	History of Present Illness -			
	Dec. 10 <sup>th</sup> 1917 started with an attack of Lumbago, followed by Right-Sciatica confined to hip. Three or four days later urethritis developed, no discharge but burning and frequency. The burning confined to one spot just behind the glans. The third day of urethritis passed a few drops of blood twice. He then noticed that he could feel a swelling inside the urethra, from the outside just behind glans. Any pressure on this spot could force out a drop of pus. After about fifteen days this swelling began to disappear and finally disappeared and he has had no

## Instructions.

---

1. On the occasion of an Officer's first appearance before a Medical Board for his present disability, the circumstances under which the disability was contracted will be fully detailed ; whenever possible a statement of the case by his medical attendant will also be attached.

2. In recording the proceedings of subsequent Boards, the progress of the individual since his last appearance will be clearly and concisely stated so as to ensure a continuous medical history of the case being available.

3. Question 2 is only to be answered by the Board, when specially instructed by the convening authority.

4. Enteric Fever, Dysentery, Malaria, etc., contracted when on service abroad, in countries where there is a special liability to the disease, are to be regarded as caused by military service.

**INSTRUCTIONS** to be observed by the **Medical Board**  
preparing the Report.

---

1. On the occasion of an officer's first appearance before a medical board, the circumstances under which the wound or injury was sustained will be fully detailed.

2. If the injuries be more than one, they should be numbered and described separately; and should it be considered that, though slight in themselves, they represent together the equivalent of a single "very severe" injury, such an opinion may be expressed in the columns provided for that purpose.

3. The board will not express any opinion, either to the Officer examined, or in their report, as to the amount of compensation they may think should be awarded.

Confidential

To be used in cases of wounds or injuries received in action.  
(For instructions for preparing this report see back of form.)

PROCEEDINGS OF A MEDICAL BOARD assembled by order of \_\_\_\_\_

A.D.M.S. Canadians.

for the purpose of examining and reporting on the present state of a wound or injury sustained by Capt. W.J. Enright, C.A.M.C.

at (Place of injury) Kammell on the (Date of injury) Sept. 28th, 1915.

The Board find this officer has now recovered.

The opinion of the Board upon the questions below is as follows:—

- 1.—Has the officer lost an eye or a limb; or has he permanently lost the use of an eye or a limb; or is the injury equivalent to the loss of a limb, and permanent, or likely to be permanent? (Articles 585 to 588 of the Royal Warrant for Pay, &c.)
- 2.—If the case does not come under the category of 1:—
  - (a) Was the injury, in the first instance, very severe in character?
  - (b) Are its effects still very severe?
- 3.—If the case is classified under category 2, are the effects of the injury permanent, or likely to be permanent? (Article 590.)
- 4.—Injuries that do not come under the above categories should be classified here, making use of the following terms:—*severe* or *slight* and *permanent* or *not permanent*, as the case may be.
- 5.—For what period, calculated from the date of the wound or injury, is it probable that the officer will be incapacitated for military duty by such wound or injury?

	Replies		
	As to first wound	As to second wound (if any)	As to third wound (if any)
1.	No.		
2.	No.	No.	
3.	No.		
4.	Slight not permanent.		
5.	Now recovered.		

I concur in the findings of the Board of Medical Officers here recorded.
