The COURT having assembled pursuant to order, proceed to call the first witness:-

D 3080 Sgt. Baker, H.T. having been duly sworn states:-

"On the night of the 24th Dec 44 I was in charge of the troop. Sgt. Woodburn and myself were at Sgt.French's post, we heard firing, and explosions which sounded like grenades, coming from the right of Sgt.French's post. One of the sentries came in and said it sounded like trouble at the Dutch Post #5. Sgt. French had the dyke manned by his men in his position. I asked Sgt. Woodburn to come along with me to the Dutch Post #5. Sgt. French said that he would come along with us as he knew the way through

the orchard. We ent through the orchard, Sgt.French leading, followed by Sgt. Woodburn and myself. We came to within 15 yards of the house where the Dutch Post #5 is situated, when, a Sten Gun opened fire on us. The three of us hit the ground and we shouted the pass-word then we were challenged again, and we shouted the pass-word again. Then Sgt. Woodburn and myself got up off the ground, but we noticed that Sgt. French did not get up. We went over and looked at him, then opened his tunic looking for wounds, finding none on his body we noticed blood running down his face. One of the Dutch sentries and myself lifted Sgt. French upand carried him to the house while Sgt. Woodburn tried to phone for a doctor from the house. He found no phone there so I left Sgt. Woodburn with Sgt. French and ran down to the next post to phone. The phone in that post was not working so continued on down to Squadron Hq taking Tpr. Cunningham with me. Tpr. Cunningham reached Sqn HQ first, telling them about the accident. I met L/Cpl. Barnes(Medical Orderly) and took him up to where Sgt.French was. Then I went up to the Dutch Commander of #5 post and checked with him to find out the trouble, after I saw the Dutch Commander I came down and found that L/Cpl.Barnes had Sgt. French moved down to the road to await the arrival of the ambulance.

Q: What time did you set out to contact the Dutch Post?
A: Approximately 2245 hours.

Q: Was the route taken a layed down route between Dutch Post #5 and Sgt. French's Post?
A: There is no layed down route.

Q: Was the route taken to contact the Dutch the normal route?
A: Yes.

Q: What was the pass-word on that night?
A: Silent Night

Q: Did you make any attempt to approach the Dutch Post in a stealthy manner?
A: No we walked straight toward it.

Q: What were your reasons for contacting the Dutch?
A: There had been a lot of firing and we had orders to check to see what the firing was about.

Q: Is there a phone between Sgt.French's post and the Dutch Post #5?
A: No, as it was removed that day for repairs.

Q: As you approached the Dutch position did you see their sentry?
A: No, the first indication was a burst of Sten fire from the corner of the house where they are billeted.

Q: What are you orders regarding challenging?
A: We halt the oncomers as follows: Halt who goes there, if friend, ask for pass-word then advance friend and be recognized, then check their identity.

Q: What is the map reference of Sgt. French's post?
A: Tiel Sheet - 44356737 is Sgt. French's night post.

Q: What are you orders regarding movement on the winter dyke?
A: Orders are, that there is no one allowed on the winter dyke at all times.

Q: Did the route between Sgt. French's post and the Dutch post take you on the Winter Dyke?
A: No, at all times we were at least 25 yards on our side of the winter dyke.

Q: Were you challenged by the Dutch Post #5 before they fired on you?
A: I did not hear a challenge.

Q: Did they call out to you previous to you calling out the pass-word?
A: Not that I heard.

14

Q: After you called the pass-word what action did they take?
A: They challenged us and we repeated the pass-word.

Q: How did they challenge you?
A: They called out "Pass-Word".

Q: Were Sgt. French, Sgt. Woodburn and yourself on duty that night?
A: Yes we are on duty every night.

Q: Did you speak to the man that fired the Sten immediately? after?
A: No, after they challenged us some of their men came forward to help us with Sgt. French.

Q: Was it a clear night?
A: Yes, the visibility was good as the moon was shining.

Q: How close were you to the Dutch Post #5 when they opened fire?
A: About 15 to 20 yards.

Q: Did you see the man that fired the shots?
A: No, he was in the shadows of the building.

Q: To the best of your knowledge had Sgt. French used this route previously on other nights?
A: I am not certain but I know he used it always during the daylight.

Q: C an you tell the Court anything more that might help the Court in its findings?
A: No.

SECOND WITNESS

D 3051 Sgt. WOODBURN, C.W. having been duly sworn states:-

" On the night in question I visited Sgt. French's post and while there Tpr. Anderson came into the billets and said turn out, I turned out with his section, got to the top of the dyke but could not see anything that looked like the enemy. Then somebody said how about some more mortar H.E. I went down to Sgt. French's billets to get the H.E., Sgt. Baker and Sgt. French came in at that time when I was looking for the H.E. and said we are going over to the Dutch Post to see what is going on, Are you coming with us? We started out for the Dutch Post, Sgt. French leading, myself second and Sgt. Baker third. When we got within approximately 15 yards of the Dutch Post a Sten gun opened up, the flashes coming towards us made us drop to the ground. We called the pass-word and the Dutch sentry said "Pass-Word" so we called it out again. Then we stood up, but Sgt. French did not get up. We immediately went to him and found out that he was wounded. I went to get a phone inside, Sgt. Baker and one of the Dutch sentries carried Sgt. French into the Dutch billets. The Commander of Dutch Post #5, Group Commander KRUIKEMEYIER, mentioned in the evidence, was not available for questioning. At the time the Court was held Kruikemeyier was on unofficial leave. Further efforts were made to locate him but without success. Although Kruikemeyier's statement might add slightly to the case history, it would in no way alter the findings of the Court.
