	History of Condition.			
	<p>About one year ago while in the army in Canada, a lump began to form on the chest at the lower end of the sternum. There was no history of any injury. This was incised at Sherbrooke and a thick discharge was drained off. The wound healed completely but broke down again a few months later. Was returned from France with a bullet wound of the hand in April. At this time there was a small discharging sinus on his chest and he was troubled at times by pain. Admitted to this hospital June 26th, 1917.</p>			
	Personal and Family History negative.			
	Condition on Admission.			
	<p>Development and nutrition fair. Color good. T. 98 P. 70 Small discharging sinus on lower end of sternum. No tenderness and very little pain. Probe does not seem to extend to the bone. Respiratory system normal. Vascular system normal. Genito urinary system normal.</p>

MEDICAL HISTORY OF AN INVALID

INSTRUCTIONS WHICH MUST BE READ BY MEDICAL OFFICERS

- In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" issued by the B.P.C. and instructions issued by Militia H.Q., Ottawa, will be carefully followed.
- The Medical Officer in charge of the case is responsible for the proper completion of Sections 1 to 17 of this Form and will obtain the signature of the soldier to the "Statement," page 3. The President of the Board of Medical Officers is responsible for the proper completion of sections reserved for recording the "Opinion of the Medical Board."
- In answering the questions, Medical Officers will carefully obtain and record the soldier's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the soldier concerned, from witnesses, or from documents.
- Special care is required in answering question 13. Please read the questions carefully. All questions must be answered.
- If space provided under any sections is insufficient use blank space, page 4 or add another sheet. Such entries or sheets must be initialled by the Medical Board.
- A note will be made of attached papers by the Medical Board under the section "Opinion of Medical Board."
- Under no circumstances may information other than that in sections 8, 9 and 10 be communicated to the soldier, directly or indirectly.
- The nomenclature of diseases must be followed, if possible, as described in "List of Diseases" printed in the order in which they appear in the Annual Report on the Health of the Army, published in London, (1915), by Messrs. Harrison & Sons.
