## NOTES

1. **Destruction of Conduct Sheet.**—Attention is directed to Art. 603, cl. 3, K.R., which provides for the destruction, after the next assessment of character, of a Conduct Sheet shewing the record of offences in a previous ship. But the Conduct Sheet of a man joining a shore or harbour establishment may (and for Leading Seamen, Leading Signalmen, Able Seamen and Signalmen *must*) be kept in use and accompany him to his next sea-going ship.
2. **Date of Commencement of "very good" Conduct.**—When the date of commencement of "very good" conduct differs from that which would normally appear from the Service Certificate, the date is to be inserted in red.
3. **Class for Conduct.**—The date of proposed restoration may be any date not less than 3 months and not more than 6 calendar months from date of reduction. See Art. 567, K.R.
4. **Good Conduct Medal and Gratuity.**—Recommendations are to be made according to the instructions in Arts. 534, cl. 3, and 606, cl. 4, K.R. If the recommendation is intentionally withheld, a statement to that effect should be inserted. (See Art. 534, cl. 15.)
5. **Whether Recommended for Advancement.**—To be completed in respect of all Art. 413 ratings by inserting "Yes," "Not Yet" or "No" (but see notes (1), (2) and (3) below:
   (1) "Yes"—Recommended for advancement. To be followed by (N.Q.) if not fully qualified; this, if awarded in a sea-going ship, will count as a sea-going recommendation for men who require this qualification, although such men are not qualified for recommendation on Form S. 507.
   (2) "Not Yet"—To be used for ratings not yet recommended for advancement owing to their inexperience. To be followed by (N.Q.) if not fully qualified.
   (3) "No"—Not recommended, whether qualified or not.
   For Leading Seamen, Leading Signalmen, Able Seamen and Signalmen insert also "S.G.R." or "H.R." according as the ship is or is not a "sea-going" ship (Appendix XVII, Part 1, para. 10) in relation to the individual rating concerned.
6. **Whether Recommended for Confirmation.**—Notations, in red ink, are to be made across both the "Recommendation for Advancement" columns, after completion of a minimum period of three months' acting time, as to whether or not a rating is recommended for confirmation in the ordinary course. The abbreviations to be used are "R.C.O.C." or "N.R.C.O.C.".
7. **Accelerated Advancement.**—Recommendations are not to be made in this column unless the rating was likely to have been recommended for accelerated advancement on the next return S. 507 had he remained in the ship. This column is intended merely to assist the Captain of the ship to which the rating is discharged in rendering S. 507 at the end of the half-year, by bringing to his notice ratings of more than ordinary merit, who should be specially considered when making the special recommendations on S. 507 for the accelerated advancement of a limited proportion of the ship's company. When recommending Leading Seamen, Leading Signalmen, Able Seamen and Signalmen add "S.G.R." or "H.R." as directed for previous column.
8. **Offences and Punishments.**—To be recorded on page 2.
9. **Training Service.**—This column is always to be completed for E.R.As, E.As, O.As, C.P.Os, P.Os and Leading Ratings of the Seamen, Signal W/T and Stoker branches, irrespective of whether or not the rating is a volunteer for the Training Service. If recommended, the word "Yes" should be inserted; if not recommended, the word "No".

VI GENERAL

Weighs 165 lbs, 5'11½", tall, slim but wiry chap, quite trim. Health has been good until recently; -boarded because of ulcers.

Never had much opportunity for sports and did not like them much anyway. No hobbies. Does no reading now, formerly read westerns and mysteries. Has 9 brothers and 3 sisters. A large, happy family, with everyone working to keep the home going. Would like to operate a bottling machine post war somewhere. Father was a labourer, now a farmer. Rating was married a year ago. Limited social interests. Temperate habits. Gets along well with all the chaps. No group interests. Likes the Navy -good Service adjustment. Is presently employed on main guard duties - does not mind it but would like to work in wet canteen. Would rather be in manual party where he can do the work. Does not want to be in an office.

A slow, easy-going, pleasant chap with a very limited intelligence. Is quite willing and glad to do work within his capabilities. Is quite uninformed. A cheerful, calm, stable fellow, co-operative, and doubtless tries to do his best. His M test score indicates inferior intelligence.

VII RECOMMENDATION

Should Doucet be recategorized and transferred to Shore Branch he could be quite suitably and usefully employed ashore on guard duty or manual party, excluding office or clerical work.
