My dear Bill:

I enclose herewith particulars of Mr. Desmond William Farrell, who is most anxious to get into the R.C.A.F., and if there is anything you can do to help, it would be greatly appreciated.

Farrell is a particularly fine young boy and will, I am sure, do well in the Flying Corps. In addition, he is the son of one of my oldest friends.

I believe that there is a letter on file from Mr. A. B. Purvis recommending him.

With kind regards, I am,

Yours faithfully,

FILE No. C.1

ROYAL CANADIAN AIR FORCE

Fort William, Ontario, January 26, 1942.

CONFIDENTIAL

Chief Supervisory Officer,
No. 2 E.F.T.S., RCAF,
Fort William, Ontario.

Sir:

I respectfully request that I be posted. It is, in my opinion, in the best interests of the Service that I be moved to another Station. My reasons for this request and my preferences are as follows.

I would prefer to be posted Overseas or to an Operational area as I have been engaged in training since July 1940. If this is impossible and my posting is to be to another Training Unit, I would wish to be posted to a Service Flying Training School.

I have been at Fort William testing elementary pupils in Tiger Moths since February 1941. During this time, except for a few flights in Airspeed Oxfords and Cessna Crane aircraft, I have not had the opportunity to fly Service type aircraft. The types of advanced aircraft which I have flown are Airspeed Oxford, Avra Anson, Harvard MK I and II, Yale, Lockheed X and XII, and Cessna Crane. On account of the character of the surrounding country, I have not been able to perform cross country or navigational practice flights.

Since coming to Fort William I have had much valuable experience in administrative work and in the general running of a Station and the handling of men, but under the new system which is about to come into effect in which the Thunder Bay Air Training School intends to run their own School, I feel that the knowledge and experience gained will no longer be of service.

I have the honour to be,

Sir,

Your obedient servant,

(Signed) "D. Farrell" F/L

to understand it and made his mark hereto in our presence as aforesaid". In such cases, however, it is recommended that the guidance of the Officer's or Airman's immediate superior Officer be obtained.

3. The Short Form of Will (see pages 15 and 16 of this Book) may be used by an Officer or Airman on Active Service but it must be entirely in his own handwriting. It is pointed out, however, that under the laws of some of the Provinces of Canada, such a Will is ineffective as to real estate. Therefore an Officer or Airman having a Canadian domicile and owning real estate should use the Will Form R.C.A.F. R. 60 or R. 60A., and appoint therein a responsible executor. An Officer or Airman having a domicile out of Canada should not use the Short Form on page 16 because it may not comply with the law of such domicile.

4. No person who receives any benefit under a Will can be a witness. If a person to whom an Officer or Airman intends to give any part of his estate is a witness of the Will, he will not be allowed to receive the intended gift. He may, however, be appointed an executor.

5. When making a Will it is not desirable that alterations be made in it. If, however, alterations are made by the Officer or Airman in his Will, he and the two witnesses must write their initials in the margin opposite the alterations. Any changes in the provisions of a previously made Will can always be made by a new document called a Codicil which should refer to the previously made Will and then state the changes desired, and be dated and signed and witnessed in the same manner as the Will itself.

6. A completely new Will can at any time be made and in such case it revokes, or cancels, any Will of earlier date. The laws of all the Provinces of Canada except one, and of most English speaking countries provide that marriage after the date of a Will revokes that Will. Therefore, an Officer or Airman, immediately upon his marriage, should make a new Will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as shown in his Will.

7. The Will of an Officer or Airman on Active Service is not invalid by reason that at the date it was made he was under the age of 21 years.

WILLS

1. The particulars of the next-of-kin should always be carefully inserted in the Form on page 1 of this Book, but the Officer or Airman must understand that the entries made there have no legal effect with respect to the disposition of his estate in the event of his death and therefore do not relieve him from the necessity of making a Will. Unless an Officer or Airman duly makes a Will, his estate is dealt with in the same manner as that of any other person who dies without leaving a Will, and not only may the relative or person desired or intended to be benefited receive little or no share of the estate but the distribution thereof is delayed until such of the next-of-kin as may be legally entitled can be located. Therefore, though his estate may consist of no assets other than the amount of pay and allowances at credit and the belongings he has on his person or in camp, it is urgent that he make a Will which, when completed, is left with his Commanding Officer for transmission to the Records Office for safe custody and in the event of his death is forwarded firstly, to the Estates Branch, Department of National Defence, Ottawa, for administration and distribution of the Service estate, and secondly, if other assets (including real estate) make it necessary, to the Executor named in the Will.

2. The Officer's or Airman's Will should preferably be made out on the Will Form—R.C.A.F. R. 60 (English) or R.C.A.F. R. 60A. (French)—provided for that purpose and on which are also printed a number of helpful instructions. These Forms are obtained through the Commanding Officer of each Unit. A separate sheet of paper may be used but in such case the general form of the Will as shown in the Form R.C.A.F. R. 60 or R. 60A. should be carefully followed. The Officer or Airman will date the Will and at the bottom of it sign his name in the presence of two witnesses who at the same time in the presence of each other and of the Officer or Airman will also sign their respective names. If the Officer or Airman cannot write, he will make his mark in the place in the Will where his signature would ordinarily appear, and immediately above their signatures on the Will the witnesses will write a memorandum as follows:—"The above Will has been first duly and audibly read over to this Officer or Airman when he appeared

MEDICAL INSTRUCTIONS TO PERSONNEL ON LEAVE IN CANADA

1. Personnel on leave or pass or otherwise absent from their parent unit who require medical attention are to report to the nearest R.C.A.F. Medical Officer. In cases of urgency when the services of an R.C.A.F. Medical Officer are not available, report to:

(a) An R.C.A.M.C. Medical Officer,

(b) A Medical Officer of the Dept. of Pensions and National Health, or

(c) A civilian medical practitioner,

in that order.

2. When it is necessary to call in other than an R.C.A.F. Medical Officer, arrangements are to be made to notify the R.C.A.F. Medical Officer, if one is located in the vicinity, in order that he may assume charge of the case. Immediate action is also to be taken to notify the individual's Commanding Officer in the event that the illness is of serious nature and likely to delay reporting to the unit on termination of leave.

3. All accounts for attendance upon personnel on leave rendered by civilian hospitals or civilian practitioners are to be forwarded in triplicate to the nearest administrative centre of the Dept. of Pensions and National Health for payment.

4. Personnel who, while on leave, are in contact with a case of infectious disease are, on the termination of their leave, to report to their Station Medical Officer before they enter any barrack block, mess or other building on the station.
