# INSTRUCTIONS

## NAME

Give your first names and surname in full. Fill in correctly your rank, regimental number and the name of the unit to which you belong.

## EXECUTOR

Appoint as executor some responsible person, preferably a civilian, and if possible someone who is permanently resident in the Province where the property is situate. It is advisable that the person to whom you leave your property should be the executor. For instance, if you leave your property to your wife, you should ordinarily appoint her. One, two or more executors may be appointed, but the appointment of more than two is inconvenient.

## LIFE INSURANCE

If you do not wish to pass life insurance by the will this should be stated.

## SHARES

If you wish to give part of your property to one person and part to another, write in the blank space a gift of the property of which you want to dispose specially, and then complete the rest of the form. Thus, if you wanted to give your farm and implements to your sister, whose name was Mary Smith, and to leave the rest of your property to your mother, whose name was Elizabeth Smith, you would write into the form what appears in italics below.

For example:—

*I give to my sister, Mary Smith, whose address is 154 William Street, Winnipeg, my homestead and farm implements.*

I give to.....my mother, Mrs. Eliz. Smith,.....  
whose address is.....250 Yonge Street, Toronto,.....  
all my property not above disposed of.

## DATE

Do not forget to insert the date on which the will is signed.

## WITNESSES

Two witnesses are absolutely necessary. They and the soldier must all be present together when the three signatures are made. It is advisable that the witnesses should be persons permanently resident in Canada, and they must not receive any benefit from the will.
