RESULT OF INVESTIGATION AND FINDINGS :

1. In accordance with your memo of 29/7/46, I ~~have~~ am able to report the following re the burial details of the above crew. I quote from a report by Mons. Rassouw.

2. On the 29-4-42 at 2300hrs a Halifax was shot down near Fort de Mardyck. The seven occupants were killed. On the 30th I went to the locality of the crash to see the bodies. It was impossible to approach. All the terrain was mined. A German officer told me that specialists were waiting, and it was not possible until the 15th May , that it was possible to recover the bodies. Four were identified, from either their discs or marks on their clothing as follows :-

(a) S.K. Springham 614665 RAF.
(b) Sgt. Potter 636471.
(c) R.W. Watson
(d) P/O B.Brown Raf.

Cont. Page 2.

The three other bodies in the aircraft were carbonised to such a point that no identity mark or even colour of their clothing could be discovered. e. f. g. Unknown.
They were buried in English Plot No.2, Row 3, as follows :-

(a) Grave 11.
(b) " 12.
(c) " 13.
(d) " 14.
(e) " 15.
(f) " 16.
(g) " 17.

3. The above is the gist of a report by Mons. Maxime Rassouw, of the Service des Sepultures Militaires a Dunkerque. This gentleman has helped us before and the accuracy of his reports has allowed us to identify many airmen without exhumation. (A discrepancy is noted in P/O Brown's initials but there can be no doubt the body in Grave 14 is his.

4. Consequently I do not think an exhumation of the unknown graves will result in any of the remaining 4 being identified individually.

5. . "Sgt Potter" was badly burned above the waist but was "identified" by the name and number, as shown, marked on his flying boots. This confirms your supposition in para.3 of your letter.

6. I recommend that a communal cross be placed over Graves 12, 15, 16, 17, bearing the names of F/O Shattock and Sgt's MacDonald, Naish, and Campbell.

7. Preliminery F.3372 attached.

Dear Mrs. Brown:

I wish to acknowledge receipt of your letter dated October 4th, addressed to the Chief Treasury Officer, concerning your son, Pilot Officer James Bernard Frederick Brown, which has been passed to me for reply.

I regret to inform you advice received from the Royal Canadian Air Force Casualties Officer, Overseas, stated your son was the Observer of a bomber which failed to return to its base after air operations on the night of April 29th, 1942. A later report advised that the International Red Cross Society had received information from German sources, which stated that your son lost his life near Dunkirk, France, on April 29th. Official German information just received states that he was buried in the English Section of the Municipal Cemetery, Dunkirk.

As this is official information, presumption of death action is being instituted by the Air Ministry. When your son's death has been officially presumed you will be advised immediately.

May I take this opportunity to offer you my deepest sympathy.

Yours sincerely,

(W.R. Gunn)
Flight Lieutenant,
R.C.A.F. Casualties Officer,

At school, he proved to be a good student and we have no hesitation in recommending him as an industrious and trustworthy young man.
