BRETON, Henri Georges,

Soldat,

No. E.22453, ARMEE CANADIENNE

il est nécessaire que les renseignements voulus concernant le défunt et les membres de sa famille soient fournis à l'intérieur de cette formule, en stricte conformité des instructions imprimées. Les détails exigés doivent être inscrits comme il faut et la déclaration au verso doit être ensuite signée en présence d'un pasteur, prêtre, magistrat de la localité, commissaire ou notaire public, que l'on priera de compléter et signer le certificat. Cette formule doit être ensuite renvoyée à l'adresse mentionnée ci-dessus.

La succession militaire d'un défunt, dont l'administration incombe à la division des successions, comprend tout reliquat de solde et d'allocations au crédit du défunt, l'argent en main et les effets personnels qui sont sous le contrôle des autorités militaires. Pour entrer en possession de ces valeurs, il n'est pas nécessaire que les personnes qui y ont légalement droit fassent homologuer le testament en cour ou, si le défunt était intestat, qu'elles obtiennent des lettres d'administration de sa succession.

En plus de voir à l'administration de ces valeurs militaires, l'administrateur des successions est autorisé à retirer, au compte du gouvernement, tous les fonds (jusqu'à concurrence d'un montant défini) déposés au nom du défunt dans les banques, bureaux de poste ou autres institutions financières au Canada et outre-mer, sans frais ni dérangement pour les personnes ayant légalement droit à la succession, et de distribuer cet argent en même temps que tout reliquat de solde. De même, les certificats d'épargne de guerre et les bons de la victoire que possédait le défunt peuvent être rachetés et distribués de la même façon, ou transférés au nom des personnes qui y ont légalement droit. Ces certificats et bons ne doivent pas être envoyés à l'administrateur des successions avant qu'il les demande.

S'il y a d'autres valeurs nécessitant une demande d'homologation du testament ou de lettres d'administration, l'administrateur des successions pourra transférer et remettre les valeurs militaires à l'exécuteur ou à l'administrateur nommé par la Cour, afin que toute la succession, militaire et autre, soit traitée comme un tout.

Les renseignements que vous donnerez aux pages 2 et 3 de cette formule seront donc un facteur qui aidera à déterminer si toute la succession du défunt peut ou non être entièrement distribuée par l'administrateur des successions aux personnes qui y ont légalement droit, c'est-à-dire, sans qu'il soit nécessaire de faire homologuer le testament ou administrer la succession.

Si l'espace destiné aux questions des pages 2 et 3 de cette formule n'est pas suffisant pour donner tous les détails, il faudra alors se servir de l'espace réservé aux "observations supplémentaires", à la page 4.

L'administrateur des successions,

Pour Le directeur des successions.

(XIX) SOLDIERS' WILLS

1. The particulars of the next-of-kin should always be carefully inserted in the Form on pages 4 and 5 of this Book, but the Soldier must understand that the entries made there have no legal effect in respect to the disposition of his estate in the event of his death and therefore do not relieve him from the necessity of making a Will. Unless a Soldier duly makes a Will, his estate is dealt with in the same manner as that of any other person who dies without leaving a Will, and not only may the relative or person desired or intended to be benefited receive little or no share of the estate but the distribution thereof is delayed until such of the next-of-kin as may be legally entitled can be located. Therefore, though his estate may consist of no assets other than the amount of pay and allowances at credit and the belongings he has on his person or in camp, it is urgent that he make a Will which, when completed, is left with his Commanding Officer for transmission to the Record Office for safe custody and in the event of his death is forwarded firstly, to the Estates Branch, Department of National Defence, Ottawa, for administration and distribution of the Service estate, and secondly, if other assets (including real estate) make it necessary, to the Executor named in the Will.

2. The Soldier's Will should **preferably** be made out on the Will Form,—M.F.M. 10 (English) or M.F.M. 10a (French)—provided for that purpose and on which are also printed a number of helpful instructions. These forms are obtained through the Commanding Officer of each Unit. A separate sheet of paper **may** be used but in such case the general form of the Will as shown in the Form M.F.M. 10 or 10a should be carefully followed. The Soldier will date the Will and at the bottom of it sign his name in the presence of two witnesses who at the same time in the presence of each other and of the Soldier will also sign their respective names. If the Soldier cannot write, he will make his mark in the place

in the Will where his signature would ordinarily appear, and immediately above their signatures on the Will the witnesses will write a memorandum as follows:—"The above Will has been first duly and audibly read over to this Soldier when he appeared to understand it and made his mark hereto in our presence as aforesaid". In such cases, however, it is recommended that the guidance of the Soldier's immediate superior Officer be obtained.

3. The Short Form of Will (see pages 23 and 24 of this Book) **may** be used by a Soldier on Active Service but it must be entirely in his own handwriting. It is pointed out, however, that under the laws of some of the Provinces of Canada, such a Will is ineffective as to real estate. Therefore a Soldier having a Canadian domicile and owning real estate should use the Will Form M.F.M.10 or 10a and appoint therein a responsible executor. A Soldier having a domicile out of Canada should not use the Short Form on page 24 because it may not comply with the law of such domicile.

4. No person who receives any benefit under a Will can be a witness. If a person to whom a Soldier intends to give any part of his estate is a witness of the Will, he will not be allowed to receive the intended gift. He may, however, be appointed an executor.

5. When making a Will it is not desirable that alterations be made in it. If, however, alterations **are** made by the Soldier in his Will, he and the two witnesses must write their initials in the margin opposite the alterations. Any changes in the provisions of a previously made Will can always be made by a new document called a Codicil which should refer to the previously made Will and then state the changes desired, and be dated and signed and witnessed in the same manner as the Will itself.

6. A completely new Will can at any time be made and in such case it revokes, or cancels, any Will of earlier date. The laws of all the Provinces of Canada, except one, and of most English speaking countries provide that

marriage **after** the date of a Will revokes that Will. Therefore, a Soldier, immediately upon his marriage, should make a new Will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as shown in his Will.

7. The Will of a Soldier on Active Service is not invalid by reason that at the date it was made he was under the age of 21 years.

A Soldier who has made a Will before his enlistment, is recommended to inform his Commanding Officer where such Will has been deposited and the Commanding Officer shall upon receipt of such information forthwith complete the following certificate and despatch the same to the Officer i/c Records.

No. Rank Name

states that he has executed a Will and that the same has been deposited with

Date

Before embarkation, each Soldier is recommended, particularly those who have real estate, to consider the necessity for executing a document appointing some person or Trust Company his Attorney to manage or otherwise deal with real estate during his absence from Canada; also to review his affairs in the light of any changes that may have occurred since the date of his last Will and, if desirable, make a formal Will and inform his Commanding Officer thereof as indicated at the top of this page, or make a Will on M.F.M. 10 or M.F.M. 10a (French) and hand it duly completed to his Commanding Officer for transmission to the Record Officer concerned for safe custody.

The Officer receiving such Will shall complete the following certificate:—

Certificate M.F.M. 017 received and forwarded to the Officer i/c Records at N.D.H.Q.

SHORT FORM OF WILL

(Write Will on next page)

The following is a specimen of a Will leaving all to one person:—

In the event of my death I give all my estate to my mother, Mrs. Mary Bull, 999 High Street, Toronto.

(Signature) GEORGE BULL,
