Krahne N 53/Z 22 was visited by F/L Saager on 9.1.47. He found two bodies there and reported as follows:

KRAHNE Cemetery N 53/Z 2924

The entry in the Curch Register, concerning the two bodies in this cemetery, reads as follows:-

From a 4-engined a/c which came in flames from MAGDEBURG (M 53/Y 60) and crashed near the chruch wood KRAHNE N 53/Z 2924 on 19.20.44 the remains of two crew members were recovered.

From another crew member, BREE, who was taken prisoner, and an identity disc it was learned that one of the deceased was F.F.G. ALLAN Can Airman R141655 R.C.A.F.

Exhumation revealed an officer's shirt on the first body (56 G.C.U. Ref. JON 61) and an O.R.'s shirt on the second (56 G.C.U. Ref. JON 62), so we may safely assume that the second is that of ALLAN.

Both bodies were badly burnt and there were few remains.

Their burial took place at 0900 on Tuesday, 22.2.44. with the local pastor, the Rev. GUENTHER, officiating. An Air Force detachment from WERDER N53/Z5333 was also present.

The cross over the tidily kept grave, decorated with fir branches, read:- "Here rest in peace two English soldiers killed on 20.2.44".

The graves were decorated this and preceding Memorail Sundays.

All these bodies are now reburied in the Brit. Mil. Cem. Berlin-Heerstrasse For reburial details see the exhumation reports.

(Signed) R.A. SAAGER F/Lt
Investigating Officer

In view of the fact that C.E. 1910 is still open, it is requested that you reviéew the case. No third body was found in the cemetery, nor was there anything known to any of the witnesses about a third casualty. As this tallies with the German information forwarded by you in your P413913/44/S.14.Cas(C.7) of 16th January, 1948, it seems that a third body was never recovered from the wreckage.

In addition to this, the following letter has been received from Herrn. OSWALD MOOSBRUGGER confirming that only two bodies were found:-

"Referring to your letter from the 3 Feb. this month Ref. C.E. G.1910 I believe if you would set yourself in connection with Mr. THOMAS HENRY LEE, 94, Latimer Road, Exeter, DEVON, you would get more information than I could give you. I can only tell you that tw omen were dead according to what I could see. After the plane hit the ground and exploded, the same were buried in the cemetery from KRAHNE. What happened to the other members of the crew I do not know. As I already wrote, you can get more information from Mr. LEE, then as far as I know, he met some of his crew members at the PRIEST Airport in PLAUE near BRANDENBURG

I would gladly give you some more information if could, and if there is anything that I can do to help you, let me know and I'll gladly do that. Now hiping that things will clear themselves, I remain as yourstruly,

Mr. OSWALD MOOSBRUGGER
HEIDELBERG, BAHNHOFSTR. 2.
bei MUNDI".

If P/O ALLAN was commissioned prior to the date of crash, it would seem that Body No. 1 was his, if not, there does not seem to be much chance of a positive identification. The raising of 3372 is held up pending your advice, as there seems to be no trace of the 3rd body.

QUESTION 1A Did you bale out, crash, forceland, ditch or get blown out? If so, state:-

(a) Names of members of the crew who baled out before you:-
Hughes, Manuel, Rose.

(b) Names of those who were in the a/c when you left:-
Dykes, Yelland, Allan.

QUESTION 1B. Approximately where did the aircraft crash? East of Brandenburg

QUESTION 1C. Tell us all you know about your aircrew - what happened were they killed or injured- taken prisoner with you - or did the Germans give you any details. Where did you hear of them last - what prison camps where they at - do you know their home town - next of kin or county?

At Brandenburg aerodrome I was shown 2 wrist watches, one belonged to F/Sgt Allan & also his shaved identity disc & the second watch was definitely that of W/O YELLAND. the Germans said there was the remains of 2 bodies in the wreck, one of which they buried as F/Sgt Allan, & the other just as unknown English flyer.

I have no information as to the fate of Sgt DYKES, if his body had been in the machine I they would have found the watch he was wearing, one I had loaned him.

This is conjecture only, but I landed close to a lake & I think it probable that Dykes has landed in the lake.

Sir,

F.B.Casualty - Lancaster III - DV.220 - Missing from Air Operations 19/20th February 1944.

I have the honour to refer to this Unit's signal AO.78 dated 20.2.44.

The aircraft was one of 22 detailed from this unit to attack LEIPZIG on the night of the 19/20th February 1944. Weather conditions en route were favourable, but the target area was covered by 9/10ths cloud. Opposition from ground defences were light to moderate, searchlights being ineffective owing to cloud. Large numbers of enemy fighters were in action and four of our aircraft were involved in combats. Nothing was heard of the missing aircraft after taking off from base.

The crew consisted of:-

R.141695	F/Sgt.	Allan F.F.G.	Captain
1157645	Sgt.	Lee T.H.	F/Engineer
R.165160	F/Sgt.	Hughes F.J.	A/Bomber

21st. February, 1944.

Dear Mrs. Allan,

May I be permitted to express my own and the Squadron's sincere sympathy with you in the sad news concerning your son, Flight Sergeant Francis Frederick George Allan.

His aircraft took off to attack Leipsig on the night of the 19th. February, 1944, and nothing further has been heard.

You may be aware that in quite a large percentage of cases aircrew reported missing are eventually reported prisoner of war and I hope that this may give you some comfort in your anxiety.

Your son was a most proficient Captain of Aircraft and his loss is a severe blow to the Squadron. I would like you to know how greatly we all honour the sacrifice he has made so far from his home country in the service of the United Nations.

I am enclosing a list of the names and addresses of the Next of Kin of members of the crew, as you may wish to communicate with them.

Any further information that may be received will be forwarded to you immediately.

Yours very sincerely,

F.S. Powley

Dear Miss Crone,

Before you receive this letter you will have been informed by telegram that your fiance, Flight Sergeant Francis Frederick George Allan, is missing from air operations.

He was the Captain of an aircraft which failed to return from an attack on Leipsig on the night of the 19th. February, 1944.

There is, of course, a fair chance that the whole of the crew may eventually be reported prisoner of war and I sincerely hope that this will prove to be the case.

Please accept my sincere personal sympathy with you in your anxiety.

Yours very sincerely,

Frank S Powley

Mr. Joseph Jean, M.P.,
Asst. Minister of Justice,
House of Commons,
O t t a w a.

Dear Mr. Jean,

I would be greatly obliged if you could help me in regards to my son, Pilot Officer Francis Fredrick George J.19942. He was Sgt. Pilot R141695 and the file No in R.C.A.F. is R.0.4. He was reported missing from operations over Leispyz, February 19-20, and later in March about 26, he was reported killed in action as given by the German authorities to the Swiss Red Cross but they do not mention where.he is burried. Now Mr. Nean what I really would like to know, was wether or not my son was shot by the Germans when some 6 Canadians were shot for escaping from Camp as 4 of his crew are prisoners of war at Stalag Luft III or VI. Germany were the break took place as this all about the time my son came down.

If the above facts as per the information I have received are true Mr. Jean, would it be possible for me to have all his personal belongings together with his wings from his uniform and any decorations that were or about to be awarded him also any monies, bonds Victory and salaries due him as he had told us prevously; he had been to London R.C.A.F. N2 to have things fixed up.

Also does the Government grant compensation for this loss. He was unmarried staying at Home with me as he was a mechanic and had not completed his time.

I am sorry to have put you to this trouble, and I thank you sincerely for what you can do for me in this matter.

Thanking you accordingly

I remain

Yours Truly,

(Signed) w.A. Allan.

WILLS

1. The particulars of the next-of-kin should always be carefully inserted in the Form on page 1 of this Book, but the Officer or Airman must understand that the entries made there have no legal effect with respect to the disposition of his estate in the event of his death and therefore do not relieve him from the necessity of making a Will. Unless an Officer or Airman duly makes a Will, his estate is dealt with in the same manner as that of any other person who dies without leaving a Will, and not only may the relative or person desired or intended to be benefited receive little or no share of the estate but the distribution thereof is delayed until such of the next-of-kin as may be legally entitled can be located. Therefore, though his estate may consist of no assets other than the amount of pay and allowances at credit and the belongings he has on his person or in camp, it is urgent that he make a Will which, when completed, is left with his Commanding Officer for transmission to the Records Office for safe custody and in the event of his death is forwarded firstly, to the Estates Branch, Department of National Defence, Ottawa, for administration and distribution of the Service estate, and secondly, if other assets (including real estate) make it necessary, to the Executor named in the Will.

2. The Officer's or Airman's Will should preferably be made out on the Will Form—R.C.A.F. R. 60 (English) or R.C.A.F. R. 60A. (French)—provided for that purpose and on which are also printed a number of helpful instructions. These Forms are obtained through the Commanding Officer of each Unit. A separate sheet of paper may be used but in such case the general form of the Will as shown in the Form R.C.A.F. R. 60 or R. 60A. should be carefully followed. The Officer or Airman will date the Will and at the bottom of it sign his name in the presence of two witnesses who at the same time in the presence of each other and of the Officer or Airman will also sign their respective names. If the Officer or Airman cannot write, he will make his mark in the place in the Will where his signature would ordinarily appear, and immediately above their signatures on the Will the witnesses will write a memorandum as follows:—"The above Will has been first duly and audibly read over to this Officer or Airman when he appeared

to understand it and made his mark hereto in our presence as aforesaid". In such cases, however, it is recommended that the guidance of the Officer's or Airman's immediate superior Officer be obtained.

3. The Short Form of Will (see pages 15 and 16 of this Book) may be used by an Officer or Airman on Active Service but it must be entirely in his own handwriting. It is pointed out, however, that under the laws of some of the Provinces of Canada, such a Will is ineffective as to real estate. Therefore an Officer or Airman having a Canadian domicile and owning real estate should use the Will Form R.C.A.F. R. 60 or R. 60A., and appoint therein a responsible executor. An Officer or Airman having a domicile out of Canada should not use the Short Form on page 16 because it may not comply with the law of such domicile.

4. No person who receives any benefit under a Will can be a witness. If a person to whom an Officer or Airman intends to give any part of his estate is a witness of the Will, he will not be allowed to receive the intended gift. He may, however, be appointed an executor.

5. When making a Will it is not desirable that alterations be made in it. If, however, alterations are made by the Officer or Airman in his Will, he and the two witnesses must write their initials in the margin opposite the alterations. Any changes in the provisions of a previously made Will can always be made by a new document called a Codicil which should refer to the previously made Will and then state the changes desired, and be dated and signed and witnessed in the same manner as the Will itself.

6. A completely new Will can at any time be made and in such case it revokes, or cancels, any Will of earlier date. The laws of all the Provinces of Canada except one, and of most English speaking countries provide that marriage after the date of a Will revokes that Will. Therefore, an Officer or Airman, immediately upon his marriage, should make a new Will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as shown in his Will.

7. The Will of an Officer or Airman on Active Service is not invalid by reason that at the date it was made he was under the age of 21 years.

An Officer or Airman who has made a Will before his enlistment, is recommended to inform his Commanding Officer where such Will has been deposited and the Commanding Officer shall upon receipt of such information forthwith complete the following certificate and despatch the same to the R.C.A.F. Records Officer.

GENERAL REMARKS BY THE MEDICAL OFFICER ON HIS IMPRESSIONS OF THE CANDIDATE

14-10-41- Well educated candidate, intelligent, very good Body Build, He went through all the tests with good responses, except an the 40 minutes in which he did present some strain to get through.
He presents a nasal obstruction too marked to be accepted now in aircrew duty: it should be properly attended before enlistment, otherwise, alsolutely fit in all respects

24-11-41 Same nasal obstruction, no treatment since the first application.
To D.P.N.H. for consultation.
