"At 2000 hrs 20 Nov 44 McDonough had come off guard duty and we were lying in our slit trench talking. A slight spray of dirt came down on me. I felt the ceiling to find that it was bulging. I shouted for him to get out but he wasn't fast enough as the ceiling collasped too fast. My legs were pinned under the earth and when I got free I told Pte Beun that Pte McDonough was buried under the earth and to start digging while I went for help!"

This statement eas read back to the witness.

2nd Witness A61552,Pte Beum R.H. S.D. & G. Highlanders, having been duly sworn states.

"I was on duty at about 2000 hrs 20 Nov 44 close by the slit trench where Pte McDonough was sleeping when Pte Henry told me that the slit trench had caved in and Pte McDonough was buried under the earth and to start digging while he went for help. I left my post and started to dig. A few minutes later help arrived and I returned to my post."

This statement was read back to the witness.

3rd Witness C79308 Cpl Deschene W.J. S.D. & G. Highlanders having been duly sworn states.

"I am the Cpl of No 3 Sec. of 13 Pl. I was at Pl H.Q. when Pte Henry came running in tomreport to the Pl Sgt that his slit trench had caved in and that Pte McDonough was buried under the earth. We immediately get shovels and ran back to where the trench caved in and started to dig away the loose earth. It took about twenty minutes to remove the earth and to remove the body.

4th Witness C57569 Cpl MacDonall J.L., S.D. & G. Highlanders having been duly sworn states.

I am the Cpl of No 2 Sec of 13 Pl. At approximately 2215 hrs 20 Nov 44 I was at our Pl H.Q. When Pte Henry reported to the Pl Sgt that his slit trench had caved in and that Pte McDonough was trapped under the earth. We immediately got shovels and started to dig away the loose earth and to remove the top of the trench. Then we started to use our hand s so we would not harm the body.

This statement was read back to the witness.

5th Witness C53896 Sgt Conklin D.S., S.D. & G. Highlanders having been duly sworn states.

I am the pl Sgt of 13 Pl; of which Pte McDonough was a member.

At about 2215 hrs 20 Nov 44 I was at my Pl H.Q. when Pte Henry reported to me that this slit trench had caved in and that Pte McDonough was buried under the earth. I immediately sent Pte Henry, Cpl Deschene and Cpl MacDonell with shovels to start digging him out. Then L/Sgt Sauve and I went up immediately after. I left L/Sgt Sauve in charge of the digging and I went back to my Pl H.Q. to phone my Coy H.Q. and to get a stretcher Bearer. I then went back to the scene of the digging and met the Stretcher Bearer there. Shortly after we had the head and shoulders of Pte McDonough free from the earth. We then finished digging out the remainder of the body. Then I went for a stretcher.

This statement was read back to the witness.

11

6th Witness B110658 Pte Murray D.D., S.D. & G. Highlanders, having been duly sworn states.

I was a Stretcher Bearer attached to 13 Pl "C" Coy. While I was at 15 Pl I received a phone call from 13 Pl to report back at once as someone was buried in a slit-trench. On arrival I asked the Pl Sgt where the man was buried. When I found the man, I tried his pulse I knew that Pte McDonough was dead. When the men asked me if he was dead I said, "No he will be allright," to keep their moral up. We then put him on a stretcher and removed him to the R.A.P.

Question "Did you apply Artificial Respiration?"

Answer "No. He had been dead too long."

This statement was read back to the witness.

1st Witness Recalled

C54235 Pte Henry P., S D & G Highrs., continues his statement -

When the spray of earth fell on me it was the first indication I had had of the weakening of our dugout. No seepage water had been entering from the ceiling but there was water on the floor of the dugout. The weight of the door on the top of the post may have caused the cave-in but it had been raining so constantly the water may have weakened the roof. No enemy shells or bombs had fallen near the dugout to precipitate the cave-in. No one walked on the roof as the dyke was our protection against observation and we stayed off the sky line.

From the time the cave-in occurred until I had warned Pl HQ of the fact that McDonough was buried would not be more than 10 minutes. After help arrived approximately 20 minutes elapsed before the head and shoulders of the deceased were freed.

The above evidence has been read to the witness.

The Court

Attached as Appendix "A" is a sketch of the dugout before the cave in occurred.

5th Witness Recalled

C53896 Sgt Conklin D.S. continues his statement -

The excavation in the dyke side in which the deceased was lying was more in the nature of a dugout than a slit trench. Earth had been removed from the dyke for shelter for an outpost measuring approximately 5 feet into the dyke, 3 feet wide and 4 feet high. The dyke itself formed the roof of the dugout. The earth removed was piled at the entrance and a door placed from the top of the opening of the dugout to the top of the debris. The door was then covered with dirt and sod to an approximate depth of 12 inches. The wood of the door was approximately one inch thick throughout as there were no panels of thin veneer. The roof was not shored. In my platoon area it had been raining intermittently for six days but no reports had been received that similar cave-ins had occurred. Due to the chances of seepage weakening my platoon's positions I made a personal check of dugouts the day of McDonough's death and found no evidence that such a disaster might occur. I did supervise the removal of several covers of slit trenches on 20 Nov 44 and had them rebuilt but the "dugout" type appeared satisfactory. From the time Pl HQ was notified that McDonough was buried in his dugout until his head and shoulders were free would be approximately 20 minutes. It would be about 10 minutes from the time of cave-in to time I was notified so at the most Pte McDonough was buried little more than 30 minutes.

The above evidence has been read to the witness.
