Character and Ability on 31st December yearly, on final discharge, and other occasions prescribed by regulation. If recommended for Medal and Gratuity, "R.M.G." to be awarded on 31st December and final discharge, if not, a line to be drawn across column.

Note as to method of assessing Ability.

"Efficiency" in substantive rating replaced "ability" on 31st May, 1926, and the terms used now have the following meanings :—

Superior—above average efficiency
Satisfactory—average efficiency
Moderate—efficient but below average efficiency
Inferior—inefficient

} without regard to fitness for advancement

The "Exceptional" notation is abolished.

Variations in ability are often explained by the fact that the man has recently been promoted—see pages 2 and 3—and had not gained sufficient experience in the higher post to be at once recommended for another step.

Dear Mrs. Bertrand:

It is with deepest regret that I must confirm the telegram of 1st of May, 1944, from the Minister of National Defence for Naval Services, informing you that your husband, Laurent Joseph Luciene Bertrand, Chief Petty Officer, Royal Canadian Navy, Official Number 2408, is missing from H.M.C.S. "Athabaskan".

According to the report received from overseas, your husband's loss occurred when H.M.C.S. "Athabaskan" was torpedoed and sunk by enemy action on the 29th of April, 1944, in the English Channel. Further particulars of this Naval disaster are being published in the newspapers.

While Chief Petty Officer Bertrand is reported as "missing", there is a possibility of his survival. It is understood that a number of the crew have been taken prisoners of war by the enemy. The Red Cross have been informed and are attempting to obtain from the German Government a list of those taken. Please be assured that as soon as any further information respecting your husband has been received you will be informed.

Please allow me to express the sincere sympathy of the Minister of National Defence for Naval Services, the Chief of the Naval Staff and the Officers and men of the Royal Canadian Navy, the high traditions of which your husband has helped to maintain.

Yours sincerely,

LETTER dispatched by PERSONNEL NAVAL MAY 2 1944

SECRETARY, NAVAL BOARD.

10th October, 1944.

Dear Mrs. Bertrand:

I must regretfully inform you that since your husband was reported missing no further information has been received of his survival or that he is a prisoner of war.

I wish to assure you, however, that the Department makes every endeavour to discover the fate of missing men and draws upon all likely sources of information about them.

In the case of men who are believed to be prisoners of war continuous efforts are made to speed up the machinery whereby their names and camp addresses can reach this country. The official means is by lists of names prepared by the enemy government. These lists take some time to compile, especially if there is a long journey from the place of capture to a prisoners of war camp. Consequently "capture cards", filled in by the prisoners themselves soon after capture and sent home to their relatives, are often the first news received in this country that a man is a prisoner of war.

Very slight hope is now held, however, that your husband is a prisoner of war as the total number of names of men who are known to be prisoners from H.M.C.S. "ATHABASKAN" coincides with the number which the Germans claim to have captured from this ship.

Even if no news is received that a missing man is a prisoner of war, endeavours to trace him do not cease. Enquiries are pursued, not only among those who were serving with him, but also through diplomatic channels and the International Red Cross Committee at Geneva. The moment reliable news is obtained from any of these sources it is sent to the Department and is immediately passed on to the next of kin.

Should no information be received to the contrary your husband will be presumed dead by the Canadian Naval Authorities at a later date.

May I extend my sincere sympathy in this time of anxiety.

Yours sincerely,

SECRETARY, NAVAL BOARD

Dear Mrs. Bertrand:

Further to my letter of the 10th of October, 1944, I regret to inform you that in view of the length of time which has elapsed since your husband Laurent Joseph Lucien Bertrand, Chief Petty Officer, Official Number 2408, Royal Canadian Navy, was reported missing from H.M.C.S. "ATHABASKAN", and as no news has since been received to the contrary, the Canadian Naval Authorities have now presumed his death to have occurred on the 29th of April, 1944.

May I again express sincere sympathy with you in your bereavement on behalf of the Minister of National Defence for Naval Services, the Chief of the Naval Staff, and the Officers and men of the Royal Canadian Navy.

Yours sincerely,

Deputy SECRETARY, NAVAL BOARD.

Madam,

It is my very painful duty to give you the following details about the dear one who has passed away to your great sorrow many months ago. I should have done this and sent you the enclosed souvenirs long ago but I know that you had official notice from the Mayor of our town of Mr. Bertrand's death on the field of honour.

Mr. Bertrand went down with his ships on the coast of Brittany, north of Finistere. Fifty-six bodies were picked

up from the wreck and
give a worthy burial in
a common grave in our village
cemetery near the grave of
American compatriots who
perished in the same cause.
Unfortunately both offices
and men were buried to-
gether and their common
grave is taken good care of
by pious and friendly hands
who keep it planted with
flowers.

I am a fisherman. It
was while engaged in my
work that I found Mr.
Bertrand's body on the beach.
It bore no wounds, so that
death was due to drowning.
To get the enclosed souvenir,
I had to search his pockets,
but watched as I was by
Germans, I could not do

very much searching. These Germans took his watch, etc., and they did likewise with the other bodies that were picked up, but could not search them as the Germans took charge of the burial.

Accept, my dear madam, my very deep sentiments of respect and condolence with you in your great sorrow.

S. Eden,
Sous-secrt.
Finistere,
France.

Dear Mrs. Bertrand:-

Further to my letter of the 16th of January, 1947, Naval Headquarters is now in the process of rechecking exhumation reports, dental records, etc., received from the Army Graves Services, Overseas, in an effort to definitely confirm the identity of bodies recovered from H.M.C.S. "ATHABASKAN" and over whose graves temporary wooden markers have already been placed.

As the dental particulars on the exhumation reports respecting your husband correspond to those on file at Naval Headquarters, such particulars have been accepted as positive identification.

Chief Petty Officer Bertrand's grave is located in the Plouescat Communal Cemetery, Plouescat, Finistere, France, in Plot 1, Row B, Grave No. 38 and is temporarily marked with a wooden marker. A permanent headstone will be erected in due course by the Imperial War Graves Commission, (Overseas).

Enclosed is a snapshot of your husband's grave.

Yours truly,
