his movements before admission to the hospital. ^{autopsy} A post-mortem examination showed abscesses of both lungs".
