(XIX) SOLDIERS' WILLS

- 1. The particulars of the next-of-kin should always be carefully inserted in the Form in this Book, but the Soldier must understand that the entries made there do not relieve him from the necessity of making a Will. The next-of-kin entries have no legal effect, and unless a Soldier duly makes a Will, his estate is dealt with in the same manner as that of any other man who dies intestate, and the person intended to be benefited may receive little or no share in the distribution.
- 2. The Soldier's Will should be made out either on one of the separate Forms provided for that purpose (M.F.M. 10 or 10a), or on the short form of Will contained in this book, or on a separate sheet of paper, and unless he is on active service or under orders for active service, the testator must be of the age of 21 years.
- 3. The bequests in the Will may be varied according to the circumstances and wishes of each Soldier; but the form of attestation, and the general outline of the Will, as shown in the Forms referred to in para. 2 above, are to be carefully followed.
- 4. The Will must be signed by the testator with his name (or, if he cannot write, with his mark), in the presence of two witnesses, who must be present together, and the Will must be acknowledged and attested in the presence of all three, and dated.
- 5. A person to whom money, etc., is left by the Will, or the husband or wife of such a person, should not be an attesting witness, for the gift would not be good, but he or she may be appointed an executor.

- 6. In the event of the testator marrying subsequent to the making of his Will, he should make a new Will as in certain instances a Will, revoked by the subsequent marriage of the testator.
- 7.
