Dear Sir:-

With reference to your Commercial Air Pilot's Certificate, I beg to inform you that according to the conditions stated thereon, same will lapse on the 4th January, 1922, unless you are medically examined and certified as fit on or before that date.

If you wish to keep your certificate in force, please report for a medical examination to Colonel Chas. Woollard, c/o S.C.R., Board of Trade Bldg., 402 Pender Street, Vancouver, who is the physician selected by the Air Board in your district for the purpose of making these examinations, and have him fill in the enclosed form and return to this office. The fee allowed by the Air Board for such examination is $5.00, payable by the examinee.

On the other hand, if you do not anticipate flying for some time, your certificate could be temporarily suspended until such time as you pass the required medical examination, which will make it valid again.

Before reporting to Dr. Woollard for your examination, I would advise you to make an appointment with him by telephone, as he is only available for examinations at certain hours of the day. His telephone number will be found under "Medical Branch, D.S.C.R., Vancouver".

Kindly let me know as soon as possible whether you intend renewing your certificate or not.

Yours truly,

OFFICE OF GENERAL MANAGER

Air Board,
Ottawa, Ontario,
Canada

Gentlemen:

This will acknowledge receipt of yours of June 8th, referring to the employment of Lt. Col. J. Scott Williams as pilot of our twin engined seaplane. We are endeavoring to secure data on the experience of this officer from him. You undoubtedly with agree with us that one of the principle qualifications of a pilot to handle a responsible position is the fact of whether he has continued his flying since the War. We find numbers of pilots with very excellent war records, who, on account of not having flown for a year or more, are not in shape to be entrusted with expensive aircraft.

With reference to the fact of the seaplane being owned in Canada. We are aware of the regulations governing this question, and in order to comply with the Air Board's ruling - steps have been taken which will be consummated shortly to incorporate the Dayton Wright Company as a Canadian firm. This step has been taken with the advice of our legal staff, who assure us that this will comply with your regulations.

Yours very truly,

General Manager.

Sir,

Wing Commander J. S. Williams, M.C., A.F.C. (temp.)

This officer served under my command from March 22, 1921, to July 7, 1921, as Commanding Officer, No. 1 Wing, Canadian Air Force, Camp Borden.

A very keen and most capable officer, with excellent ability to command, but rather too ready to demur when controlled by higher authority.

As an instructor and organizer of flying instruction, he is almost without equal.

He met great difficulties in executing his duties at No. 1 Wing, and during his office a high standard of discipline was attained. At the same time he organized most excellent methods of recreation for all ranks, thereby raising the camp morale to a very great degree.

I recommend his promotion to Wing Commander.

Sir,

Wing Commander J. S. Williams, M.C., A.F.C.
Canadian Air Force.

In answer to your Memorandum H.Q. 866 - W - 1, dated May 16 (I return herewith the letter which accompanied it) :

Wing Commander J. S. Williams has the reputation of being one of the best pilots in the world, and one of the best flying instructors.

He has character and can command men, but is himself somewhat impatient of control. Office routine is irksome to him and (his whole soul is in flying) he begrudges time devoted to administration.

He has a brilliant war record ; and, in the interests of the C.A.F., I hope it will be possible for you to find employment for him under the Department of National Defence.

For the purpose of record and in the event of there being any Service estate available for distribution (according to law) on account of the late

WILLIAMS, John Scott, M.C., A.F.C., W/C

C.2729 R. C. A. F.

it is necessary that the requisite information regarding the deceased and his relatives should be furnished on the inside of this form in strict accordance with the printed instructions. The particulars required are to be carefully filled in and the Declaration on the back should then be signed in the presence of a Clergyman, Priest, Local Magistrate, Commissioner for Oaths or Notary Public, who should be asked to complete and sign the Certificate. This form should then be returned to the above address.

A deceased's Service estate, the administration of which is the responsibility of the Estates Branch, consists of any balance of pay and allowances at credit, cash on hand and the personal effects which are under the control of the Service authorities. To obtain such assets, it is not necessary for the person(s) legally entitled thereto to obtain through the Courts Probate of the Will, or if none, Letters of Administration of his estate.

In addition to the administration of those Service assets, the Administrator of Estates is authorized to withdraw into Government account any funds (within a defined amount) on deposit to the deceased's credit in Banks, Post Offices or other financial institutions in Canada and Overseas, without expense or trouble to the person(s) legally entitled to the estate, and to distribute such funds at the same time as any balance of pay is distributed. Also, War Savings Certificates and Victory Loan Bonds owned by the deceased may be redeemed and similarly distributed, or transmitted into the name(s) of the person(s) legally entitled. Such Certificates and Bonds should not be forwarded to the Administrator of Estates until they are requested.

If there are other assets which necessitate an application for Probate or Letters of Administration, the Administrator of Estates may transfer and hand over the Service assets to the executor or administrator appointed by the Court so that all the estate, Service and otherwise, may be dealt with as a whole.

The information given by you on Pages 2 and 3 of this form is therefore of importance in determining whether or not the deceased's assets are such that they may all be administered by the Administrator of Estates to the person(s) legally entitled, that is, without the need for Probate or Administration.

If there is insufficient space for complete particulars to be given opposite any question on Pages 2 and 3 of this form, the space under "additional remarks" on page 4 should be used.

Superintendent Certificates Branch,

Sir:-

Enclosed please find application for Commercial Pilot's Certificate, duly filled out.

Captain G. M. Dean, late Canadian Air Force Staff, London, Captain E. C. Hoy and the writer have formed the above mentioned Company and are going to operate Flying Boats for mail and passenger carrying etc.

In view of my past experience I would ask if it is not possible to grant this certificate with as little delay as possible. Below please find brief statement of my service with the Air Force.

I left France in November 1916, after doing 480 hours flying with No. 22 Squadron, and was posted to Gosport. I was one of the originators of the Gosport School of Special Flying and remained there as Flight Commander until July 1918. Was then sent to Ayr, Scotland, to organize and command the Flying Instructors' School for Scotland and Ireland. Originated the Travelling Flight system of instruction adopted shortly before the Armistice by the R. A. F. Personally instructed all the senior Naval Officers for duty on Hush Hush machines and commanded the only two official R. A. F. Aircraft Exhibitions.

Hoping you can give this your earnest attention, and should my services be of any use to your department at any time, in this part of the country, I would be more than pleased to offer them.

Yours sincerely,

J. Scott Williams

Lieut-Colonel A. K. Tylee, O. B. E.,

OTTAWA, Canada.

My dear Colonel;

Many thanks for your wire received today. I have already taken action in order to comply with your request and certainly trust that you have facilities to handle the names that will float to your organization within the next few days. The Canadian Air Force is indeed fortunate in having you at its head and needless to say I am more than pleased that same has been placed in such capable hands.

I would like very much to hear what training etc., you intend to carry out and something regarding your proposed organization as I can see no reason whatever why I should not avail myself of this excellent opportunity of being brushed up on the very latest things in the flying world in addition to a very pleasant journey East.

We expect our first flying boat next week and will play about during the summer months educating ourselves on the intricacies of the flying boat and the general public on the reputed safety of things heavier than air and that land on something much softer than Mother Earth. I presume there will be little if any flying during the winter months.

If at any time my service will be of any use to you in any capacity in this part of the world, I will be more than pleased to give them. I can assure you that the flying officers of this Company are doing everything possible to encourage flying in general. We are out to boost your organization because we believe that something of this nature must be done. I might also mention that the press are all for us.

Wishing you every success and good fortune in your new position , with very kindest regards, I remain,

Yours sincerely,

O.C.

Dear Sir:

Many thanks for your letters of the 4th and 7th inst., with reference to Canadian Air Force. I wired you stating acceptance of appointment for six months.

As this company will not be operating in a large way this year, possibly only two or three boats, they considered that considerable prestige would be added by me accepting your offer. Personally, it is a great honor.

The active heads in this concern are Captain E. C. Hoy, D. F. C., the first pilot to navigate the Rocky Mountains between Vancouver and Calgary, - this was done in a J.N.4; Captain G. M. Dean, M. B. E. late of the Canadian Air Force Staff London, as Secretary Manager, and myself. We are being supported by all the leading business men throughout the Province, including the Lieutenant Governor and Col. R. Bell-Irving, late of the R.F.C who is going to act as a director, so you can readily see that we are not merely a joy-riding, fly by night concern.

When my term with you expires I will return to the Company, which by then I am sure will be on a very sound footing with considerable commercial flying experience at its back.

I would ask you to please forward full details regarding training that is to be conducted at Camp Borden. With regards to pay and allowances, at the flying instructors schools in the F. A. F. we were given the rates of the rank above the one held. I trust that this will be given your earnest consideration.

Regarding the Gosport flying instructors in Canada, I can think of only two names at the moment. These I sent you in a wire. They were Lieut. N. R. Anderson, Hanover, Ont., who was flying with me for a considerable time, and Lieut. Townley, c/o Land Registry, New Westminster.

Yours sincerely,

NOTE

(1) Example: I, John Charles Brown, of the City of Ottawa, County of Carleton, Province of Ontario, Mechanic.

(2) If only one beneficiary, complete as follows: I give, devise and bequeath unto "my wife, Mary Brown, 26 Cherry Avenue, Ottawa, Ontario, all my estate", in which event, strike out clause (3). If more than one beneficiary, set out in clause (2) what each is to receive, such as—

"my wife, Mary Brown, 26 Cherry Avenue, Ottawa, Ont.....$.....00 and my household goods and effects",
"my mother, Ethel Brown, 480 Yonge St., Toronto, Ont. .....$.....00",
"my sister, Margaret Brown, 480 Yonge St., Toronto, Ont.....$.....00",
"my friend, John Smith, 60 LaSalle St., Winnipeg, Man.....$.....00",
and any personal gift, if desired.

(3) If any specific gifts have been made in clause (2), the testator should name the person or persons to whom he desires to give the balance of his estate in clause (3), such as "my wife, Mary Brown, 26 Cherry Avenue, Ottawa, Ontario" or "my mother, Ethel Brown, and my father, George Brown, of 480 Yonge Street, Toronto, Ontario, equally" or as desired.

(4) Failure to appoint an executor or an executrix can only result in additional expense in the settlement of the estate in question. Testators are, therefore, strongly urged to make such an appointment. A beneficiary or legatee under the will may be appointed executor or executrix. It is recommended, however, that testators avoid appointing as executor any person on or likely to be on Active Service.

(5) Do not omit to date the will. The testator should sign the will with his usual signature in the presence of two witnesses, each of whom should immediately thereafter, and in the presence of the testator, sign his or her name, and insert his or her address and occupation in the place provided. No person who receives any benefits under the will should act as witness. It is preferable, though not essential, that the witnesses be persons not on Active Service.

GENERAL

Generally speaking, under the Laws of most of the provinces, a will revoked or cancelled by marriage of the testator after the date of the will is invalid; it is advisable, therefore, immediately upon marriage to make a new will.

When completed, leave with Commanding Officer for transmission to the Records Office for safe custody.
