Whether recommnded for Gunnery Leaders Course " "

Mean marks in fighting were only just average. His flying training results were average throughout his course. He shows keenness, works well but is on the slow side. There is no fault to find with his discipline.

It is our opinion that this N.C.O. is an average type steady gunner and crew member.

8th March, 1945.

Dear Mrs. McManus:

Before you receive this letter you will have had a telegram informing you that your husband, Flight Sergeant Rupert George McManus (R.268539) has been reported missing as a result of air operations.

At approximately 1843 hours on the night of 7th instant "George" and members of his crew took off from this aerodrome to carry out bombing operations over Hemmingstedt, Germany, but unfortunately failed to return. He and his crew were due back at approximately 0015 hours that night, but no news has been received from the aircraft since the time of take-off.

It is with regret that I have to write to you this date to convey to you the feelings of my entire Squadron. The loss of your husband and other members of the crew is greatly felt by everyone as he was very popular with the boys. "George" had 14 operational trips to his credit and a total of 92.45 hours over enemy territory, and proved himself to be a very capable Air Gunner.

There is always a possibility that your husband may be a prisoner of war, in which case you will hear from him direct or through Air Ministry, who will receive advice from the International Red Cross Society. To be a prisoner of war is not the happiest thought in one's mind, particularly for you who are so fond of your husband, but, on the other hand, I think you will

P.T.O.

agree with me that it carries a certain gratifying thought in knowing that our loved ones are alive and well, and will some day return home safely.

Your husband's effects have been gathered together and forwarded to the Central Depository, Royal Air Force, where they will be held until further news is received, or, in any event, for a period of at least six months before being forwarded to you through the Administrator of Estates, Ottawa.

I do not wish to grieve you further in your deep anxiety, and trust that you will bear with us until such a time as definite information is received one way or the other concerning the welfare of your husband.

Air Ministry, Casualties Branch, will furnish you with any further news received regarding your husband.

May I offer my sincere sympathies as well as those of my officers and men in your anxiety.

Sincerely yours,

J. R. Sharp

Our file confirms your report that this aircraft crashed Nordhastedt and that the case, has been the subject of a War Crime Investigation. No evidence has been found by J.A.G., of such a crime, and their conclusion was that the personnel who lost their lives were killed by the crash.

There are only four bodies to account for from this crash and it is agreed that the evidence is that all that could be recovered from the crash was buried and is now in the four graves at Kiel 11 to 14 Row B, Plot 1.

The exhumation report of Grave 11 shows that Daughters is the occupant and it is requested that the graves should be registered as below:-

RECEIVED MAR 21 48 CASUALTY SECTION

J95363(DPC)

OTTAWA, Canada, 3rd January, 1949.

Mr. W. McManus,
1654 Mount Royal Ave. E.,
Montreal, Quebec.

Dear Mr. McManus:

It is with regret that I must refer to the loss of your son, Pilot Officer Rupert George McManus, who lost his life on air operations against the enemy March 7, 1945. A communication has, however, been received from our Missing Research and Enquiry Service which states that the graves of your son and his crew were located in Nordhastedt Cemetery, four miles East South East of Heide. Heide is approximately forty-three miles West South West of Kiel, Germany. It was ascertained that the aircraft had crashed in a field near the village of Nordhastedt.

The crew have since been re-interred in Kiel Permanent British Military Cemetery, 1½ miles East of Kiel. Exhumation resulted in the identification of Pilot Officer Allen and Pilot Officer Daughters. Graves 13 and 14 in Row B, Plot 1 are being registered collectively with the names of your son and Warrant Officer Baird.

This is in accordance with the agreed policy of the Nations of the British Commonwealth that all British aircrew buried in Germany would be moved to British Military Cemeteries located in Germany, where the graves and cemetery will be cared for and maintained in perpetuity by the Imperial War Graves Commission (of which Canada is a member). The cemetery will be beautified by the planting of trees, shrubs and flowers, and the Commission will also erect a permanent headstone at your son's grave.

It is my earnest hope that you will be comforted with the knowledge that your son's resting place is known, and that it will be permanently maintained, and I would like to take this opportunity of expressing to you and the members of your family my deepest sympathy in the loss of your gallant son.

Yours sincerely,

(W.R. Gunn) W/C

Dear Mrs. McManus:

It is a privilege to have the opportunity of sending you the Operational Wings and Certificate in recognition of the gallant services rendered by your husband, Pilot Officer R.G. McManus.

I realize there is little which may be said or done to lessen your sorrow, but it is my hope that these "Wings", indicative of operations against the enemy, will be a treasured memento of a young life offered on the altar of freedom in defence of his Home and Country.

Yours very sincerely,
