Mr. J. R. Angus,
286 St. Cyrille St.,
Quebec City, Quebec,
CANADA.

Dear Mr. Angus:

Before you receive this letter you will have had a telegram informing you that your son, Sergeant D.C.B. Angus, has been reported missing as a result of air operations.

On the night of 17/18th August, 1943, your son, along with his crew and other members of this Squadron, were engaged in action over enemy territory. Unfortunately his aircraft did not return from this operation. It is the sincere wish of all of us here that he is safe.

Your son was popular with this Squadron and was an excellent Navigator. He is greatly missed in the Sergeants' Mess and his loss is regretted by all.

There is always the possibility that your son is a prisoner of war, in which case you will either hear from him direct or through the Air Ministry, who will receive advice from the International Red Cross Society.

Your son's effects have been gathered together and forwarded to the Royal Air Force Central Depository where they will be held until better news is received, or, in any event, for a period of at least six months before being forwarded to you through the Administrator of Estates, Ottawa.

May I now express the great sympathy which all of us feel with you in your great anxiety and I should like to assure you how greatly his comrades in the Royal Air Force admire the heroic sacrifice your son has made so far from his own country in the cause of freedom and in the service of his country and of the Empire.

If there is anything further I can do for you at any time, please do not hesitate to write.

Sincerely yours,

ADDRESS REPLY TO:

The Secretary,
Department of National Defence for Air,
OTTAWA, Canada.

1040-A-187 (R.O.4)

OTTAWA, Canada, 8th November, 1943.

Mr. J.R. Angus,
286 St. Cyrille Street,
Quebec City, Quebec.

Dear Mr. Cyrille:

Confirming my telegram of recent date, I regret to inform you that the Royal Canadian Air Force Casualties Officer, Overseas, advised me a report has been received from the International Red Cross Society at Geneva concerning your son, Sergeant David Colin Brodie Angus, previously reported missing on Active Service.

The report quotes German information which states that your son lost his life on August 18th, 1943; but does not contain any further particulars. The International Red Cross Society is making every effort to obtain the location of your son's grave. However, I feel sure you will appreciate the difficulties attendant upon securing additional details

Since this information originates from enemy sources it is necessary for the present to consider your son "missing believed killed" until confirmed by further evidence. However, in the absence of additional information, his death will be presumed after a lapse of six months from the date he was reported missing.

May I assure you and Mrs. Angus of my deepest sympathy.

Yours sincerely,

W. R. Gunn

ADDRESS REPLY TO:

The Secretary,
Department of National Defence for Air,
OTTAWA, Canada.

OTTAWA, Canada, 8th December, 1943.

Mr. J. R. Angus,
286 St. Cyrille Street,
Quebec City, Quebec.

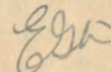

Dear Mr. Angus:

Further to my letter of November 8th, a report has been received from the International Red Cross Society, quoting German information, which states that your son, Sergeant David Colin Brodie Angus, was buried in Flensburg, Schleswig, Holstein, Germany.

As advised in my previous letter, since this information comes from enemy sources, it is necessary to consider your son "missing believed killed" until official confirmation has been received from the Air Ministry, or until the lapse of six months from the date he was reported missing. You will be notified by registered letter when his death has been officially presumed.

May I again offer you and the members of your family my sincere sympathy.

Yours sincerely,

**MEDICAL INSTRUCTIONS TO PERSONNEL
ON LEAVE IN CANADA**

1. Personnel on leave or pass or otherwise absent from their parent unit who require medical attention are to report to the nearest R.C.A.F. Medical Officer. In cases of urgency when the services of an R.C.A.F. Medical Officer are not available, report to:

- (a) An R.C.A.M.C. Medical Officer,
- (b) A Medical Officer of the Dept. of Pensions and National Health, or
- (c) A civilian medical practitioner,
in that order.

2. When it is necessary to call in other than an R.C.A.F. Medical Officer, arrangements are to be made to notify the R.C.A.F. Medical Officer, if one is located in the vicinity, in order that he may assume charge of the case. Immediate action is also to be taken to notify the individual's Commanding Officer in the event that the illness is of serious nature and likely to delay reporting to the unit on termination of leave.

3. All accounts for attendance upon personnel on leave rendered by civilian hospitals or civilian practitioners are to be forwarded in triplicate to the nearest administrative centre of the Dept. of Pensions and National Health for payment.

4. Personnel who, while on leave, are in contact with a case of infectious disease are, on the termination of their leave, to report to their Station Medical Officer before they enter any barrack block, mess or other building on the station.

WILLS

1. The particulars of the next-of-kin should always be carefully inserted in the Form on page 1 of this Book, but the Officer or Airman must understand that the entries made there have no legal effect with respect to the disposition of his estate in the event of his death and therefore do not relieve him from the necessity of making a Will. Unless an Officer or Airman duly makes a Will, his estate is dealt with in the same manner as that of any other person who dies without leaving a Will, and not only may the relative or person desired or intended to be benefited receive little or no share of the estate but the distribution thereof is delayed until such of the next-of-kin as may be legally entitled can be located. Therefore, though his estate may consist of no assets other than the amount of pay and allowances at credit and the belongings he has on his person or in camp, it is urgent that he make a Will which, when completed, is left with his Commanding Officer for transmission to the Records Office for safe custody and in the event of his death is forwarded firstly, to the Estates Branch, Department of National Defence, Ottawa, for administration and distribution of the Service estate, and secondly, if other assets (including real estate) make it necessary, to the Executor named in the Will.

2. The Officer's or Airman's Will should preferably be made out on the Will Form—R.C.A.F. R. 60 (English) or R.C.A.F. R. 60A, (French)—provided for that purpose and on which are also printed a number of helpful instructions. These Forms are obtained through the Commanding Officer of each Unit. A separate sheet of paper may be used but in such case the general form of the Will as shown in the Form R.C.A.F. R. 60 or R. 60A, should be carefully followed. The Officer or Airman will date the Will and at the bottom of it sign his name in the presence of two witnesses who at the same time in the presence of each other and of the Officer or Airman will also sign their respective names. If the Officer or Airman cannot write, he will make his mark in the place in the Will where his signature would ordinarily appear, and immediately above their signatures on the Will the witnesses will write a memorandum as follows:—"The above Will has been first duly and audibly read over to this Officer or Airman when he appeared

to understand it and made his mark hereto in our presence as aforesaid". In such cases, however, it is recommended that the guidance of the Officer's or Airman's immediate superior Officer be obtained.

3. The Short Form of Will (see pages 15 and 16 of this Book) may be used by an Officer or Airman on Active Service but it must be entirely in his own handwriting. It is pointed out, however, that under the laws of some of the Provinces of Canada, such a Will is ineffective as to real estate. Therefore an Officer or Airman having a Canadian domicile and owning real estate should use the Will Form R.C.A.F. R. 60 or R. 60A., and appoint therein a responsible executor. An Officer or Airman having a domicile out of Canada should not use the Short Form on page 16 because it may not comply with the law of such domicile.

4. No person who receives any benefit under a Will can be a witness. If a person to whom an Officer or Airman intends to give any part of his estate is a witness of the Will, he will not be allowed to receive the intended gift. He may, however, be appointed an executor.

5. When making a Will it is not desirable that alterations be made in it. If, however, alterations are made by the Officer or Airman in his Will, he and the two witnesses must write their initials in the margin opposite the alterations. Any changes in the provisions of a previously made Will can always be made by a new document called a Codicil which should refer to the previously made Will and then state the changes desired, and be dated and signed and witnessed in the same manner as the Will itself.

6. A completely new Will can at any time be made and in such case it revokes, or cancels, any Will of earlier date. The laws of all the Provinces of Canada except one, and of most English speaking countries provide that marriage after the date of a Will revokes that Will. Therefore, an Officer or Airman, immediately upon his marriage, should make a new Will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as shown in his Will.

7. The Will of an Officer or Airman on Active Service is not invalid by reason that at the date it was made he was under the age of 21 years.

An Officer or Airman who has made a Will before his enlistment, is recommended to inform his Commanding Officer where such Will has been deposited and the Commanding Officer shall upon receipt of such information forthwith complete the following certificate and despatch the same to the R.C.A.F. Records Officer.

Before embarkation, each Officer or Airman is recommended, particularly those who have real estate, to consider the necessity for executing a document appointing some person or Trust Company his Attorney to manage or otherwise deal with real estate during his absence from Canada; also to review his affairs in the light of any changes that may have occurred since the date of his last Will and, if desirable, make a formal Will and inform his Commanding Officer thereof as indicated at the top of this page, or make a Will on R.C.A.F. R. 60 or R. 60A., and hand it duly completed to his Commanding Officer for transmission to the Records Officer concerned for safe custody.

OTTAWA, Canada, 11th January, 1949.

Mr. J.R. Angus,
286 St. Cyrille St.,
Quebec City, Que.

Dear Mr. Angus:

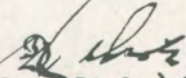

Please find enclosed a photograph which has been received from Overseas, of the grave of your son, Flight Sergeant David Colin Brodie Angus.

Cemeteries are being handed over progressively to the Imperial War Graves Commission, of which Canada is a member, who are entrusted with the perpetual maintenance of the resting places of all our Fallen, and who will beautify the graves and surroundings.

The Commission will also erect a permanent headstone at his grave, and before doing so will write to you, when an inscription of your choice (not more than sixty letters), may be submitted to be engraved on the headstone. It is not necessary for you to contact the Commission.

Any discrepancy as to rank, etc., which may appear on the temporary cross shown in the enclosed photograph, will appear correctly on the permanent headstone.

Yours sincerely,

(W.A. Dicks)

Wing Commander,

Date: 13th Aug. 1948.

I proceeded to Gluecksburg to check on the exact number of aircraft shot down in this area.

There was definitely only one crash in the vicinity of Gluecksburg and the date of Spring 1944, given on the ASC is incorrect.

On 18.8.1943 an aircraft crashed into the Westerwarken Sea which is approx 1000 m N.W. of the village. The place of crash was part of a Naval Training Area so no civilians were allowed in the vicinity. The bodies that were recovered were taken to Flensburg Cemetery and buried in graves 145, 146, ~~147~~ 147, 148, 156, 157, 158 of Row E. They have since been concentrated to Kiel British Cemetery, Plot 4, Row B, Graves 5,6,7,8,16, 17,18. This crew has been fully identified and is dealt with on page 6 of A.M. Schedule for Flensburg.

OTTAWA, Canada, March 11th, 1948

Mr. J.R. Angus,
286 St. Cyrille St.,
Quebec City, Que.

Dear Mr. Angus:

It is with regret that I again refer to the loss of your son, Flight Sergeant David Colin Brodie Angus, but you will wish to know of a communication received from the Graves Registration Service.

The report states that your son has been re-interred in Kiel British Military Cemetery, $1\frac{1}{2}$ miles East of Kiel, Germany. He lies at rest in Plot 4, Row B, Grave No. 5.

This is one of the permanent British Military Cemeteries which has been located in Germany in accordance with the agreed policy of Canada, Australia, New Zealand and the United Kingdom, that all British aircrew buried in Germany would be moved to British Military Cemeteries located in Germany. This Cemetery will be turned over shortly to the Imperial War Graves Commission (of which Canada is a member) who are responsible for the reverent and perpetual care of the resting places of all our Fallen. The cemeteries will be beautified by landscaping and the planting of shrubs and flowers, and a headstone will be erected at each grave. Unhappily, there are great numbers of these headstones to be erected and will quite naturally take considerable time. It is not necessary to write to the Imperial War Graves Commission as you will be contacted by them before the stone is prepared.

May I take this opportunity of extending my sincere sympathy.

Yours sincerely,

J.F.

Thank you for your series of reports 4MREU/1108/4/P4 dated 8th July, 1946. In order to attempt individual identification of the unknown airmen in this case the exh. rep. relating to this cem. will be required, as requested in our letter S.7 Cas.C.1 dated 12th Feb. 1947.

For your information, the following aircraft, report, and grave numbers would appear to refer to:

Your report 4MREU/906/847/8 dated 28th June, 1946 refers to Halifax HR.817 which was lost on the night of 17th/18th August 1943 the crew was as follows:-

German documents give the following burial details in Friedenshugel Cem. Gimby grave 147, Pargeter grave 146, Angus grave 145, McIntyre grave 156, Haugen grave 157. A registration photostat gives Bowling as buried in grave 148 and German documents state "Goransdon (name from letter" as buried in grave 158, and it is requested that this grave be exhumed as it may contain Cooke.

Graves 145, 146, 147, 156 and 157 should be registered as stated above, and if 148 is confirmed as that of Bowling (although German documents do not state his grave number, he is listed with Gimby, Pargeter and Angus) that also should be registered. Your exh. report on Grave 158 is awaited.

Dear Mrs. Angus:

We were unable to ascertain the contents of the parcel of effects lost by rail in transit from the home of Mrs. Piercy to R.A.F. Central Depository.

Our Overseas Headquarters have been unable to obtain any compensation for the loss, in view of the fact that the contents of the case were unknown and as a result, no specific amount can be claimed.

Yours faithfully,

1. As indicated in our communication of even reference under date 14th May last, we have been endeavouring to obtain compensation for the effects of the above named airman which were lost in transit by rail from the home of Mrs. Piercy to R.A.F. Central Depository.
2. Rather prolonged negotiations have been had with Air Ministry but we have not been able to obtain any compensation in view of the fact that the contents of the case are not known and as a result no specific amount can be claimed.
3. We are enclosing a copy of a communication dated 26th February, 1946, recently received from Air Ministry from which it will be noted that the claim has been finally rejected.

Sir:

CAN.R.136581 Sgt. Angus, D.C.R.(Deceased)

I am directed to refer to your letter dated 12th December, 1945 of even reference and to inform you that it has been established that the case belonging to the above mentioned casualty was lost whilst in rail transit to the Royal Air Force Central Depository. In view of the report from Royal Air Force Station, Oakington that no articles of kit other than those likely to have been in use when Sgt. Angus met his death are outstanding against him it is agreed that the case probably contained only articles of a private nature; but while a claim for compensation lies against the Railway Company it is impossible to make an assessment in the absence of details of the contents of the case. These circumstances preclude the formulation of a claim and I am to express regret for the Department's inability to render any further assistance in the matter.

I am, Sir,

Your obedient Servant,

Dear Miss Malin:

In reply to your letter of the 27th March, 1944, requesting information concerning Flight Sergeant D.C.B. Angus, I regret to advise you that information received through the International Red Cross Committee, quoting German information, states that he has lost his life, and was buried in the Cemetery at Flensburg, which is on the North East Border of the Schleswig-Holstein province, Germany.

Due to this evidence and the time which has elapsed, action has regretfully been taken, to presume, for official purposes, that his death occurred on the 18th August, 1943.

Please accept my sympathy with you in the loss of your friend.

Yours sincerely,

Dear Sir,

I am in receipt of your letter dated July 24 with regard to the loss of my son's effects.

I regret not having replied to your letter of May 23 in connection with the same matter but I was at a loss to know how to reply.

I do not think I can be of much help to you as of course I do not know what the case contained. I know he had a civilian suit & a tennis outfit but I am sure these were not the articles which he considered of the most value & neither do I.

It is unfortunate that this has happened but I have no particulars as to what the case contained other than articles which my son considered of value to himself and to us and which he left with friends for safety.

Sincerely Yours
Jean Brodie Angus

Dear Mrs. Angus,

As advised in our letter to you of December 23rd, Flight Sergeant Piercy's information regarding belongings of your son was communicated to overseas headquarters and overseas headquarters was requested to obtain the belongings for return to you.

Subsequently, we were advised by overseas headquarters that the belongings had been lost and we wrote to you fully in this connection on May 23rd. We do not appear, however, to have received a reply to our letter which may not have reached you. Accordingly, a copy is enclosed herewith and we would ask you to provide us with any particulars of the items that you may have in order that instructions may be communicated to overseas headquarters as soon as possible.

Dear Mrs. Angus:

As advised in our letter of December 23rd, Flight Sergeant Piercy's information regarding belongings of your son was communicated to Overseas Headquarters and Overseas Headquarters was requested to obtain these belongings for return to you. We have now received a report from Overseas Headquarters in this connection which reads as follows:

"Following receipt of your letter, we communicated with F/S. Piercy, to obtain the personal effects which had been left by the casualty at his home.

It was indicated that Piercy was himself in hospital, but arrangements were made with his mother to send the effects to R.A.F. Central Depository. Advice has now been received from the Depository that the effects were lost in transit, after having been despatched by Mrs. Piercy on February 10th, last.

The Depository has filed a preliminary claim against the Railway Company, but are unable to complete the same, as Mrs. Piercy has not been able to furnish a list of the contents of the case which she forwarded.

As it is, of course, necessary to furnish the Railway Company with a list and valuation of the missing articles, it is thought that possible the next-of-kin in Canada may be able to give some indication as to the nature of the effects which have been lost, and it may be that you will see fit to communicate with them in connection therewith".

We regret very much indeed that the belongings were lost, and as Overseas Headquarters has advised we would ask you to provide us with any particulars that you may have. Any information as to the nature of the effects would be of assistance to Overseas Headquarters and we will appreciate hearing from you in this connection at your earliest convenience in order that we may communicate with Overseas Headquarters as soon as possible.

Yours faithfully,

Dear Sir.

With reference to yours of the 13th. ult.

I note that you have a balance of account on hand in favour of Mywife (Mrs. J. J. B. Angus) to the amount of \$345.78. Please be kind enough to let me have the details of this amount and how it is made up.

You make no mention of an amount that was paid over to you by my son's bank overseas and which my brother in London, England had the bank transfer to your department. I would like to hear from you about this account.

We had to have the WILL probated which we were able to do with the Photostat copy you forwarded to us and we are attending to all the shares, Savings certificate and bonds ourselves and my wife is already in possession of my son's bank account in the Royal Bank here.

My wife recently a silver cross from the Airforce which will be proudly worn by her but should we not get his Voluntary Service medal and 39-43 Star. Dear Mr. Angus:

Your son's Pay documents have now been received from Overseas at this Branch, and the amount at credit to the Service estate subject to verification by the Air Treasury, is \$345.78. It is not anticipated that any change will be made on verification other than the possible addition of a few dollars interest. The amount at credit will be available for distribution in the near future.

It is noted from our P.64 form, completed by you in April last, that your son had Corporation Shares and if probate of the Will is necessary in order to deal with the shares, we will be glad to forward to you the original Will for this purpose on receipt of your request to do so. We regret that we are unable to be of assistance in this connection as the shares do not form part of the Service estate for which the Director of Estates is solely responsible.

In the event that Probate is not required, however, we will retain the Will on file here to support administration of the Service estate. We would ask you to forward the War Savings Certificates by registered mail, and action will be taken to have them reregistered into Mrs. Angus' name. If our assistance is required in connection with the bank account in the Royal Bank of Canada, St. Anne Street Branch, may we be so advised and steps will be taken to have the balance on deposit withdrawn for distribution together with the amount now at credit. It is also noted that the Victory Loan Bonds are in bearer form and Mrs. Angus, will have no difficulty in dealing with them.

Dear Sir,

On August 18th, my son F/S David Colin Brodie Angus was reported missing and later reported to have lost his life and buried at Flensburg.

I wrote you on September 15th, asking if it were not possible for any photos etc. to be sent to me without delay. You replied on October 4 saying "There were photographs included in your son's personal effects which were despatched to Colnbrook, it is very likely these are the photographs in question you refer to."

Last Friday we received a carton containing some of my son's effects but not a photograph or anything of that description or papers of any kind simply clothing.

We are greatly disappointed as these are the things which have any value to the parents of the young men who have so gallantly given their all.

Would you please look into this matter as I am sure you can understand how we feel.

Hoping for a reply,

G 65228

I remain, Sincerely yours,

Dear Mr. Angus:

Receipt of our completed form P.64 is gratefully acknowledged.

We now have on file your son's Will, dated December 16, 1941, in which Mrs. Angus is named sole beneficiary and appointed sole executrix. It is noted that your son had insurance payable to his estate, and owned shares in several corporations, and we regret very much indeed that we are unable to be of assistance to you in this connection, as the shares and insurance do not form part of the Service estate for which the Administrator of Estates is solely responsible.

If probate of the Will is necessary before settlement of the insurance can be made or the shares dealt with, we will be glad to forward it to you by registered mail for this purpose on receipt of your request to do so.

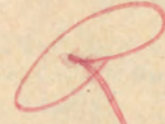

The Administrator of Estates has authority to deal with the Bank account in the Royal Bank of Canada, Quebec, the War Savings Certificate and the Dominion of Canada Victory Loan Bonds. No action can be taken in this connection, however, when there are civil assets for which probate is necessary, and they must, therefore, be left for Mrs. Angus' attention as sole executrix.

Action will be taken by Overseas Headquarters to have the balance on deposit in your son's Post Office Savings Bank account withdrawn and credited to the Service estate for ultimate distribution together with the balance of Pay account. Full particulars of the Bank account will be included in the Pay documents when received in approximately three months from the present date.

.....

Personal effects of your son located at the Unit when he was reported missing have now been received from Overseas and will go forward to you in a carton by express, prepaid within the next few days. We trust that the effects reach you in good order and would ask you to have Mrs. Angus complete and return the enclosed form of receipt for our records.

Yours faithfully,

1. The following is an extract from a letter received at this Branch from Mr. James R. Angus, father of the above referenced deceased Airman.

"My wife recently received a silver cross from the Airforce which will be proudly worn by her but should we not get his Voluntary Service medal and 39-43 Star. Had my son survived he certainly would have had them and we would very much like to have them and if a bar is struck for Peenemunde we think we should have that too. From what I have read recently Peenemunde seems to have been one of the ~~OUTSTANDING~~ events of this war.

No. 405 Squadron R.C.A.F.,

Mr. J. R. Angus,

FOR H.Q. OTTAWA

R136581...SGT...ANGUS, P.C.B...
(NUMBER) (RANK) (NAME)

Dear Mr. Angus:

Before you receive this letter you will have had a telegram informing you that your son, Sergeant D.C.B. Angus, has been reported missing as a result of air operations.

On the night of 17/18th August, 1943, your son, along with his crew and other members of this Squadron, were engaged in action over enemy territory. Unfortunately his aircraft did not return from this operation. It is the sincere wish of all of us here that he is safe.

Your son was popular with this Squadron and was an excellent Navigator. He is greatly missed in the Sergeants' Mess and his loss is regretted by all.

There is always the possibility that your son is a prisoner of war, in which case you will either hear from him direct or through the Air Ministry, who will receive advice from the International Red Cross Society.

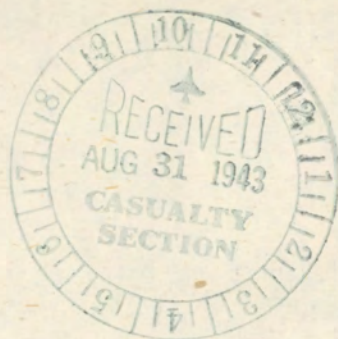

Your son's effects have been gathered together and forwarded to the Royal Air Force Central Depository where they will be held until better news is received, or, in any event, for a period of at least six months before being forwarded to you through the Administrator of Estates, Ottawa.

May I now express the great sympathy which all of us feel with you in your great anxiety and I should like to assure you how greatly his comrades in the Royal Air Force admire the heroic sacrifice your son has made—so far from his own country in the cause of freedom and in the service of his country and of the Empire.

If there is anything further I can do for you at any time, please do not hesitate to write.

Sincerely yours,

J. E. Pauquier

 FOR CHIEF OF THE AIR STAFF

ADDRESS REPLY TO:

1040-A-187 (R.O.4)

The Secretary,
Department of National Defence for Air,
OTTAWA, Canada.

OTTAWA, Canada, 23rd August, 1943.

Mr. J.R. Angus, ✓
286 St. Cyrille Street,
Quebec City, Quebec.

Dear Mr. Angus:

It is my painful duty to confirm the telegram recently received by you which informed you that your son, Sergeant David Colin Brodie Angus, is reported missing on Active Service.

Advice has been received from the Royal Canadian Air Force Casualties Officer, Overseas, that your son was a member of the crew of an aircraft which failed to return to its base after an attack over Peenemunde, Germany, on the night of August 17th and the early morning of August 18th, 1943. There were three other members of the Royal Canadian Air Force in the crew and they also have been reported missing. Since you may wish to know their names and next-of-kin we are listing them below:

Flying Officer H.S. McIntyre, ✓
Next-of-kin, Section Officer H.L. McIntyre (wife)
No. 4 S.F.T.S., Saskatoon, Saskatchewan.

Sergeant W.E. Gimby, ✓
Next-of-kin, Dr. J.E. Gimby (father)
668 Wellington Street, Sault Ste. Marie, Ontario.

Sergeant W.M. Haugen, ✓
Next-of-kin, Mr. O.W. Haugen (father)
Box 62, Strongfield, Saskatchewan.

...2...

This does not necessarily mean that your son has been killed or wounded. He may have landed in enemy territory and might be a Prisoner of War. Enquiries have been made through the International Red Cross Society and all other appropriate sources and you may be assured that any further information received will be communicated to you immediately.

Your son's name will not appear on the official casualty list for five weeks. You may, however, release to the Press or Radio the fact that he is reported missing, but not disclosing the date, place, or his unit.

May I join with you and Mrs. Angus in the hope that better news will be forthcoming in the near future.

Yours sincerely,

mc

Dear Mrs. Angus:

Your application for the war service gratuity on behalf of the late has been reviewed by the ~~authorities responsible for~~ determining entitlement.

Although there was evidently no person dependent upon the serviceman at the time of his death, the gratuity will, nevertheless, be paid into his service estate.

Please be advised, therefore, that in due course payment will be made to the person or persons named as beneficiaries under his will or, in the absence of a will, to the person or persons entitled by law to receive the gratuity.

With reference to the enclosed slip taken from our local newspapers.

I wish to make application for the gratuity allowance.

My son Flight Sgt. Navigator David Colin Brodie Angus # A. 136581 was killed in action Aug. 18 1943. He joined the Air Force Dec. 1941, trained in Toronto and later at Ancienne (U.S. Route), where he received his wing on Oct. 2nd 1942. Two weeks later on Oct 17

he left for overseas.
He lost his life
in the raid over Peenemunde
Aug 17/18 1943 and is
buried at Flensburg,
Schleswig-Holstein.

I was receiving
Assigned pay from him from
the time he joined up and
it was increased to \$60.00
a month when he was
overseas.

I would appreciate
hearing from you with regard
to this matter at your
early convenience.
