However, he is quite intelligent and reads a great deal and should be able to pick up what he lacks in gunnery through study and application. Dear Sir;

On behalf of my wife whose son and my stepson, who at present is overseas.

My wife is not in very good health and desperately wishes to see our son who has been overseas for over two years now, 25 months to be exact. I know and appreciate the fact that the exigencies of war make demands on all of us but we read in the papers everyday that R.C.A.F., men are returning for leave with less time over there than our own boy so we feel justified in writing this letter to see if it would not be possible for our son

J15145 Pilot Officer L. Dehoux - Pilot

Dear Mr. Davey:

Your letter of March 30th addressed to the Minister of National Defence for Air, requesting repatriation of your son, J15145 Pilot Officer L.J. Dehoux, has been passed to this office for reply.

Your anxiety and desire to have your son posted to this country is well understood, but it must be pointed out that there is an acute shortage of qualified personnel in the various theatres of war at the present time and every available man is needed.

It is essential that we treat all our personnel impartially and, as many airmen may have served in an active theatre of war during the present conflict longer than has your son, normally they would be entitled to return to this country before he would.

In accordance with our present procedure, your application is being passed to the authorities Overseas, for investigation and for decision as to whether the exigencies of the service permit your son's repatriation at this time.

As soon as further information is received from overseas, it will be communicated to you.

Yours very truly,

(T.C. Macfarlane)

for Chief of the Air Staff.

Dear Mr. Davey,

It was with very deep regret that I found myself having to inform you that your son, Lorrie, was missing.

Lorrie was one of the oldest members of the Squadron, and one of our key men. The day that he was reported missing, I had selected him as one of my Flight Commanders and he had been promoted to the rank of Flight Lieutenant; his loss was a very heavy blow to us.

As to circumstances, they indicate that there is every chance that Lorrie may have crash landed safely and been taken prisoner. He was with me when the attack took place, but when we reformed afterwards there was no sign of him. He was last seen breaking away from the target, having delivered his attack, and it is this fact that makes me feel that there is every hope that he is still alive.

Lorrie was greatly loved by everybody in the Squadron because of his tenacious qualities as a fighter, and his sincerity and unselfishness as a friend, and I cannot express too deeply on behalf of myself and the Squadron the sympathy that we feel for you in your great loss.

Yours sincerely,

John Wray S/L.

Dear Mrs. Davey:

At this time of great anxiety it is felt that you and the members of your family will wish to know the circumstances surrounding the honour and distinction which have come to your son Flight Lieutenant Laurier Dehoux DFC, through the award of the Distinguished Flying Cross for great gallantry in the performance of his duty while serving with No. 137 Squadron of the Royal Air Force, prior to his having been reported missing.

The citation on which this award was made reads as follows:

> "This officer has participated in many sorties, including attacks on enemy airfields both by day and night, and on military installations and shipping. In the course of his activities, Flying Officer Dehoux has inflicted damage on nineteen barges, three minesweepers and five locomotives. He has displayed great skill and fighting qualities."

The personnel of the Force are proud of your son's fine Service record.

Dear Sir;

RECEIVED JAN 26 1944 CASUALTY SECTION

Thank you for your letter of the 22nd with reference to our son Flight Lieutenant Laurier Delhout, D.F.C.,

We take from your letter that you deem it almost impossible that our son be still alive, therefore we ask if all your enquiries have been made thru official sources or if any of them have been made thru the underground in that district of Holland where he was reported drowned. It seems queer to us that all members of his squadron who were with him that day feel sure he was able to land OK as he was last seen gliding in for a forced landing and seemingly under control, a later sweep by a squadron mate disclosed no fire or column of smoke from a crashed aircraft.

In the event that he had been

killed that day? would you or would
you not be able to confirm that
from German or Red Cross sources?

We are very proud of our son's service
record and do not wish to be over proud
but we have always felt that the
service did not ever give him due
consideration for bone as he was over
there on operations for thirty-one months
before he was reported missing whereas
many another boy got home long before
that. He wrote us that at one time he
had eighty days of operations without
a days leave. We have another son
over there now, Laurier's brother
Sergeant Desmond Lehouck, R/90802, Sergeant
air Gunner. We feel that our family
have done all possible to help the
war effort.

In passing may we ask that
you do all that is humanly possible
to find out what happened to our
son. Please do not take this as a
criticism of your efforts up to the
present. We know we are not the
only parents who have had this
happen but nevertheless would like
as much information as is possible

May we also be assured that all his belongings and effects will be returned to us in their entirety?

Thank you once again for your kindness in this matter and we await your early reply.

Yours very truly

Mrs. T.A. Davey,

Toronto, Ontario.

Dear Mrs. Davey:

I wish to acknowledge your letter of January 25th concerning your son, Flight Lieutenant Laurier Dehoux, D.F.C.

Each belligerent power is required to set up an official bureau to give information to the International Red Cross Society at Geneva concerning personnel who are taken prisoners of war or who lose their lives in enemy territory. If any word of your son were available it would have been forwarded to these Headquarters.

Enquiries are also being made through other appropriate sources, the nature of which I am unable to divulge, but I wish to assure you that efforts are continuing to be made to locate him. Should any news reach here it will be forwarded at once.

At present your son's personal effects are being held in safe custody at a Central Depository Depot in the United Kingdom. If after a lapse of six months no word of him has been received his death will be presumed for official purposes, and his belongings will be sent to the Administrator of Estates, 308 Sparks Street, Ottawa, who will then distribute them in accordance with your son's Will.

I wish to again offer you and your family my deepest sympathy.

Yours sincerely,

Secretary,
Department of National Defence for Air,
Ottawa, Ontario.

Dear Sir: Re F/L J.L. DEHOUX, DFC (J15145)

We have received a request for information concerning the above-named officer's death.

This officer was reported missing on the 2nd of September, 1943, and has now been presumed dead for official purposes. His next-of-kin stated he was advised that Flight Lieutenant Dehoux was missing over the lock gates at Hansveert, Holland, and in the spring of 1944 read in a newspaper that a French Canadian fighter pilot was shot down in Holland and had joined the Maquis but was killed fighting with them. Mr. Davey, contacted your office and was advised that for reasons of security it was not possible at that time to give him any information as to whether or not the man referred to in the newspaper article was his step-son.

As Flight Lieutenant Dehoux's death has now been officially presumed would it be in order at this time for you to divulge any information regarding this matter. We believe that definite advice one way or the other would satisfy this officer's father.
