OFFICE OF THE
PRINCIPAL AND VICE-CHANCELLOR
REV. A. H. McGREER M.A., D.D.

6th August 1940

To
The Royal Canadian Air Force:

This is to certify that Mr David Hastings Budden was admitted to this University in the autumn of 1937 to pursue a course leading to the degree of B. Sc. in Arts. Unfortunately he failed in the examination at the end of the first year. He then withdrew from the University of his own volition.

Concerning Mr Budden's failure, the following observation is in order: Students vary greatly in the rapidity with which they adjust themselves to the conditions of University work. In Mr Budden's case, he was slow in making the necessary readjustment. My opinion is that if he had repeated his year, he would have had good success in his work.

Throughout his time at the University, he upheld the standard of a gentleman in his conduct and associations with both Faculty and students. I found him candid, and honourable in my dealings with him. I was impressed with his intelligence and alertness. For these reasons I commend him as a desirable recruit for the R. C. A. F.

Faithfully yours,

A. H. McGreer
