Keith Army.

3. Short statement by injured person of the circumstances of the injury (see instruction 5). ~~Signed statements of witnesses, or of persons to whom the injured person may have mentioned his injury, to be attached (see instructions 3 and 4).~~

I was on my way to LEATHERHEAD from the C.O.D. BRAMLEY, Hants, taking the by-pass from ALDERSHOT to FARNBOROUGH at about 1600 hrs on 29 Apr 42. At the time there was a heavy convoy consisting of a Fd Regt from the 51 HIGHLAND BRITISH DIVISION using the road at about 30 vtm north from ALDERSHOT to FARNBOROUGH. Due to other heavy traffic getting mixed up with this convoy, the density in places was between 60-70 vtm. Very little traffic was coming the other way (i.e. North to South) so passing this convoy was not obstructed. I was proceeding on my M/C at about 17-20 mph and the drivers of the Br vehs were waving me by. On passing a 3-ton Br veh I found another 3-ton veh was close in front about 20 feet away. I did not notice that this was a Cdn veh. On passing the Cdn veh and about level with the driver's seat, I was forced off the road by this Cdn veh, turning to either pass or change direction down a side road. I did not notice if the driver had signalled as I was below him on the M/C. I attempted to avoid being forced on to the sidewalk by increasing speed to get ahead of the veh, but unfortunately the 3-ton right forward wheel struck the rear of my M/C and threw me out of control. On riding on to the sidewalk, which was crowded with pedestrians, I had to ride the M/C into the hedge. I was temporarily knocked unconscious and came to and found the A¾P.M. of ALDERSHOT with two M.P.'s assisting me. They gave me first aid and brought me to the Aldershot Military Hospital for treatment and looked after the M/C and equipment. I was released from hospital in one hour and was able to proceed back to my H.Q.. Before proceeding to the hospital, I was able to obtain rank, name and number of the driver of the Cdn 3-ton vehicle.

INSTRUCTIONS

1. This form is to be rendered within 48 hours after the event in all cases of accidental or self-inflicted injuries to an officer or soldier involving:

(*a*) death,

(*b*) absence from duty for 48 hours or more, or

(*c*) absence from duty of less than 48 hours when the medical officer should invariably be consulted as to whether the injury may be the exciting cause of disability later.

(*d*) in all accidents involving personnel whether there is evidence of injury or not.

2. A separate form is to be used in respect to each individual affected.

3. This form is to be rendered notwithstanding the holding of a court of inquiry or investigation. If a court of inquiry is held a copy of this form is to be included in the proceedings.

4. Full statements are to be taken by an officer from the witnesses of the accident or, where there was no witness, from any persons to whom the injured officer or soldier may have mentioned his injury immediately after the occurrence. These statements, when obtainable will be signed by the persons making them, and by the officer who takes them, and will be forwarded with this form. Where it is intended to take disciplinary action, duplicates of these statements should be retained by the unit for use in lieu of a summary of evidence.

5. Where it is possible to obtain it, a statement from the injured officer or soldier will also be forwarded. This, however, should not be used as evidence against him in any subsequent disciplinary proceedings.

6. Three copies of this form will be forwarded direct in all cases to N.D.H.Q.; one copy to be retained by the unit rendering the form and two copies to be placed with the man's documents.

SPECIAL INSTRUCTIONS AS TO EVIDENCE IN CASES OF SELF-INFLICTED WOUNDS

7. In these cases the statements mentioned in paragraphs 4 and 5 above should bring out all material points, e.g., statements to the effect that the witness was with the accused standing on the fire step (or sitting in a dug-out); that the accused was cleaning his rifle; position of safety catch, magazine, etc., if known; muzzle of rifle on toe of foot; hand on muzzle; that accused pulled trigger; that the rifle was afterwards examined and an empty cartridge case was found in chamber; that accused was seen to be wounded; what accused said ("I have shot myself," "I did not know it was loaded," etc.).

8. An officer or a soldier is specially trained in the safe use of his rifle and revolver, and evidence of any neglect of the ordinary precautions as to their handling in such cases usually has considerable bearing on the question of negligence. In cases of wilful self-wounding the fullest possible evidence should be obtained; unless the evidence is conclusive this charge should not be used. The charge will therefore usually be laid under section 40 Army Act—"Conduct to the prejudice of good order and military discipline in wounding himself through negligently handling a rifle," and an alternative charge to this effect should be made, even if the accused is to be tried under section 18 for wilful maiming.

STATEMENT OF INJURED PERSON:

(Short statement by injured person of the circumstances of the injury. Signed statements of witnesses, or of persons to whom the injured person may have mentioned his injury, to be attached.)

On the night of 17/18 Jul 44 I was attending a Bde Comds Conference, driving Lt-Col E.D. Nighswander from Bde H.Q. back to Div H.Q.(From Frougueville to Villeneuve), The time was about 0130 hrs 18 Jul 44. It was very dark and no lights were allowed.

Suddenly I had to swerve violently to avoid a vehicle approaching from the opposite direction. We braked to a very sudden stop mounting a steep bank on the side of the road. The Col. was thrown out of the vehicle injuring his left hand and I was forced violently against the steering column and the dash board of the vehicle ~~xxxxx~~ causing my left knee, shin and ankle to become wrenched and injured.

The vehicle remained undamaged.
