Dear Mrs. Field:

We have now received a report from your husband's Unit on the full enquiry and search which was made for your husband's missing wrist watch.

It is with great regret that we must advise you that this watch could not be located for we quite appreciate how much you would have cherished it.

Yours faithfully,

Dear Mrs. Field:

I have learned with deep regret of the death of your husband, Leading Aircraftman John Walsingham Field, on Active Service on June 12th and I wish to offer my sincere and heart-felt sympathy.

It is so unfortunate that a promising career should be thus terminated and I would like you to know that his loss is greatly deplored by all those with whom your husband was serving.

Yours sincerely,

TO WHOM IT MAY CONCERN.

John W. Field has been a boy in this College from March 1925 to December 1931 during which time he has borne a very good character indeed. He passed the Cambridge Preliminary Examination in 1929, the Government Middle School Examination in 1930 gaining a Government Scholarship of Rs. 12/- p.m. for two years, and last year took the Cambridge Junior Local Examination, the results of which are not yet out. It is, however, expected that he will pass creditably in this last test. He is a boy of more than average intellectual ability and has always given satisfaction in his work and classes. He plays cricket, hockey and football and last year was in the "A" team for his House in Inter-House Tournaments. He was an excellent Boy Scout and was Troop Leader of his Troop and was also a King's Scout and gained his Cords for the same.

He is now leaving us as his parents and family are proceeding to Canada. I wish him every success in his future life and anticipate that he would do quite well as he is a boy of character and grit.

MEMORANDUM FOR

P. 64

Mrs. J. W. Field,
1350 Lajoie Avenue,

Any further communication on this subject should be addressed to:—

THE ADMINISTRATOR OF ESTATES,
DEPARTMENT OF NATIONAL DEFENCE,
OTTAWA, ONTARIO.

and the following number quoted:—

H.Q. 1040-F-40 FD. 166

DEPARTMENT OF NATIONAL DEFENCE
ESTATES BRANCH
OTTAWA, ONT.

July 5, 1943

For the purpose of record and in the event of there being any Service estate available for distribution (according to law) on account of the late

FIELD, John Walsingham, LAC

No. R-164621, R.C.A.F.

it is necessary that the requisite information regarding the deceased and his relatives should be furnished on the inside of this form in strict accordance with the printed instructions. The particulars required are to be carefully filled in and the Declaration on the back should then be signed in the presence of a Clergyman, Priest, Local Magistrate, Commissioner for Oaths or Notary Public, who should be asked to complete and sign the Certificate. This form should then be returned to the above address.

A deceased's Service estate, the administration of which is the responsibility of the Estates Branch, consists of any balance of pay and allowances at credit, cash on hand and the personal effects which are under the control of the Service authorities. To obtain such assets, it is not necessary for the person(s) legally entitled thereto to obtain through the Courts Probate of the Will, or if none, Letters of Administration of his estate.

In addition to the administration of those Service assets, the Administrator of Estates is authorized to withdraw into Government account any funds (within a defined amount) on deposit to the deceased's credit in Banks, Post Offices or other financial institutions in Canada and Overseas, without expense or trouble to the person(s) legally entitled to the estate, and to distribute such funds at the same time as any balance of pay is distributed. Also, War Savings Certificates and Victory Loan Bonds owned by the deceased may be redeemed and similarly distributed, or transmitted into the name(s) of the person(s) legally entitled. Such Certificates and Bonds should not be forwarded to the Administrator of Estates until they are requested.

If there are other assets which necessitate an application for Probate or Letters of Administration, the Administrator of Estates may transfer and hand over the Service assets to the executor or administrator appointed by the Court so that all the estate, Service and otherwise, may be dealt with as a whole.

The information given by you on Pages 2 and 3 of this form is therefore of importance in determining whether or not the deceased's assets are such that they may all be administered by the Administrator of Estates to the person(s) legally entitled, that is, without the need for Probate or Administration.

If there is insufficient space for complete particulars to be given opposite any question on Pages 2 and 3 of this form, the space under "additional remarks" on page 4 should be used.
