Present situation:

Soldier is pleasant and cooperative. Army life has not affected his rustic manners. Says he loves farm work and feels he can help the war effort more by farming than by being in the Army.

In consideration of "M" Score 70 and soldier's inability to pass his Basic Training, he was referred to Psychiatrist on grounds of insufficient intelligence.

Man has taken some training at Huntingdon and R.R.C. but there is no evidence in documents that he passed ~~his~~ or qualified in training.

Man was seen by Psychiatrist and his Pulhems were reduced to M-4. In view of this, man is now suitable for H.W.E. Gen. Pioneer Coy.

Soldier's health is good, he is used to manual work and should prove useful in the branch of the Army.

Dear Sir,

Your letter of the 3rd August, 1944, addressed to the Pay-Master General, Department of National Defence (Army), Ottawa, Has been referred to this Headquarters for the necessary information.

Enclosed herewith please find copy of a self-explanatory letter from W.H. McKenna of Magog, Que.

It is advised that this funeral director submitted to this Headquarters an account amounting to $120.00 for funeral expenses incurred in connection with the funeral of the marginally named. This account has been paid by the District Treasury Officer, M.D. 4. The break-down of this account is as follows:

Casket and Shell -- Embalming	$75.00
Services	25.00

It is requested that this information be communicated to Mr. G. Dustin.

Yours truly,
