Dear Sir:

Mr. Philip Carrier of this Town has asked me to communicate with you concerning benefit payments which he understands are due to him, arising from the death of his son Joseph Louis Philip Denis Carrier who lost his life while in the military service of the Dominion. This boy enlisted in 1941 and lost his life in March of 1943 at Yorkshire City, England and is said to be buried there in Stonefalls Cemetery. He was a sargent in the air force.

I do not have his serial number or anyother means of identification.

The decedent had been married but was divorced prior to the date of his enlistment.

The father advises me that a sister, Dianne, received payment or payments in this connection and he has been given to understand that as the father he is likewise entitled to certain benefits.

If you can enlighten me in this connection, I will be obliged to you.

Very truly yours,

Theodore Gonya

Dear Sirs;

I am writing in regards to the effects of the late Sgt. Dennis Carrier who was killed while serving in the R.C.A.F.

All I received was a snap shot he had. I would like so much to have his wings or some remembrance that I can keep for his daughter who is eight years old now.

Would you kindly look into this? Sincerly Yours,

Miss Deane Carrier,
56 Myrtle Street,
PORTLAND MAINE,
U.S.A.

Dear Miss Carrier,

Before you receive this letter you will have been notified by Air Ministry of the very sad loss of your father Sergeant Joseph Louis Phillip Dennis Carrier.

Your father was killed in an Aircraft accident whilst on a routine flight. Due to service regulations it is not possible to give you further details, but I can assure you that your father did not suffer as his death was instantaneous.

Your father was buried at Stonefall Cemetery, Harrogate and the Service was conducted by the Canadian Roman Catholic Padre, S/Ldr. Brazeau, Chaplain of this Station. Full Service honours were accorded and members of his own Unit were present. The casket was covered with the Union Jack, the firing party was in attendance and the last post was sounded. Wreaths were sent from the members of the Officers' Mess, Sergeants' Mess and by the Airmen of this Station, the cards from which are enclosed herewith. Photographs of the ceremony were taken and are also enclosed.

For your information all war graves are taken care of by the Imperial War Graves Commission who will place a temporary wooden cross on your father's grave pending the erection of a permanent headstone.

Your father's effects have been gathered together and forwarded to the R.A.F. Central Depository from where they will be forwarded to the Administrator of Estates, Ottawa, who will contact you in this regard in due course.

/over

May I now express the deepest sympathy which all of us feel with you in the sad loss which you have sustained and I should like to assure you how much we honour the unselfish sacrifice which your father has made, so far from his own country in the cause of freedom.

Yours very sincerely,

S. C Clark.

Flying Accident to Wellington BK.213 at Henstridge on 13.12.43.

With reference to this Unit's letter of even number dated 20th December, 1943, herewith progress reports on the injured personnel in accordance with A.P.1922.

J.27355 P/O. Winch J.E.

Transferred to Facio Maxillary Unit, Park Prewett, Basingstoke, on 21.12.43.

R.157845 Sgt. DeBeck F.A.

This sergeant's conditions has improved somewhat but he is still considered to be dangerously ill. The head wound is healed but the wound of the right knee is infected and is considered to involve the joint itself.

Surgeon Rear-Admiral MILNE, Consultant Orthopaedic Surgeon to the Royal Navy, saw him in consultation yesterday and advised continuation of the present treatment for the knee.

The unconsciousness has gone but the patient is now irrational and it is possible that there is some permanent intracranial damage.

Considering these serious conditions the cosmetic effect of the facial injuries must be a secondary consideration at the moment.

R.19482 Sgt. Basistuick J.

This sergeant is making good progress. The kidney injury is almost completely resolved and they shoulder is progressing as expected. He will not be removed from the dangerous case List until the absence of injury to the spine can be made certain.

R.176860 Sgt. Carrier P.D.

This sergeant continues to make good progress. Some persistent headache is now showing sign of ceasing and his general condition continues excellent.

J.25044 P/O Zinkhan J.

Pilot Officer Zinkhan continues to make a good recovery.

/cont'd.

The wound is soundly healed and he is now ambulant to some extent. The headaches are clearing and he should be fit for discharge from Hospital fairly soon.

AIR MINISTRY (CAS.)

Flying Accident to Wellington BK.213
at Henstridge on 13.12.43.

With reference to the above aircraft accident, this Unit's signal A.591 dated 13th December 1943 refers. In accordance with A.P.1922 herewith progress reports on the injured personnel.

"R.176860 Sgt. Carrier, P.D.

This Sergeant has never appeared to be seriously injured, and is progressing very well. As his period of hospitalisation is not likely to be prolonged it is proposed to keep him in this hospital until he is fit for discharge.

J.25044. P/O Zinkhan. J.

The above named officer was admitted to this hospital on 13.12.43. at 1600, about two hours after an air crash in which he had received lacerations of the face and was knocked unconscious. His progress since adminission has very very satisfactory: the facial lacerations are healing but there is some headache. As his period of hospital treatment is not likely to be prolonged it is proposed to keep him at this hospital until he is fit for duty.

J.27355 P/O Winch. J.E.E.

This officer is progressing very well. The broken jaw has been wired and arrangements are being made for his transfer to a facio maxillary unit.

/Contd. overleaf.

R.19482 Sgt. Basistuick. J.

This patient was admitted on 13.12.43. and is still on the dangerous case List. The fracture dislocation of the shoulder has been reduced. There is now evidence of injury to the left kidney but at the moment it is not expected that this will need active treatment. Satisfactory radiographs of the spine have not yet been obtained as his condition does not permit of free mobility on his part. His general condition is satisfactory.

R.157845 Sgt. DeBeck. F.A.

This Sergeant continues on the dangerous case List. His wounds are satisfactory but he is not yet fully conscious though improving. Among his injuries is a depressed fracture of the case in its middle segment.

So soon as his condition permits it is proposed to transfer him to a facio maxillary unit. His general condition is improved."

Dear Sir:

With reference to your communication of the 10th inst., according to information on our file, Mrs. Audrey Carrier is the divorced wife of the marginally noted airman, and as such would not be entitled to pension. However, a claim on behalf of the child has been referred to the American Red Cross for investigation and report and a visitor will no doubt be in touch with Mrs. Carrier in the near future.

That portion of your letter having reference to the payment of insurance has been passed to the Administrator of Estates, Estates Branch, Dept. of National Defence, who will no doubt communicate with you direct in the matter.

Yours sincerely,

Dear Sir:

I have been consulted by Mrs. Audrey Carrier, whose husband, Sergeant Dennis J. Carrier, Serial # R 176 860, a member of the Canadian Air Force, was killed in action March 16, 1944.

Mrs. Carrier has a daughter five years of age. She believes that her husband had some form of war insurance that was originally made payable to the husband's father but the husband had indicated to his wife, Mrs. Carrier, that he was to change it over to her. She has received no notice regarding it and thinks there is a possibility that it was never changed.

If the insurance was made payable to the father, has Mrs. Carrier, as the wife, any rights under it? Would you also advise me if she, being the widow and having a minor child, is entitled to file an application for a pension under the Canadian laws. If so, would you send me the necessary papers.

I am addressing this letter to you, having obtained your address from the Red Cross, but if I am not addressing the proper authority in the matter, would you be kind enough to see that this letter reaches the proper commission for attention.

Thank you for any information you may be able to give me.

Very truly yours,

(Sgd) Walter M. Tapley, Jr.,

(2) If only one beneficiary is named, complete as follows: I give, devise and bequeath unto:

(a) my wife

(b) Mary Brown

(d) all my estate

If more than one beneficiary, set out in clause 2 (d) what each is to receive, such as:

"my wife, Mary Brown, 26 Cherry Ave., Ottawa, Ont. **$100.00**
and my household goods and effects".
"my mother, Ethel Brown, 480 Yonge St., Toronto, Ont. **$100.00"**
"my friend, John Smith, 60 LaSalle St., Winnipeg, Man. **$100.00"**
and any personal gift, if desired.

If any specific gifts as above have been made, the testator should name in Clause 3 the person or persons to whom he desires to give the balance of his estate, such as "my wife, Mary Brown, 26 Cherry Avenue, Ottawa, Ontario, the balance of my estate", or "my mother, Ethel Brown, and my father, George Brown, of 480 Yonge Street, Toronto, Ontario, the balance of my estate in equal shares or in the event that one dies before the other, the balance to the survivor".

(3) Failure to appoint an executor or an executrix can only result in additional expense in the settlement of the estate in question. You are, therefore, strongly urged to make such an appointment. A beneficiary under the will may be appointed executor or executrix. It is recommended, however, that you avoid appointing as executor any person on or likely to be on Active Service.

(4) **Do not omit to date the will.** You are to sign the will with your usual signature in the presence of two witnesses, each of whom must immediately thereafter, and in your presence, sign his or her name and insert his or her address and occupation in the place provided. No person who receives any benefits under the will should act as witness. It is preferable, though not essential, that the witnesses be persons not on Active Service.

GENERAL

The laws of all the provinces of Canada, except one, provide that marriage subsequent to the date of the will revokes that will. Therefore, an officer or airman, immediately upon his marriage, should make a new will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as set out in his will.

Minister of Military Affairs
Ottawa, Canada

Dear Sir:

Mrs. Audrey Carrier, of 56 Myrtle Street, Portland, Maine, formerly of Rumford, Maine, has asked me to write you in regard to the allotment made to soldier's dependents.

Mrs. Carrier is the divorced wife of Dennis P. Carrier, formerly of Rumford, but now in the Royal Canadian Air Force, and they had one child who is now about 4½ years old.

Mrs. Carrier has been receiving, by order of our Superior Court of Oxford County, Maine, $5 per week for the child's support. This she claims is insufficient and the Court has ordered the amount increased from $5 to $10 per week.

I am unfamiliar with the Canadian Laws in regard to a case like this, but am glad to say that Mrs. Carrier is an estimable woman and is entitled to careful consideration of her claim and that of her baby.

I understand her husband's address is A.C.Q. Dennis Carrier, #R176860 - No. 16 S.F.T.S. (R.C.A.F.) Hogersville, Ontario. I would be pleased to have you write me of any action you could take in the matter.

Very truly yours,

Ralph T Parker

P. S. I herewith send you the certified copy of the petition and order of Court of the Superior Court of Oxford County.

C O P Y

To the Honorable Justice of our Superior Court, within and for the County of Oxford and State of Maine, RESPECTFULLY REPRESENTS Audrey E. Carrier of Mexico in said County of Oxford and Dennis P. Carrier, now with the Canadian Armed Forces, formerly husband and wife, THAT

A decree of divorce was granted the said Audrey E. Carrier against said Dennis P. Carrier by the Superior Court in and for the County of Oxford and State of Maine, on the first Tuesday of March, 1940, and that by said decree the custody of Deane Marie Carrier, the minor child of the said Audrey E. Carrier and the said Dennis P. Carrier, was granted to the said Audrey E. Carrier and the said Dennis P. Carrier was ordered to contribute Five Dollars ($5.00) per week for the support of said child until further order by the Court.

Your petitioners represent that owing to changed circumstances the award of Five Dollars ($5.00) per week allowed for the maintenance of said minor child is insufficient and ask that said amount be increased to Ten Dollars ($10.00) per week and that the decree be changed accordingly.
