Mrs. I. Nevin,

Montreal, Quebec.

Dear Mrs. Nevin:

Further to our letter of May 30th, 1947, our Missing Research and Enquiry Service have now advised that on exhuming the graves in Offenheim Cemetery, it was found that your son and his crew had been buried by the Germans with another crew that was shot down the same night in that area. Flight Sergeant Burnside and Pilot Officer Scrimshaw members of your son's crew together with one member of the other crew were individually identified.

All members of both crews have since been moved to the permanent British Military Cemetery, 3 miles south west of Cleve, Germany. The cemetery is known as the Reichswald Forest British Military Cemetery. Your son and the other unidentified members of the two crews were laid to rest in graves 4 to 8 in Row D, Plot 22 and these graves will be registered collectively with their names. The identified member of the other crew was laid to rest in grave 1, Flight Sergeant Burnside in grave 2, and Pilot Officer Scrimshaw in grave 3.

As you were previously advised, this cemetery will be reverently cared for and maintained in perpetuity by the Imperial War Graves Commission (of which Canada is a member). The Commission will also erect a permanent headstone at the grave.

..2..

It is my earnest hope that you will be comforted with the knowledge that your son's resting place is known, and that it will be permanently maintained, and I would like to take this opportunity of expressing to you and the members of your family my deepest sympathy in the loss of your gallant son.

Yours sincerely,

Cercle d'Alzey Delegation
No. 2225/SUR

Alzey
7th October, 1946.

REPORT

I have the honour to inform you of the results of the enquiry carried out with a view to tracing the place where the British airmen were buried, who crashed with their aircraft during 1944, in the region of Offenheim, Cercle d'Alzey, (Hesse - Rhineland).

Reasons for holding the Enquiry

An anonymous letter addressed to the Security Service of the Cercle d'Alzey, stated that a man named Sipp, a blacksmith, had thrown the bodies of the members of the crew of a British aircraft shot down in the Commune of Offenheim, into a trench.

Enquiry

During the first or second week of August 1944 (witnesses are not quite certain) on a Sunday, about 0100 hours two British aircraft were shot down in flames in the forest of Vorholz, near Offenheim.

One of these aircraft, which was 4-engined, crashed in the commune of Offenheim, about 1 km. from Ober-Wiesen, the other crashed in the commune of Becheneheim, hence at two places, about 3 km. apart.

During the Sunday morning at least three airmen, perhaps four, who had baled out, were taken prisoner close to the place at which the aircraft crashed in the commune of Offenheim.

In the cemetery at Offenheim a trench about 2 x 2 metres lond and 1.30 to 1.50 metres deep was dug, into which the remains of the crews of these two aircraft were fung in disorder, with only a thin covering of earth over them.

According to the statements of witnesses this trench contained the bodies of six or seven airmen. The witnesses also stated that apparently all the members of the crew of the aircraft which crashed at Bechenheim were killed, and the airmen who were taken prisoner at Offenheim were those who baled out from the aircraft which crashed there.

The places where the two aircraft crashed are in the forest and the point of fall now form a clearing (as the trees were torn up) measuring about 50 x 50 metres, and there are traces of burnt material on the ground. There are bits of wreckage, some with figures and letters which might make it possible to identify the aircraft, and these have been collected and placed in the commissariat at Alzey where they are at the disposal of anyone who wishes to examine them.

Ottawa, Canada, 30th May, 1947.

Mrs. I. Nevin,
1054 Mackay Street,
Montreal, Quebec.

Dear Mrs. Nevin:

You will wish to know of a communication which has been received from the Authorities Overseas regarding your son, Pilot Officer Arthur Francis Nevin.

Captured German documents indicate that the aircraft of which your son was a member crashed near Offenheim, Germany. On investigating the Offenheim Cemetery the graves of your son and Flying Officer Taylor were discovered. The Offenheim Cemetery is located twenty-three miles North North East of Kaiserslautern.

The investigation is continuing in an effort to determine the burial place of the remainder of the crew.

British Military Cemeteries have been located at a number of points in Germany, and all Royal Canadian Air Force personnel buried in Germany will be moved to these cemeteries. The graves will be supported and sustained by the Dominion of Canada and entrusted to the Imperial War Graves Commission for reverent and perpetual care and the erection of a headstone over each grave. The task of preparing and erecting these headstones will naturally take considerable time. It is not necessary to write to the Imperial War Graves Commission, as you will be contacted by them before the stone is prepared.

May I again offer you my deepest sympathy in your great loss.

Yours sincerely,

R.C.A.F. Casualty Officer,
for Chief of the Air Staff.

Casualty Enquiry No. C.

1. F.B. Lancaster ME.596, left Skellingthorpe Airfield at 21.26 hours on 12/8/44, on bombing operations at RUSSELHEIM. Since its departure, no communications have been received from the aircraft which together with all members of its crew has been reported missing as from 12/8/44. Pilots of other aircraft from this Unit engaged on similar operations, report haze but good visibility. Bombing concentrated, and fires were seen as far as 100 miles distant. Flak was accurate, and fighter activity intense, a number of aircraft being shot down. No observations were however, made by anyone that could have been reasonably connected with the non-return of Lancaster 1.ME.596.

2. The crew consisted of:-

J.86732	F/F/O	Taylor, G.M.	Pilot	P.D.
R.171275	F/S	Nevin, A.F.	Nav.	P.D.

1190810	Sgt.	Goulding, W.	A/G	
957856	Sgt.	Scrimshaw, C.C.	A/G	

3. A telegram from the I.R.C.C. quoting German information, states that Flying Officer Meek, an R.C.A.F. member of this crew, was captured, and two identified not R.C.A.F. members, together with four unknown, were killed on the 13th August, 1944. Their burial particulars are not stated. As this completes the crew of seven, it is possible to assume that two of the four unknown are, Pilot Officer Nevin and Acting Flying Officer Taylor. However, action was not taken to reclassify to "Missing Believed Killed in Action", awaiting further confirmatory evidence regarding the death and burial of the four unknown.

4. A statement was obtained from Flight Lieutenant Meek, since promoted,

P.T.O.

who is a returned Prisoner of War, states that the approximate location of the crash was near Frankfurt-on-Maine. No further information is available here as to more definite location of the crash, but it is requested that if possible, an investigation be made in an endeavour to ascertain grave particulars for CAN/J.89875, Pilot Officer A.F. Nevin, and CAN/J.86732, Flying Officer G.M. Taylor, the two Canadians of this crew still listed as casualties.

QUESTION 3. Have you any other information touching on what happened or what probably happened to the other occupants?

No information other than German I.O. statement that they died in the aircraft.

QUESTION 4. Have you information of any Royal Canadian Air Force or Royal Air Force personnel other than members of your own crew? The Casualty Branch is anxious to know details of any Prisoners-of-war who have not come back. Please write down as many names as you can remember of those who have tried to escape or have died since the camps were evacuated, or whether shot accidently killed. Any information of this nature which you can supply will help us to piece together details and eventually report to the next-of-kin of those who have not come back.

14th August, 1944.

Dear Mr.Nevin,

It is with the deepest regret that I have to confirm the sad news, which you will have received by cable, that your son Flight Sergeant A.Nevin, is reported missing with all hiscrew from air operations on the night of 12/13th August, 1944.

He was detailed to attack Russelheim on that night, and after the aircraft left this Station nothing more was heard of it; this in itself is not necessarily final as wireless silence has to be maintained on operations to prevent the enemy from easily ascertaining the position and intentions of our aircraft. There is therefore, every reasonable chance that your son and his crew may have escaped by parachute, as so many others have, in which case there should be good news of them. This news usually takes from six weeks to two months to come through, though the International Red Cross do all in their power to hasten news of prisoners-of-war. We must therefore hope and pray that there may soon be good news of your son and his crew.

Your son is a highly skilled Navigator and this was his twenty first operational sortie, all the others having been highly successful. We also valued him as a very fine type of N.C.O. His loss is a great blow to the Squadron. We all have the highest admiration and affection for the fine young men of Canada, who have come so far, and left so much behind them, to join us in this great cause.

For reasons of security I regret that the names and addresses of the next-of-kin of the remainder of the crew cannot yet be divulged, but I know you will understand.

The deep sympathy of all members of this Squadron is with you in this anxious time of waiting, which we earnestly hope will soon be happily terminated by good news.

Believe me,
Yours sincerely,

(d) all my estate

If more than one beneficiary, set out in clause 2 (d) what each is to receive, such as:

"my wife, Mary Brown, 26 Cherry Ave., Ottawa, Ont. **$100.00**
and my household goods and effects".
"my mother, Ethel Brown, 480 Yonge St., Toronto, Ont. **$100.00"**
"my friend, John Smith, 60 LaSalle St., Winnipeg, Man. **$100.00"**

and any personal gift, if desired.

If any specific gifts as above have been made, the testator should name in Clause 3 the person or persons to whom he desires to give the balance of his estate, such as "my wife, Mary Brown, 26 Cherry Avenue, Ottawa, Ontario, the balance of my estate", or "my mother, Ethel Brown, and my father, George Brown, of 480 Yonge Street, Toronto, Ontario, the balance of my estate in equal shares or in the event that one dies before the other, the balance to the survivor".

(3) Failure to appoint an executor or an executrix can only result in additional expense in the settlement of the estate in question. You are, therefore, strongly urged to make such an appointment. A beneficiary under the will may be appointed executor or executrix. It is recommended, however, that you avoid appointing as executor any person on or likely to be on Active Service.

(4) **Do not omit to date the will.** You are to sign the will with your usual signature in the presence of two witnesses, each of whom must immediately thereafter, and in your presence, sign his or her name and insert his or her address and occupation in the place provided. No person who receives any benefits under the will should act as witness. It is preferable, though not essential, that the witnesses be persons not on Active Service.

GENERAL

The laws of all the provinces of Canada, except one, provide that marriage subsequent to the date of the will revokes that will. Therefore, an officer or airman, immediately upon his marriage, should make a new will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as set out in his will.

OTTAWA, Canada, 18th August, 1944.

Mr. James Nevin,
1054 MacKay Street,
Montreal, P.Q.

Dear Mr. Nevin:

It is with deep regret that I must confirm our recent telegram informing you that your son, Flight Sergeant Arthur Francis Nevin, is reported missing on Active Service.

Advice has been received from the Royal Canadian Air Force Casualties Officer, Overseas, that your son and the entire crew of his aircraft failed to return to their base after taking off to carry out bombing operations over Russelsheim, Germany, on the night of August 12th and the early morning of August 13th, 1944.

The term "missing" is used only to indicate that his whereabouts is not immediately known and does not necessarily mean that your son has been killed or wounded. He may have landed in enemy territory and might be a Prisoner of War. Enquiries have been made through the International Red Cross Society and all other appropriate sources and I wish to assure you that any further information received will be communicated to you immediately.

Attached is a list of the members of the Royal Canadian Air Force who were in the crew of the aircraft together with the names and addresses of their next-of-kin. Your son's name will not appear on the official casualty list for five weeks. You may however, release to the Press or Radio the fact that he is reported missing but not disclosing the date, place or his unit.

Permit me to extend to you my heartfelt sympathy during this period of uncertainty and I join with you and the members of your family in the hope that better news will be forthcoming in the near future.

Yours sincerely,

R.C.A.F. Casualty Officer,

OTHER REMARKS. This navigator is erratic, his work alternates between very good and poor. The poor work is usually due to carelessness in calculation and plotting. He has a good idea of what is required and knows what he is doing, if he would take more care he would be a very good navigator. Very keen and a hard worker.

REMARKS: (Navigation) Average speed and accuracy. Careful with his work in the air - good astro-work. Hesitates in making decisions. More experience will help him become a good navigator.

(General) Is happy in his work - good appearance - is not a quick learner but keeps subjects once mastered - needs more experience to build up confidence in his own ability. Is inclined to put up a front to give a better impression. Well liked by his classmates.

Recommended for early field commissioning.

Immediate action is also to be taken to notify the individual's Commanding Officer in the event that the illness is of serious nature and likely to delay reporting to the unit on termination of leave.

3. All accounts for attendance upon personnel on leave rendered by civilian hospitals or civilian practitioners are to be forwarded in triplicate to the nearest administrative centre of the Dept. of Pensions and National Health for payment.

4. Personnel who, while on leave, are in contact with a case of infectious disease are, on the termination of their leave, to report to their Station Medical Officer before they enter any barrack block, mess or other building on the station.

WILLS

1. The particulars of the next-of-kin should always be carefully inserted in the Form on page 1 of this Book, but the Officer or Airman must understand that the entries made there have no legal effect with respect to the disposition of his estate in the event of his death and therefore do not relieve him from the necessity of making a Will. Unless an Officer or Airman duly makes a Will, his estate is dealt with in the same manner as that of any other person who dies without leaving a Will, and not only may the relative or person desired or intended to be benefited receive little or no share of the estate but the distribution thereof is delayed until such of the next-of-kin as may be legally entitled can be located. Therefore, though his estate may consist of no assets other than the amount of pay and allowances at credit and the belongings he has on his person or in camp, it is urgent that he make a Will which, when completed, is left with his Commanding Officer for transmission to the Records Office for safe custody and in the event of his death is forwarded firstly, to the Estates Branch, Department of National Defence, Ottawa, for administration and distribution of the Service estate, and secondly, if other assets (including real estate) make it necessary, to the Executor named in the Will.

2. The Officer's or Airman's Will should preferably be made out on the Will Form—R.C.A.F. R. 60 (English) or R.C.A.F. R. 60A. (French)—provided for that purpose and on which are also printed a number of helpful instructions. These Forms are obtained through the Commanding Officer of each Unit. A separate sheet of paper may be used but in such case the general form of the Will as shown in the Form R.C.A.F. R. 60 or R. 60A. should be carefully followed. The Officer or Airman will date the Will and at the bottom of it sign his name in the presence of two witnesses who at the same time in the presence of each other and of the Officer or Airman will also sign their respective names. If the Officer or Airman cannot write, he will make his mark in the place in the Will where his signature would ordinarily appear, and immediately above their signatures on the Will the witnesses will write a memorandum as follows:—"The above Will has been first duly and audibly read over to this Officer or Airman when he appeared

to understand it and made his mark hereto in our presence as aforesaid". In such cases, however, it is recommended that the guidance of the Officer's or Airman's immediate superior Officer be obtained.

3. The Short Form of Will (see pages 15 and 16 of this Book) may be used by an Officer or Airman on Active Service but it must be entirely in his own handwriting. It is pointed out, however, that under the laws of some of the Provinces of Canada, such a Will is ineffective as to real estate. Therefore an Officer or Airman having a Canadian domicile and owning real estate should use the Will Form R.C.A.F. R. 60 or R. 60A., and appoint therein a responsible executor. An Officer or Airman having a domicile out of Canada should not use the Short Form on page 16 because it may not comply with the law of such domicile.

4. No person who receives any benefit under a Will can be a witness. If a person to whom an Officer or Airman intends to give any part of his estate is a witness of the Will, he will not be allowed to receive the intended gift. He may, however, be appointed an executor.

5. When making a Will it is not desirable that alterations be made in it. If, however, alterations are made by the Officer or Airman in his Will, he and the two witnesses must write their initials in the margin opposite the alterations. Any changes in the provisions of a previously made Will can always be made by a new document called a Codicil which should refer to the previously made Will and then state the changes desired, and be dated and signed and witnessed in the same manner as the Will itself.

6. A completely new Will can at any time be made and in such case it revokes, or cancels, any Will of earlier date. The laws of all the Provinces of Canada except one, and of most English speaking countries provide that marriage after the date of a Will revokes that Will. Therefore, an Officer or Airman, immediately upon his marriage, should make a new Will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as shown in his Will.

7. The Will of an Officer or Airman on Active Service is not invalid by reason that at the date it was made he was under the age of 21 years.

An Officer or Airman who has made a Will before his enlistment, is recommended to inform his Commanding Officer where such Will has been deposited and the Commanding Officer shall upon receipt of such information forthwith complete the following certificate and despatch the same to the R.C.A.F. Records Officer.

Before embarkation, each Officer or Airman is recommended, particularly those who have real estate, to consider the necessity for executing a document appointing some person or Trust Company his Attorney to manage or otherwise deal with real estate during his absence from Canada; also to review his affairs in the light of any changes that may have occurred since the date of his last Will and, if desirable, make a formal Will and inform his Commanding Officer thereof as indicated at the top of this page, or make a Will on R.C.A.F. R. 60 or R. 60A., and hand it duly completed to his Commanding Officer for transmission to the Records Officer concerned for safe custody.

The Officer receiving such Will shall complete the following certificate:—

SHORT FORM OF WILL

(Write Will on next page)

If an Officer or Airman on active service, or under orders, for active service, who has not previously made a Will, or who having previously made one, wishes to cancel it in its entirety or make some change in the disposal of his property, he may do so on the next page. **It must be entirely in his own handwriting and must be signed by him and dated.** The full names and addresses of the persons whom he desires to benefit, and the sum of money or the articles of property which he desires to leave to them, must be clearly stated. **The writing of the name of a person on the next page without stating what he or she is to receive is of no legal value.**

The following is a specimen of a Will leaving all to one person:—

In the event of my death I give all my estate to my mother, Mrs. Sheila Griffin, 711 Victory Street, Toronto, and appoint her my executrix.

(Signature) GEORGE GRIFFIN,
Sgt., R. 12345,
Date October 10th, 1942. R.C.A.F.

The following is a specimen of a Will leaving gifts to more than one person:—

In the event of my death, I give $10.00 to my friend, Miss Rose Smith, of No. 1, High Street, London, and I give $5.00 to my sister, Miss Margaret Griffin, 711 Victory Street, Toronto, and I give the remainder of my estate to my mother, Mrs. Sheila Griffin, 711 Victory Street, Toronto, and appoint my mother my executrix.

Sgt., R. 12345,

Dear Mrs. Nevin:

Please find enclosed a photograph which has been received from Overseas, of the grave of your son, Pilot Officer Arthur Francis Nevin.

Cemeteries are being handed over progressively to the Imperial War Graves Commission, of which Canada is a member, who are entrusted with the perpetual maintenance of the resting places of all our Fallen, and who will beautify the graves and surroundings, and erect a permanent headstone at each grave.

It is not necessary for you to contact the Commission. Any discrepancy as to rank, etc., which may appear on the temporary cross shown in the enclosed photograph, will appear correctly on the permanent headstone.

Yours sincerely,

RESULT OF INVESTIGATION AND FINDINGS:

Reference is made to your P.421617/44/P.4 MR(2) dated 1 Jan 1947 this Casualty Enquiry was received from No. 3 M.R.E.U. a few days ago.

In view of the information contained in my 2 MREU/5000/AIR/149 dated 26th Nov., 1946 it is established with reasonable certainty that the aircraft and crew mentioned in my report corresponds with your Casualty Enquiry. I mentioned in my report that the explosion when the aircraft crashed into the ground was tremendous, and that the remains of the crew were badly broken up and burnt, therefore apart from J.23130 F/O MEEK who was taken prisoner it would appear that the other 6 crew members perished when the aircraft exploded and burnt out.

The request for exhumation has been cancelled because, I am satisfied that the remains of F/O TAYLOR, F/S NEVIN, F/S BURNSIDE? Sgt. ADAIR, Sgt. COULDING and P/O SCRISHOW are buried in the cemetery of OFFENHEIM (K 50/M 2225)

A.F. 3372 has been raised accordingly.

In view of the forgoing information and the information contained in my 2 MREU/5000/AIR/149 dated 26th Nov., 1946 may this Enquiry now be considered closed.

Dear Mrs. Nevin:-

Your application for the war service gratuity in respect of the late Pilot Officer Arthur F. Nevin has been reviewed by the authorities responsible for determining entitlement.

It is advised that payment will be made into his service estate for distribution to the person or persons named as beneficiaries under his will or, in the absence of a will, to the person or persons entitled by law to receive the gratuity.

Distribution may be expected within the reasonably near future. However, in those cases where the estate has not yet been settled, payment will be delayed awaiting the final disposition of all service assets.

Any further enquiries should be directed to the Estates Branch, 308 Sparks St., Ottawa, Ontario, (Attention: War Service Gratuity Section).

NEVIN, A.F., F/S (Missing)
No. R.171275 R.C.A.F.

Dear Mrs. Nevin:

We have received a communication from Overseas Headquarters with respect to the effects of your son, who is unfortunately reported missing.

We are informed that he was the owner of a Raleigh Tricycle Car which is reported to be in poor condition with an approximate value of $45.00.

As this is a bulky article, we have not sufficient storage facilities for it overseas, consequently it must either be sold and the proceeds credited to his pay account, or delivered to friends or relatives in England.

We will be pleased to received your disposal instructions by return mail.

In the meantime, we take this opportunity to extend to you our sincere sympathy during this anxious time.

Yours faithfully,

C.

Mr. James Nevin,

Montreal, Quebec.

Dear Mr. Nevin:

Our Overseas Headquarters have forwarded to these Headquarters a statement made by Flight Lieutenant J. Meek a member of the crew with your son, Pilot Officer Arthur Francis Nevin. Flight Lieutenant Meek was a Prisoner of War and has now been liberated.

He states that their aircraft crashed at Frankfurt on Main, Germany. It is regretted that Flight Lieutenant Meek has no definite information concerning your son or the remainder of his crew. He states that he was the first to leave the aircraft and that the Germans told him that there were six bodies in the wreckage. I know that this information can be of little solace to you but I felt that you would wish to be advised of Flight Lieutenant Meek's statement.

There are several Services which have been set up in an endeavour to find out all particulars possible of crashed aircraft. Some information is available concerning a great many aircraft which crashed or were shot down by the enemy and every possible effort on any organized basis is being put forth to secure all information available. It is the duty of the Graves Registration Units, which are under the control of the Military Authorities to enquire for and locate the graves of all personnel known or believed to have crashed and to have been buried in occupied areas.

A Royal Air Force and Dominion Air Force Missing Research and Enquiry Service has been organized for the purpose of research and enquiry in liberated territories into the circumstances of aircrews reported as casualties. This Service endeavours to obtain additional information to supplement that already received.

The civilian population of these areas is being contacted by Radio, Press and Proclamations through the various civic authorities to centralize through this Service any information or concrete evidence they may have about Air Force personnel or crashed aircraft. Similar instructions have been issued to all Service personnel in those areas.

I wish to again assure you that when any additional information is received concerning your son, it will be forwarded to you. However, I am sure you will realize that owing to chaotic conditions existing in Europe at the present time and the great number of enquiries confronting these enquiry services, some time may pass before more information is received.

May I extend to you and the members of your family my deepest sympathy.

Yours sincerely,

R.C.A.F. Casualty Officer,
for Chief of the Air Staff.

Dear Mr. Nevin:

It is with deep regret that I must advise you that information now has been received from the International Red Cross Committee, quoting official German information, concerning your son's crew that Flying Officer Meek was a Prisoner of War and that two other crew members, Flight Sergeant J.K. Burnside and Pilot Officer C.C. Scrimshaw both of the Royal Air Force and four others unidentifiable had been killed. As this completes the crew of seven it indicates that your son lost his life.

Therefore, in view of the lapse of time and this information presumption of death action on your son has now been completed and you will shortly receive official notification of that action by registeredlletter under the signature of the Chief of the Air Staff.

May I extend to you and the members of your family my sincere sympathy.

Dear Mrs. Nevin:-

Your application for the war service gratuity in respect of the late Pilot Officer Arthur F. Nevin has been reviewed by the authorities responsible for determining entitlement.

(NUMBER) (RANK) (NAME)

Dear Mr. Nevin,

It is with the deepest regret that I have to confirm the sad news, which you will have received by cable, that your son Flight Sergeant A. Nevin, is reported missing with all hiscrew from air operations on the night of 12/13th August, 1944.

He was detailed to attack Russelheim on that night, and after the aircraft left this Station nothing more was heard of it; this in itself is not necessarily final as wireless silence has to be maintained on operations to prevent the enemy from easily ascertaining the position and intentions of our aircraft. There is therefore, every reasonable chance that your son and his crew may have escaped by parachute, as so many others have, in which case there should be good news of them. This news usually takes from six weeks to two months to come through, though the International Red Cross do all in their power to hasten news of prisoners-of-war. We must therefore hope and pray that there may soon be good news of your son and his crew.

Your son is a highly skilled Navigator and this was his twenty first operational sortie, all the others having been highly successful. We also valued him as a very fine type of N.C.O. His loss is a great blow to the Squadron. We all have the highest admiration and affection for the fine young men of Canada, who have come so far, and left so much behind them, to join us in this great cause.

For reasons of security I regret that the names and addresses of the next-of-kin of the remainder of the crew cannot yet be divulged, but I know you will understand.

The deep sympathy of all members of this Squadron is with you in this anxious time of waiting, which we earnestly hope will soon be happily terminated by good news.

Believe me,
Yours sincerely,

Wing Commander, Commanding,
No. 61 Squadron.

* Count only the time during which the pupil carried full responsibility for the navigation of the aircraft.

REMARKS: (Navigation) Average speed and accuracy. Careful with his work in the air - good astro-work. Hesitates in making decisions. More experience will help him become a good navigator.

(General) Is happy in his work - good appearance - is not a quick learner but keeps subjects once mastered - needs more experience to build up confidence in his own ability. Is inclined to put up a front to give a better impression. Well liked by his classmates.

Recommended for early field commissioning.
