Officer Commanding,
1 (Cdn) General Holding Unit, RCAMC,
Borden,Hants.

1. My qualifications, I believe, will enable me to render more effective service in either the Royal Air Force or the Czechoslovak Air Force.

The pertinent facts are as follows:

Age: 32
Nationality: American by birth, of Czechoslovak descent.
Languages: Czechoslovak and English.
Education: Graduate of Stuyvesant High School,New York City.
Physical Category: "A".
Marital Status: Single.
Past Employment: For four years by my brother,Louis Zoul, owner of a large photographic studio at 48 West 48th St., N.Y.City. I am familiar with the handling of cameras, dark room technique, etc.

2. On the basis of the foregoing I feel that with a minimum of training I would become proficient in aerial photography. To extend my use value I am willing to be trained to take part in bombing operations, for observation and as a machine gunner. In addition my services could be used as translator to facilitate the friendly mingling of Czech and English personnel.

3. My intimate acquaintance (listed below) with Czech personnel of the R.A.F. and C.A.F. with whom I have discussed this have assured me of the merits of my request which I hope will be viewed favourably.

4. As my enlistment has been induced by the natural desire to be of the most possible assistance to the country of my people I would prefer to be listed as a Czechoslovak and serve with their forces. This matter has been called to the attention of Lt.-Col. Kalla, Military Attaché, Czechoslovak Legation and is under advisement.

Re:- No. D98674, Private George ZOUL
4th Canadian Field Ambulance RCAMC (C.A.)

Dear Sir:

I am directed to acknowledge receipt of your letter of the 23rd instant relative to the death of the soldier marginally named.

In reply thereto please be advised that information was received from Canadian Military Headquarters, England, to the effect that on the 20th day of May, 1941, Private Zoul was tried and convicted by a Field General Court Martial on a charge of desertion and was sentenced to undergo 180 days detention. He escaped detention on the 31st day of May, 1941, and was subsequently struck off strength, the Canadian Army, by reason of desertion effective 23rd day of June, 1941, and that, on an unknown date in the month of July, 1941, he became a stowaway on a vessel, jumped overboard at Gibralter and was drowned. It is regretted that this is the only information available regarding the death of Private Zoul.

On enlistment Private Zoul declared that he was single stating that his next of kin was his mother, Mrs. Mary Zoul.

Yours truly,

(W.E.L. Coleman), Lt.-Col.,
Officer i/c Records,
for Adjutant-General.

Master Juan Ramiro BALDERRAMA-WESTON, Born Peru, naturalised British.

On arrival from Gibralter with Iron Ore from Mellilia, the Master of the above vessel handed in the accommpanying effects of the late George ZOUL, whom he describes as about 5'4", slight build, fair stiff hair, grey eyes, appeared well educated and was a good talker with a slight American accent. From the effects it would appear that his Regimental number is D.98674 of the R.C.A.M.C. and he appears to have made an attempt to get back to the United States, was apprehended at Belfast, court-martialled and broke custody. There is a referance in one of his papers to "snow" but the Master said he did not give the impression of a drinker or a drug addict. Captain Weston happended to visit the storeroom when six days out of port and found Zoul concealed there. He put him to work with the trimmers and on arrival at Gibralter, sent for him with the object of handing him over to that Authorities, but the man jumped overboard. He gave a description to the Police and Zoul's body was washed up the following day. In addition to the papers sent herewith, the Master says he produced to him an American driving licence and an identity card issued by the New York Police (no details). He believes these, together with some Spanish money in a bottle, were found on the body. An inquest was held, at which the mess boy, Norman John Henry LEE, Born Quorn - 6.2.25, MMIC/YQAA/238684, is said to have made a statement (copy attached) to the effect that the Steward had known of the presence of Zoul on the ship before it sailed. It, therefore, looked as though the steward was implicated in the stowing away and I arranged for Chief Detective Inspector Holsworth of the Special Branch to visit the ship with me. We were unable to shake the Steward in his account which is to the following effect:-

Ernest Willis PIKE, born Newfoundland 27.4.16. In possession of MMIC/185, issued in Newfoundland and a letter from the Newfoundland Constabulary as follows:-

Newfoundland Constabulary,
St. Johns.
June 15th, 1939.

To whom it may concern.

This is to certify that Ernest Pike, formerly of Harbour Grace and now residing at 148-17 60th Avenue, Flushing, N.Y., has no Police record in Newfoundland.

(Signed) ?
Chief of Police.

Has made his home with his sister (Corcoran) at New York and has been a ship's Steward for about 8 years. Was at New York on the outbreak of war. Joined the "MONARCH OF BREMUDA" 28.11.39 for Greenock. Returned pasenger to Newfoundland. Joined the "SAN ANGELO" (afterwards re-named "EMPIRE SPRINGBOK"). Made two trips; then joined the "HENRI MORY", August 23rd, 1940 for New York, remaining there two months, sick. Signed on the "NORRISSA" for Liverpool, then went to Glasgow to look for the "Empire Springbok" again. It was not there and he signed on the "ASKLADDEN at Leith, 1.4.41, where he was sent by the Norwegian Consul. Travelled to Woolwich and back to Methel. Sailed again for Woolwich but put into South Shields for extensive repairs. There he paid off 15.5.41, and got married at Newcastle, his address being 233, Osborne Road, Jesmond, Newcastle. After a while they went to Glasgow, and ran into the bosun of the "CSARDA", who was engaged in obtaining a crew and he accordingly signed on. He says he first discovered ZOUL when three days out from Glasgow but he was too frightened to report the matter to the Captain and conived at ZOUL'S presence and feeding for that reason. The following

continued.....

is also a report on interrogation of the other members of the crew:-

Charles Daniel THOMAS - Fireman - Born New Glasgow, Nova Scotia, 4.3.19 Has MMIC/JAA/707657. Home address: 26 Milne Street, New Glasgow, N.S. Came to this country in November, 1940 on board the "WEGRI" Paid off in London, remained there about 4 days, afterwards going to Glasgow with the intention of joining the "PULASKI". He did not join, however, and remained in Glasgow, where he met the bosun of the "CSARDA" in Argyll Street, and on being told by him that the ship was probably going to Canada, he signed on. He says he had never seen ZOUL until he was discovered by the Master and put to work with the crew.

Robert Norman FRENCH - bosun - born Newfoundland 7.7.08. C/S A51817 At the outbreak of War was in New York and worked on United States ships. Brought a German ship over to this country and returned as a passenger on the "Duchess of Bedford". Joined the "MICHAEL L. EMBIRICOS" coming to this country and then joined the "EMPIRE PUMA" at Liverpool. On leaving this ship he went to Glasgow and signed on the "CSARDA" at Ardrossen.

All three men persistently denied having seen anything of ZOUL before the ship had sailed. Although they are Newfoundlanders, nothing came out which indicated any association between them but it would not be surprising of FRENCH, when collecting his crew had indicated the western side of the Atlantic as the ship's destination. It did not seem possible to Inspector Holsworth or myself for ZOUL to have been in the ship's storeroom without PIKE'S knowledge but as it would resolve itself into one man's word against the other, Inspector Holsworth came to the conclusion that no action could be taken. We failed to bringto light anything which pointed to previous association between ZOUL and anyone on the ship and it may have been a case of a last minute bribe. Pike said that when ZOUL heard that the ship was not bound for Canada, he was very upset and said he did not intend landing on English soil. From one of the letters in his papers it appears that ZOUL had fought in the Spanish War and spoke Spanish and that decided him to make for Spanish territory.

Pike has signed off and left the ship. Immediately before leaving his effects were searched without bringing to light anything indicating any previous association with ZOUL.

His expressed intention was to go to Newcastle to join his wife, remain ashore for a couple of weeks and then obtain another ship through the pool. His attention has been drawn to the necessity for reporting any change in his address to the National Registration Authorities.

He voluntarily surrendered the accommpanying diary, which does not, however, contain anything of interest.

Statement said to have been made at the inquest on George ZOUL, by Norman Henry LEE, Messboy, Panamanian ss "CSARDA":-

On 1st July, 1941, I saw George Zoul on board the above ship whilst the stores were being put on board in the storeroom (at Glasgow). I believe he was chummy with a fireman named THOMAS. I thought this man was one of the regular crew as I heard the Chief Steward, Ernest Pike, calling him "George" and took him into his cabin. Therefore, I did not report the matter to the Master. He slept in my cabin and then he was put up in the storeroom where I heard a conversation between this man and Thomas, making arrangements to leave the ship when near the Spanish coast. The Chief Steward asked me to allow Thomas to see Zoul. About midnight, the 18th, I went to the forecastle to call the stowaway Zoul to come upt to the Captain. I saw him lying in a bunk, fully dressed with something white under his arm, that appeared to me to be a lifejacket.

He left the forecastle; I went to follow, but I was prevented by some of the crew who were sitting at the door and then I was sent here and there on fools errands to hinder me from reporting to the Captain. I did not see Zoul again after that night. I heard Thomas say how he got Zoul through the docks at Glasgow.
