- Reference our 21/CAS/9158, reporting the m/n soldier as MISSING, 7 Mar 45.
- Enclosed is a copy of correspondence from the Officer Commanding the unit, outlining the circumstances of this man's disappearance. This letter, may also be used in lieu of a Missing Pro-Forma for it contains all details known, regarding this soldier.

- Ref our Cas Return 153 of to-day's date attached herewith.
- This case has been held in abeyance purposely. We have no proof that this man was a cas. from our unit. In fact we are still uncertain as to whether the live body actually came to this unit on draft.
- He was shown on unit nominal roll, but he could not be accounted for during Muster Parade held on or about 15 Mar 45. On checking our coys, each claimed the m/n soldier had never been present. However it is a possible theory that this man did come to the unit on draft; posted to one coy, but by error was despatched to another. At the time of his assumed arrival the unit was engaged in a bitter battle and re-inforcements were immediately sent forward into action. During this battle a number of men were reported "missing" (our CRs 916 and 919 refers) and it is out theory that he got mixed in with these men unbeknown to the Coy Comd.
- 4.
 13 CBR Bn claims that he was definitely sent forwar on draft to unit. Therefore, we are submitting cas return in accordance with the theory outlined in preceeding paragraph.
- We regret the delay in reporting this cas, but we decided it best that this case be thoroughly investigated before submitting any casualty return.

STATEMENT BY B-148519 L/Sgt. ROBERTSON, J.S. regarding G-98740 Pte. MADAIRE, Wilfrid Edward - Missing 7 Mar 45

Pte. Madaire was wounded on the attack on Veen. Some of the lads with me carried him by stretcher until he was evacuated by truck to a German Hospital. The boys who carried him stated that he was in a very bad condition and didn't think he would live long. As far as I know, he was still alive when the Germans evacuated him.

C.98740 Pte. MADAIRE, Wilfred Edward Argyll & Suth Highrs - Missing 7 Mar 45.

I am very sorry, but the above mentioned soldier was not known to me. He may have been a reinforcement who joined the Unit just previous to his being listed as Missing.

P

I was with the same company as G.98740 - Pte. Madaire, Wilfred. The last I saw of Pte. Madaire was on the night of 6 March when we were in a marshalling yard getting ready for a night attack. He was in a different Platoon to mine when I saw him, but his platoon moved forward and I never saw him after that.

I heard from one of the chaps, whose name I cannot recall, that he had been taken prisoner.

I was wounded and was taken prisoner and sent to a German Military Hospital.

Sir:

The last time I saw Pte. Madaire was at the German RAP at Ven shortly after we were captured.

At this time Madaire was in a very critical condition and appeared to be dying.

I was then taken back from the RAP a mile or so to a barn and did not see Madaire again.

Cpls. Smith, Randall and Pte. Lees, numbers and initials unknown, remained at the RAP to have their wounds dressed after we had been taken back, and may be able to provide further information regarding Pte. Madaire.

Respectfully yours.
