MR. P. L. I. ARCHER is in charge of a platoon of No. "9" Company of the McGill Contingent C. O. T. C. and has an "A" Certificate (Infantry).

He is an excellent officer generally with good command on parade and good discipline. He is enthusiastic and a good worker. He gets on well both with his fellow officers and the men under his command. Socially he is of good standing and a good mixer.

I have no hesitation in saying that he would make a very satisfactory officer.

Mrs. B. Archer,
8th Avenue,
Belleville, Barbados,
B.W.I.

Dear Mrs. Archer:-

Before you receive this letter you will have had a telegram informing you that your son S/Ldr. P.L.I. Archer has been reported missing on war operations.

It is with regret that I write you on this date to convey to Phil's family the feelings of my entire Wing. On the afternoon of the 17th of June, at 3 p.m. Phil with his Squadron took off from this aerodrome to carry out an operation over enemy occupied territory, and was due to return at approximately 4.30 p.m. He did not return and has not been heard from since.

We lost one of our best pilots when this aircraft did not return, and he undoubtedly had a great future before him. Your son had a total of 182.05 operational hours and 76 trips over enemy occupied territory.

There is a possibility that your son is a prisoner of war as there are indications that he may have baled out. In this case you will either hear from him direct or through Air Ministry, who will receive advice from the International Red Cross Society.

May I now express the great sympathy which all of us feel with you in your great anxiety, and I should also like to assure you how greatly we all honour the gallant sacrifice your son has made so far from his home in the cause of freedom and in the service of the Empire.

With sincerest personal condolences, I am

(Signed) J.E. Johnson

Dear Mrs. Archer:

It is a privilege to have the opportunity of sending you the Operational Wings and Certificate in recognition of the gallant services rendered by your son Squadron Leader P.L.I. Archer D.F.C.

I realize there is little which may be said or done to lessen your sorrow, but it is my hope that these "Wings", indicative of operations against the enemy, will be a treasured memento of a young life offered on the altar of freedom in defence of his Home and Country.

Yours very sincerely,

Dear Mrs. Archer:

I have learned with deep regret that your son, Squadron Leader Philip Leslie Irving Archer, D.F.C., previously reported missing on Active Service Overseas and subsequently reported missing believed killed, is now for official purposes presumed to have died on June 17th, 1943. I wish to offer my sincere and heartfelt sympathy.

It is so unfortunate that a promising career should be thus terminated and I would like you to know that his loss is greatly deplored by all those with whom your son was serving.

ESTATES BRANCH JAN 20 1944 H.Q. OTTAWA DEPARTMENT OF NATIONAL DEFENCE

ARCHER, Philip Leslie Irving, (D.F.C.), S/Ldr.

J.3508 R. C. A. F.

it is necessary that the requisite information regarding the deceased and his relatives should be furnished on the inside of this form in strict accordance with the printed instructions. The particulars required are to be carefully filled in and the Declaration on the back should then be signed in the presence of a Clergyman, Priest, Local Magistrate, Commissioner for Oaths or Notary Public, who should be asked to complete and sign the Certificate. This form should then be returned to the above address.

A deceased's Service estate, the administration of which is the responsibility of the Estates Branch, consists of any balance of pay and allowances at credit, cash on hand and the personal effects which are under the control of the Service authorities. To obtain such assets, it is not necessary for the person(s) legally entitled thereto to obtain through the Courts Probate of the Will, or if none, Letters of Administration of his estate.

In addition to the administration of those Service assets, the Administrator of Estates is authorized to withdraw into Government account any funds (within a defined amount) on deposit to the deceased's credit in Banks, Post Offices or other financial institutions in Canada and Overseas, without expense or trouble to the person(s) legally entitled to the estate, and to distribute such funds at the same time as any balance of pay is distributed. Also, War Savings Certificates and Victory Loan Bonds owned by the deceased may be redeemed and similarly distributed, or transmitted into the name(s) of the person(s) legally entitled. Such Certificates and Bonds should not be forwarded to the Administrator of Estates until they are requested.

If there are other assets which necessitate an application for Probate or Letters of Administration, the Administrator of Estates may transfer and hand over the Service assets to the executor or administrator appointed by the Court so that all the estate, Service and otherwise, may be dealt with as a whole.

The information given by you on Pages 2 and 3 of this form is therefore of importance in determining whether or not the deceased's assets are such that they may all be administered by the Administrator of Estates to the person(s) legally entitled, that is, without the need for Probate or Administration.

If there is insufficient space for complete particulars to be given opposite any question on Pages 2 and 3 of this form, the space under "additional remarks" on page 4 should be used.

for (L. M. Firth) Lt.-Col.
Administrator of Estates.
