WILLS

1. The particulars of the next-of-kin should always be carefully inserted in the Form on page 1 of this Book, but the Officer or Airman must understand that the entries made there have no legal effect with respect to the disposition of his estate in the event of his death and therefore do not relieve him from the necessity of making a Will. Unless an Officer or Airman duly makes a Will, his estate is dealt with in the same manner as that of any other person who dies without leaving a Will, and not only may the relative or person desired or intended to be benefited receive little or no share of the estate but the distribution thereof is delayed until such of the next-of-kin as may be legally entitled can be located. Therefore, though his estate may consist of no assets other than the amount of pay and allowances at credit and the belongings he has on his person or in camp, it is urgent that he make a Will which, when completed, is left with his Commanding Officer for transmission to the Records Office for safe custody and in the event of his death is forwarded firstly, to the Estates Branch, Department of National Defence, Ottawa, for administration and distribution of the Service estate, and secondly, if other assets (including real estate) make it necessary, to the Executor named in the Will.

2. The Officer's or Airman's Will should preferably be made out on the Will Form—R.C.A.F. R. 60 (English) or R.C.A.F. R. 60A. (French)—provided for that purpose and on which are also printed a number of helpful instructions. These Forms are obtained through the Commanding Officer of each Unit. A separate sheet of paper may be used but in such case the general form of the Will as shown in the Form R.C.A.F. R. 60 or R. 60A. should be carefully followed. The Officer or Airman will date the Will and at the bottom of it sign his name in the presence of two witnesses who at the same time in the presence of each other and of the Officer or Airman will also sign their respective names. If the Officer or Airman cannot write, he will make his mark in the place in the Will where his signature would ordinarily appear, and immediately above their signatures on the Will the witnesses will write a memorandum as follows:—"The above Will has been first duly and audibly read over to this Officer or Airman when he appeared

to understand it and made his mark hereto in our presence as aforesaid". In such cases, however, it is recommended that the guidance of the Officer's or Airman's immediate superior Officer be obtained.

3. The Short Form of Will (see pages 15 and 16 of this Book) may be used by an Officer or Airman on Active Service but it must be entirely in his own handwriting. It is pointed out, however, that under the laws of some of the Provinces of Canada, such a Will is ineffective as to real estate. Therefore an Officer or Airman having a Canadian domicile and owning real estate should use the Will Form R.C.A.F. R. 60 or R. 60A., and appoint therein a responsible executor. An Officer or Airman having a domicile out of Canada should not use the Short Form on page 16 because it may not comply with the law of such domicile.

4. No person who receives any benefit under a Will can be a witness. If a person to whom an Officer or Airman intends to give any part of his estate is a witness of the Will, he will not be allowed to receive the intended gift. He may, however, be appointed an executor.

5. When making a Will it is not desirable that alterations be made in it. If, however, alterations are made by the Officer or Airman in his Will, he and the two witnesses must write their initials in the margin opposite the alterations. Any changes in the provisions of a previously made Will can always be made by a new document called a Codicil which should refer to the previously made Will and then state the changes desired, and be dated and signed and witnessed in the same manner as the Will itself.

6. A completely new Will can at any time be made and in such case it revokes, or cancels, any Will of earlier date. The laws of all the Provinces of Canada except one, and of most English speaking countries provide that marriage after the date of a Will revokes that Will. Therefore, an Officer or Airman, immediately upon his marriage, should make a new Will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as shown in his Will.

7. The Will of an Officer or Airman on Active Service is not invalid by reason that at the date it was made he was under the age of 21 years.

An Officer or Airman who has made a Will before his enlistment, is recommended to inform his Commanding Officer where such Will has been deposited and the Commanding Officer shall upon receipt of such information forthwith complete the following certificate and despatch the same to the R.C.A.F. Records Officer.

Before embarkation, each Officer or Airman is recommended, particularly those who have real estate, to consider the necessity for executing a document appointing some person or Trust Company his Attorney to manage or otherwise deal with real estate during his absence from Canada; also to review his affairs in the light of any changes that may have occurred since the date of his last Will and, if desirable, make a formal Will and inform his Commanding Officer thereof as indicated at the top of this page, or make a Will on R.C.A.F. R. 60 or R. 60A., and hand it duly completed to his Commanding Officer for transmission to the Records Officer concerned for safe custody.

10-10-42 Passed as fit in error - there were at least three other conditions which made him temporarily unfit. The scalp lesion is small and considered acceptable. Today his B.P. is 104/70 and he states that in Feb '42 at C.N.R. Clinic his B.P. was low as 90 (systolic). Haemorrhoids are small but borderline acceptable. Recategorized ATBT for recheck of B.P.

INSTRUCTIONS

TO UNIT PAYMASTERS

1. It is important from the point of view of establishing dependency that proof of marriage be given. The Unit Paymaster should examine the Marriage Certificate carefully, assuring himself that it is authentic and realize that in completing Certificate on M.F.M. 16D he is assuming a serious responsibility (See F.R. & I., C.A.S.F., Article 14). The enlisted man will be informed that these documents are required and he should have them in his possession when he is paraded before you. If the original Marriage Certificate is not produced, any other Certificate produced as proof should be one issued under the signature of the official authorized to do so. For example, Director of Vital Statistics; Registrar of Births and Marriages; or in the case of Quebec Province, by the Minister or Priest of the Church where the marriage is recorded and such Certificates should bear the seal of the Parish. In exceptional cases, where he has not been able to obtain the necessary certificates, a prima facie case might be established by taking the man's sworn statement. The names of persons will be entered on M.F.M. 16D exactly as spelled in any certificate produced.

2. Birth Certificates must be signed by officials authorized to issue them. The Treasury Officers have access to Vital Statistics Records, and a certificate issued by a Treasury Officer may be accepted. In such case the certificate given by the Treasury Officer will be attached to this form. If more than two children are reported, it is wise to check dates of birth of all children, even though allowance can be made for two only. The full name of the father and the full maiden name of the mother must be entered.

3. If a man is claiming for his second wife, proof of death of first wife will be obtained, or in the case of divorce, a certified copy of the Divorce Decree. The same also applies, if the applicant's wife has been previously married. Enquiry as to previous marriage of either party is most essential.

4. If it appears that any name or date on a certificate or other document has been altered in any way, such document will be attached to, and forwarded with M.F.M. 16D.

5. There will be cases in which Marriage Certificates and Birth Certificates cannot be produced. In any such case, a carefully drawn affidavit should be sworn to by the applicant. This affidavit should clearly state the relationship, and before the applicant signs it, the seriousness of his making any false statement should be explained to him, and also that certificates will have to be produced before confirmation of an allowance. This should be resorted to only in exceptional cases, to avoid delay. (See Sect. 33, Army Act).

6. If a man states on his application form, M.F.M. 16, that he is living apart from his wife, clear statements should be taken outlining the exact circumstances, and if there is a written Agreement or Court Order, the original Agreement or a certified copy of the Court Order should be attached.

7. If a child for whom an allowance has been claimed has been adopted, the Adoption Order or a certified copy of same will be attached. If no legal adoption has been made, a statement should be obtained from disinterested persons proving that the child has been in the home of the applicant and has been maintained by him for a reasonable time prior to enlistment.

8. For complete instructions for documentation, refer to appendix, to R.O. No. 487 and appendix to A.F.R.O. 340.

Dear Mrs Liddell

It is with deep regret that I have to confirm that your husband F/S. A.G.W. Liddell did not return from operations against the enemy in Poland on the night of 4/5 August, 1944.

Your husband, during the time he had been with the Squadron had shown himself very competent and ready at all times to carry out his duties to the utmost of his ability. His loss is a bitter blow not only to the Squadron but to all those who knew him and esteemed him as a friend.

I have delayed writing until to-day as I had hoped to be in a position to give you some further details, but to date we have heard nothing more. We have, on occasions, however, had information that aircrew are prisoners of war or safe and in friendly hands in enemy occupied countries up to five months after they have been reported missing so there is no reason to give up hope.

The pilot and captain of your husband's aircraft was F/L. A.R. Blynn who was a very experienced and capable pilot and who could be relied upon to make the best of any awkward situation which might arise.

Rest assured that you will be informed immediately any further information is received and I should like to express on behalf of this Squadron my very sincere wishes that good news will soon be forthcoming.

Yours sincerely,

R.G.N. Pryor

Dear Mr. Liddell:

It is with deep regret that I must confirm our recent telegram informing you that your son, Flight Sergeant Arthur George William Liddell, is reported missing on Active Service.

Advice has been received from the Royal Canadian Air Force Casualties Officer, Overseas, that your son and the entire crew of his aircraft failed to return to their base after taking off to carry out air operations over Poland on the night of August 4th and the early morning of August 5th, 1944.

The term "missing" is used only to indicate that his whereabouts is not immediately known and does not necessarily mean that your son has been killed or wounded. He may have landed in enemy territory and might be a Prisoner of War. Enquiries have been made through the International Red Cross Society and all other appropriate sources and I wish to assure you that any further information received will be communicated to you immediately.

Your son's name will not appear on the official casualty list for five weeks. You may however, release to the Press or Radio the fact that he is reported missing but not disclosing the date, place or his unit.

Permit me to extend to you my heartfelt sympathy during this period of uncertainty and I join with you and the members of your family in the hope that better news will be forthcoming in the near future.

Yours sincerely,

R.C.A.F. Casualty Officer,
for Chief of the Air Staff.

Dear --

SPECIMEN ONLY

Dear Mrs.

Thank you for your letter of October 27th enquiring regarding your brother, Flight Sergeant A.C.W. Liddell, who with the remainder of his crew was reported missing from a special operation over Poland on the night of the 4/5th August, 1944.

I regret that no further information has been received regarding him or any member of his crew. Unhappily it is not possible to institute further enquiries through Missing Research and Enquiry Service, unless some clue is available as to the location of the crash.

You will realise that the last mission took your brother and his crew over territory which is now under Russian control. It is not yet possible for an Air Force Missing Research and Enquiry Unit or a Graves Registration Unit to enter the Russian zone for the purpose of investigating the many cases of missing Air Force personnel whose aircraft are believed to have crashed there, although negotiations have been opened on a high level with Russian Authorities with a view to obtaining the necessary permission.

You may rest assured that as soon as investigations are possible and any information is received, his next-of-kin will be informed.

Please accept my sincere sympathy with you and your family in your continued anxiety.

Yours sincerely,

Dear Mr. Liddell:

Further to letter of 28th April, 1945, from this Department, regarding your son, Flight Sergeant Arthur George William Liddell, a report has now been received concerning the aircraft in which he was missing after take-off on an operational flight to Warsaw in Poland. I regret that the report is of a most distressing nature but felt that you would nevertheless desire to have the details.

This report was received from a Polish soldier who has recently left Russian Occupied territory and it was forwarded through the International Red Cross Society at Geneva. The report states, that in the early morning of August 5th, 1944, the aircraft appeared to be in great difficulty near the town of Dabrowa Tarnowska while heading in the direction of the village of Morzychna, two and a half miles south west of there. The plane then appeared to stop for a few seconds before crashing.

Several hours after the crash, the Polish soldier arrived at the scene, and after identifying the aircraft as British, commenced to gather the bodies and the remains of the crew. I regret that owing to the severe nature of the crash, it was not possible to say how many bodies were recovered. The remains gathered were sent to Dabrowa Tarnowska and buried in the State Cemetery by the Rev. Jakubiak. The Polish soldier informs that the burial was carried out in secret because the German Gestapo were then in the district and that the following day a service was held by the Rev. Slowinski, Rev. Lenczewski, Rev. Pekala. A collection of 5000 zolty was raised and 50 services were held in the districts of Dabrowa Tarnowska and Nowy Sacz for the fallen airmen.

--- 2 ---

Dabrowa Tarnowska is situated approximately 47 miles east north east of Cracow in Southern Poland and Nowy Sacz is about 40 miles due south of Dabrowa Tarnowska.

I regret to advise that due to the apparent severity of the crash and the fact that all those personnel who were known to be evaders or captured have returned to the United Kingdom, it is unhappily impossible to hold out any hope for the survival of any of the crew members of your son's aircraft.

You may rest assured that if any further information is received, you will be informed.

Please accept my sincere sympathy with you on receipt of this distressing news and I hope that the knowledge that your son's death must have been instantaneous may to some extent alleviate the grief you have sustained in your sad loss.

Yours sincerely,

J.E.

To: The War Office
Section Air Force
LONDON.

I beg to apply to the War Office Section Royal Air Force out of sympathy with the family of the sergeant LIDDELL who perished in at the aeroplane catastrophe July 1944. The matter is thus: A citizen of this place, Joseph Pisarczyk to which I occasionally translate a letter into the English language was eye witness of the mentioned catastrophe. I make him relate himself.

"Just now three years ago, it was on the 28th July 1944, at midnight, an English aeroplane went into a corkscrew and threw down like an enormous fire ball. The catastrophe took place some hundred yards from our house. I and some comrades of mine intended to approach the flaming machine in order to help and save the airmen, however, it was impossible on account of vehement explosion and detonation. At the morning twilight, a plenty of people assembled around but the German Gendarmes drove them away and ordered us, i.e. me and some other young men to gather their dispersed corpses and to bury them on the same place. We but carried them into the Cemetery Dabrowa where they repose now in their silent grave. One of the perished heroes, there were six ones, was the sergeant Liddell. In the legitimization-etui of whom I found the following documents:
a plate: type Halifax Serial No: L.A.P./80.913.
Innoculation certs - R.195.410. Sgt. Liddell.
Different pictures, evidently all family pictures."

So far the eye witness's report. Having heard this information I have thought it my duty to advertise the family, for I am sure it will be an inexpressible consolation for the family to hear about the last minutes of a much beloved person. Therefore I invited this young man to show me the papers and the pictures - for that purpose to inform the War Office that will certainly be able to find out the family of the deceased Liddell. Meanwhile I am enclosing the one picture, viz, the parent's one.

Respectfully yours,

(Signed)

OTTAWA, Canada, November 3rd, 1946.

Mrs. Beryl E. Liddell,
4219 Marcell Avenue,
Montreal, Quebec.

Dear Mrs. Liddell:

It is with regret that I refer to the loss of your husband, Flight Sergeant Arthur George William Liddell, who lost his life on air operations against the enemy August 5th, 1944, but a report has been received from our Missing Research and Enquiry Service that on investigation at Dabrowa Tarnowska, Poland, it was confirmed that your husband and the members of his crew had all lost their lives and were buried in a Communal Grave in the State Cemetery.

In accordance with the agreed policy of the Nations of the British Commonwealth that all British aircrew who had lost their lives in Poland would be moved to British Plots in Military Cemeteries in Poland, your husband and his crew members were moved to the Military Cemetery at Krakow, Poland, and are resting in the British Plot in Collective Graves numbered 1-7, Row D, Plot 1. Most unfortunately, individual identification could not be obtained of any member of the crew, and the graves are registered in the names of your husband, Flight Lieutenant A.R. Blynn, Flying Officer H.L. Brown; Pilot Officer G.A. Chapman; Flight Sergeant G.B. Wylie; and Sergeants F.G. Wenham and J.K. Ashmore (both members of the Royal Air Force).

Your husband's resting place in the Krakow Military Cemetery will be reverently cared for and maintained in perpetuity by the Imperial War Graves Commission (of which Canada is a member), and the Commission will also erect a permanent headstone at his grave. Unhappily, there are great numbers of these headstones to be erected, and it will quite naturally take considerable time. It is not necessary to write to the Commission, as you will be contacted by them before the stone is prepared.

You will recall that in our letter of February 2nd, 1946, it was advised that a funeral ceremony had been conducted by the local Priest. Our Missing Research and Enquiry Service interviewed this

gentleman, and thanked him. They were informed that those who participated in the secret funeral were subsequently maltreated by the Gestapo.

I realize that this is an extremely distressing letter, and that there is no means of conveying such news to you which would not add to your heartaches, and I am keenly aware that nothing I may say will lessen your great sorrow, but I would like to express to you and the members of your family my deepest sympathy in the loss of your gallant husband.

Yours sincerely,

(W. R. Gunn)

Mrs. Beryle Jennison,
4219 Marcil Avenue,
Montreal, 28, Quebec.

Dear Mrs. Jennison:

I am sorry, indeed, to refer to the loss of your former husband, Flight Sergeant Arthur George William Liddell, and to a letter that was forwarded to you on February 2, 1946, referring to a report that had been received from a Polish soldier. The soldier's name was not given as it did not appear to serve any purpose at the time, when a letter could not reach him. His name was Mr. Ignace Hodakowski, he is now living in the U.S.A., his address is 449 W. Palmer Street, Detroit 2, Michigan, U.S.A. He had written here through the Canadian Red Cross, and the letter in part is as follows:

"In the year 1944, August 5, at night, English Bomber Halifax, was hit by a German Bomber. It exploded instantly, it happened in Poland, Province of Cracow at Dabrowa Tarnowska. It was evident that several persons perished, as I was instrumental in burying the remains of the unfortunates. Anyone of kin who wishes to know more detailed report of this terrible incident, I will be glad to inform personally. A month ago I came to U.S.A. from England."

Mr. Hodakowski has been informed that it is contrary to regulations to give the names and addresses of the next-of-kin of deceased members of the RCAF, but that all next-of-kin concerned, have been advised of his address and that if they desire to do so, they will write to him direct.

Yours sincerely,

(W.R. Gunn)

- "my wife, Mary Brown, 26 Cherry Ave., Ottawa, Ont. \$100.00
and my household goods and effects."
- "my mother, Ethel Brown, 480 Yonge St., Toronto, Ont. \$100.00"

(5) Any additions or alterations to this Will must be initialled by the Testator and both Witnesses.

GENERAL

The laws of all the provinces of Canada, except one, provide that marriage subsequent to the date of the will revokes that will. Therefore, an officer or airman, immediately upon his marriage, should make a new will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as set out in his will.

To be completed only by personnel who have previously executed a Will.

Missing Research & Enquiry Service,
London. England.

Gentlemen:

On August 10th 1944 we received notice that my brother, Ft. Sgt. A. G. W. Liddell was missing on operations over Warsaw, on the night on August 4-5th. Except for the "Presumed Dead" notice from Ottawa which arrived about April 30th, we have been unable to secure any further information. R195412

We have contacted the International Red Cross and the Red Cross at Ottawa and understand that they are endeavouring to secure definite information, but so far we haven't had any news from that source.

It may seem strange that I am writing you at this late date but you can readily understand how anxious we are; and are leaving no channels untried in our efforts to secure news.

I might also say that no news has been received of any of the crew members since the "missing on operations".

<u>Arnold Blynn</u> , Ft. Lieut.	- L'Ardoise, Richmond County, Nova Scotia.
<u>Chuck Wiley</u> , Ft. Sgt.	- Instow, Saskatchewan.
<u>George Chapman</u> , W/O 2	- 509 Briarhill Ave., Toronto. Ont.
<u>Harry Brown</u> , F/O	- Crediton. Ont.
<u>Jack Hobbs</u>	- England
<u>Ken Ashmore</u>	- England

I apologize for troubling you in this matter but it is a final effort on my part to secure information that would set at ease the various members of my family. I feel that you will do what you can to help us and thank you sincerely in anticipation.

Yours very truly,

(Mrs) Mary Peel

Dear Mrs. Liddell:

It is a privilege to have the opportunity of sending you the Operational Wings and Certificate in recognition of the gallant services rendered by your husband, Flight Sergeant A.G.W. Liddell.

I realize there is little which may be said or done to lessen your sorrow, but it is my hope that these "Wings", indicative of operations against the enemy, will be a treasured memento of a young life offered on the altar of freedom in defence of his Home and Country.

Yours very sincerely,

Dear Mrs. Peel:

Your letter concerning your brother, Flight Sergeant Arthur George William Liddell addressed to the Missing Research and Enquiry Service, London, has been passed to this office for reply.

Your brother and his crew were reported missing after being detailed to carry out operations over territory in Poland which is now under Russian Control and it is not yet possible for an Air Force Missing Research and Enquiry Service, or Graves Registration Unit to enter the Russian zone for the purpose of investigating the many cases of missing Air Force personnel whose aircraft are believed to have crashed there, although negotiations have been opened on a high level with Russian Authorities with a view to obtaining the necessary permission.

Please be assured that as soon as investigations are possible and any information is received, your parents will be at once advised.

May I again extend my sincere sympathy.

Yours sincerely,

JW

OTTAWA, Canada, 2nd February, 1946.

Mrs. A. G. W. Liddell,
4219 Marcell Avenue,
Montreal, Quebec.

Dear Mrs. Liddell:

Further to letter of 11th June, 1945, from this Department, regarding your husband, Flight Sergeant Arthur George William Liddell, a report has now been received concerning the aircraft in which he was missing after take-off on an operational flight to Warsaw in Poland. I regret that the report is of a most distressing nature but felt that you would nevertheless desire to have the details.

This report was received from a Polish soldier who has recently left Russian Occupied territory and it was forwarded through the International Red Cross Society at Geneva. The report states, that in the early morning of August 5th, 1944, the aircraft appeared to be in great difficulty near the town of Dabrowa Tarnowska while heading in the direction of the village of Morzychna, two and a half miles south west of there. The plane then appeared to stop for a few seconds before crashing.

Several hours after the crash, the Polish soldier arrived at the scene, and after identifying the aircraft as British, commenced to gather the bodies and the remains of the crew. I regret that owing to the severe nature of the crash, it was not possible to say how many bodies were recovered. The remains gathered were sent to Dabrowa Tarnowska and buried in the State Cemetery by the Rev. Jakubiak. The Polish soldier informs that the burial was carried out in secret because the German Gestapo were then in the district and that the following day a service was held by the Rev. Slowinski, Rev. Lenczowski, Rev. Pekala. A collection of 5000 zolty was raised and 50 services were held in the districts of Dabrowa Tarnowska and Nowy Sacz for the fallen airmen.

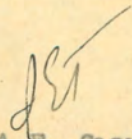

--- 2 ---

Dabrowa Tarnowska is situated approximately 47 miles east north east of Cracow in Southern Poland and Nowy Sacz is about 40 miles due south of Dabrowa Tarnowska.

I regret to advise that due to the apparent severity of the crash and the fact that all those personnel who were known to be evaders or captured have returned to the United Kingdom, it is unhappily impossible to hold out any hope for the survival of any of the crew members of your husband's aircraft. You may rest assured that if any further information is received, you will be informed.

Please accept my sincere sympathy with you on receipt of this distressing news and I hope that the knowledge that your husband's death must have been instantaneous may to some extent alleviate the grief you have sustained in your sad loss.

Yours sincerely,

R.C.A.F. Casualty Officer,
for Chief of the Air Staff.

Dear Mr. Liddell:

I am sorry, indeed, to refer to the loss of your son, Flight Sergeant Arthur George William Liddell, and to a letter that was forwarded to you on February 2, 1946, referring to a report that had been received from a Polish soldier. The soldier's name was not given as it did not appear to serve any purpose at the time, when a letter could not reach him. His name was Mr. Ignace Hodakowski, he is now living in the U.S.A., his address is 449 W. Palmer Street, Detroit 2, Michigan, U.S.A. He had written here through the Canadian Red Cross, and the letter in part is as follows:

"In the year 1944, August 5, at night, English Bomber Halifax, was hit by a German Bomber. It exploded instantly, it happened in Poland, Province of Cracow at Dabrowa Tarnowska. It was evident that several persons perished, as I was instrumental in burying the remains of the unfortunates. Anyone of kin who wishes to know more detailed report of this terrible incident, I will be glad to inform personally. A month ago I came to U.S.A. from England."

Mr. Hodakowski has been informed that it is contrary to regulations to give the names and addresses of the next-of-kin of deceased members of the RCAF, but that all next-of-kin concerned, have been advised of his address and that if they desire to do so, they will write to him direct.

Dear Mr. Rodakowski:

Your letter dated August 27 to the Canadian Red Cross, Windsor, Canada, was received here November 15, and a copy of your letter has been forwarded with your name and address to all of the next-of-kin of RCAF members of the crew, and a copy of the letter is attached.

It is contrary to regulations to release to you the addresses of the next-of-kin, but as you will see from the copy attached, all next-of-kin now have your address, and you will note that all next-of-kin have been referred to a letter that was forwarded to them under date February 2, 1946, a copy of that letter is also attached, which contains the report that came here from the International Red Cross Committee at Geneva, Switzerland.

May I, on behalf of the RCAF, offer deep appreciation for your kindly interest, and for the way in which you and your companions, under the eye of a ruthless enemy, laid to rest with Christian service, the last remains of that gallant aircrew. I have listed below the correct names and ranks of the RCAF members of the crew. You will observe that the name you gave as A.R.N. Blun is Flight Lieutenant Arnold Raymond Blynn.

Dear Mrs. Liddell:

It is with deep regret that I must confirm our recent telegram informing you that your husband, Flight Sergeant Arthur George William Liddell, is reported missing on Active Service.

Advice has been received from the Royal Canadian Air Force Casualties Officer, Overseas, that your husband and the entire crew of his aircraft failed to return to their base after taking off to carry out air operations over Poland on the night of August 4th and the early morning of August 5th, 1944.

The term "missing" is used only to indicate that his whereabouts is not immediately known and does not necessarily mean that your husband has been killed or wounded. He may have landed in enemy territory and might be a Prisoner of War. Enquiries have been made through the International Red Cross Society and all other appropriate sources and I wish to assure you that any further information received will be communicated to you immediately.

Attached is a list of the members of the Royal Canadian Air Force who were in the crew of the aircraft together with the names and addresses of their next-of-kin. Your husband's name will not appear on the official casualty list for five weeks. You may however, release to the Press or Radio the fact that he is reported missing but not disclosing the date, place, or his unit.

Permit me to extend to you my heartfelt sympathy during this period of uncertainty and I join with you and the members of your family in the hope that better news will be forthcoming in the near future.

Yours sincerely,

R.C.A.F. Casualty Officer,
for Chief of the Air Staff.

Dear Mrs. Liddell:

I wish to acknowledge your letter of recent date concerning your husband, Flight Sergeant Arthur George William Liddell.

It is indeed regretted that I must advise you that no further information has been received concerning your husband's crew members, and due to lapse of time and the absence of further evidence, the Air Ministry has now presumed for official purposes the deaths of Flight Lieutenant A.R. Blynn, Flying Officer H.L. Brown, and Warrant Officer G.A. Chapman. Flight Sergeant C.B. Wylie still remains classified missing.

May I assure you that presumption of death action is for official purposes only and will not affect or diminish in any way investigations being made to obtain some trace of your husband. When presumption of death action has been completed, his personal effects will be forwarded to the Director of Estates, 308 Sparks St., Ottawa, who will communicate with you at that time.

May I again express my sincere sympathy in your continued anxiety.

Yours sincerely,

R.C.A.F. Casualty Officer,
for Chief of the Air Staff.

Dear Mr. Liddell:

It is with deep regret that I must inform you that advice received from the Royal Canadian Air Force Casualties Officer, Overseas, states that your son, Flight Sergeant Arthur George William Liddell, is now for official purposes presumed to have died on Active Service on August 5th, 1944.

I realize that this letter will be a blow to the hopes you have entertained for so long, and in your added sorrow I offer you my deepest sympathy. May the same spirit which prompted your son to offer his life give you renewed courage.

Dear Mrs. Liddell:

I wish to reply to your letter of recent date concerning your son, Flight Sergeant Arthur George William Liddell.

I regret that these Headquarters are unable to give you the address of the Missing Research and Enquiry Service in Paris, as all our communications with this Service are made through Overseas Headquarters. Dear Sirs:

I have been endeavouring to find some trace of my brother reported missing on operations; and through one of the R.C.A.F. Chaplains, have secured the names of several whom he suggests would be able to give me some news but, as the addresses given by him are very incomplete, I wonder if it would be possible, through your Department, to get the correct addresses of these parties, so that I might be able to write them as suggested by the Padre. The names and addresses given me are as follows:

S/Ldr. Dunphy, a Flight Commander on Squadron No. 148 (stationed at Brindisi) on August 4th.

F/Lt. Dobbin - a Deputy Flight Commander.

S/Ldr. Bailey, R.A.F. Regular Force, R.C. Chaplain.

F/Lt. Lelu of Hamilton, Ont.

F/Lt. Hurley, who, as well as the personnel listed above, was also stationed with No. 148 Squadron at that time.

I would appreciate it greatly if you could possibly complete the addresses; and, as I am very anxious to communicate with these members of the R.C.A.F., I would ask that you let me have an early reply.

My brother name and address was:

F/Sgt. A.G.W. Liddell, R-195410,
No. 148 Squadron, R.C.A.F.,

Thanking you, I remain,

Dear Mrs Liddell

R195-410

It is with deep regret that I have to confirm that your husband F/S. A.G.W. Liddell did not return from operations against the enemy in Poland on the night of 4/5 August, 1944.

Your husband, during the time he had been with the Squadron had shown himself very competent and ready at all times to carry out his duties to the utmost of his ability. His loss is a bitter blow not only to the Squadron but to all those who knew him and esteemed him as a friend.

I have delayed writing until to-day as I had hoped to be in a position to give you some further details, but to date we have heard nothing more. We have, on occasions, however, had information that aircrew are prisoners of war or safe and in friendly hands in enemy occupied countries up to five months after they have been reported missing so there is no reason to give up hope.

The pilot and captain of your husband's aircraft was F/L. A.R. Blynn who was a very experienced and capable pilot and who could be relied upon to make the best of any awkward situation which might arise.

Rest assured that you will be informed immediately any further information is received and I should like to express on behalf of this Squadron my very sincere wishes that good news will soon be forthcoming.

Yours sincerely,

R.G.N. Pryor

2. A report received via the International Red Cross Committee at Geneva, from a Pole, reads as follows :-

" Report on the funeral of the crew of a British Bomber.

A crash of the British Bomber "Halifax" in Poland.

District Cracow, Dabrowa Tarnowska, village Morzychna, on 5th August, 1944, at 12.30 a.m.

We saw a red flash coming out from the burning plane which was above the houses and making for the village 3 Km. from Dabrowa. Then the plane stopped for a few seconds and crashed. We heard a heavy detonation.

Several hours after the catastrophe, I went there and saw it was neither a German nor a Russian plane, but English, and then we started to find the bodies and collect all the limbs scattered over a radius of 100 metres.

We found 6 palms with fingers, 2 skins with dark hair and ears and a piece of the skin with fair hair, 1 foot in a shoe, a piece of a skin with other body pieces about 1½ Kg. weight, etc. and some soft flesh and skin about 10 kgs weight.

These human body parts and pieces probably of 3 airmen about 100 kgs. weight, were put into a coffin, sent to Dabrowa Tarnowska and buried in the State Cemetery by the Rev. Jakubiak.

All was carried out in secret because of the Gestapo. The following day a service was held by the Rev. Slowinski, Lenczewski, Jakubiak, and Pekala, free of charge of course.

The parts found after the funeral were buried in the woods near the place the plane had crashed.

At the same time a collection raised up to 5,000 zloty and 50 services were held in the district of Dabrowska Tarnowska and Nowy Sacz."

(Signed) Ignacy Hodakowski".

An identity disc for F/L Blynn was enclosed with the report.

3. No other information has been received concerning this aircraft and crew.

4. It is requested that investigations be made to locate the burial place of this crew, and when located, the grave be registered with the G.R. & E.

OTTAWA, Canada, November 3rd, 1948.

Mr. A.E. Liddell,
4169 Marcell Avenue,
Montreal, Quebec.

Dear Mr. Liddell:

It is with regret that I refer to the loss of your son, Flight Sergeant Arthur George William Liddell, who lost his life on air operations against the enemy August 5th, 1944, but a report has been received from our Missing Research and Enquiry Service that on investigation at Dabrowa Tarnowska, Poland, it was confirmed that your son and the members of his crew had all lost their lives and were buried in a Communal Grave in the State Cemetery.

In accordance with the agreed policy of the Nations of the British Commonwealth that all British aircrew who had lost their lives in Poland would be moved to British Plots in Military Cemeteries in Poland, your son and his crew members were moved to the Military Cemetery at Krakow, Poland, and are resting in the British Plot in Collective Graves 1-7, Row D, Plot 1. Most unfortunately, individual identification could not be obtained of any member of the crew, and the graves are registered in the names of your son; Flight Lieutenant A.R. Blynn; Flying Officer H.L. Brown; Pilot Officer G.A. Chapman; Flight Sergeant C.B. Wylie; and Sergeants F.G. Wehham and J.K. Ashmore (both members of the Royal Air Force).

Your son's resting place in the Krakow Military Cemetery will be reverently cared for and maintained in perpetuity by the Imperial War Graves Commission (of which Canada is a member), and the Commission will also erect a permanent headstone at his grave. Unhappily, there are great numbers of these headstones to be erected, and it will quite naturally take considerable time. I

You will recall that in our letter of February 2nd, 1946, it was advised that a funeral ceremony had been conducted by the local Priest. Our Missing Research and Enquiry Service interviewed this gentleman, and thanked him. They were informed that those who participated in the secret funeral were subsequently maltreated by the Gestapo.

- 2 -

I realize that this is an extremely distressing letter, and that there is no means of conveying this news to you which would not add to your heartaches, and I am keenly aware that nothing I may say will lessen your great sorrow, but I would like to express to you and the members of your family my deepest sympathy in the loss of your gallant son.

Yours sincerely,

(W. R. Gunn)
