WILLS

1. The particulars of the next-of-kin should always be carefully inserted in the Form on page 1 of this Book, but the Officer or Airman must understand that the entries made there have no legal effect with respect to the disposition of his estate in the event of his death and therefore do not relieve him from the necessity of making a Will. Unless an Officer or Airman duly makes a Will, his estate is dealt with in the same manner as that of any other person who dies without leaving a Will, and not only may the relative or person desired or intended to be benefited receive little or no share of the estate but the distribution thereof is delayed until such of the next-of-kin as may be legally entitled can be located. Therefore, though his estate may consist of no assets other than the amount of pay and allowances at credit and the belongings he has on his person or in camp, it is urgent that he make a Will which, when completed, is left with his Commanding Officer for transmission to the Records Office for safe custody and in the event of his death is forwarded firstly, to the Estates Branch, Department of National Defence, Ottawa, for administration and distribution of the Service estate, and secondly, if other assets (including real estate) make it necessary, to the Executor named in the Will.

2. The Officer's or Airman's Will should preferably be made out on the Will Form—R.C.A.F. R. 60 (English) or R.C.A.F. R. 60A. (French)—provided for that purpose and on which are also printed a number of helpful instructions. These Forms are obtained through the Commanding Officer of each Unit. A separate sheet of paper may be used but in such case the general form of the Will as shown in the Form R.C.A.F. R. 60 or R. 60A. should be carefully followed. The Officer or Airman will date the Will and at the bottom of it sign his name in the presence of two witnesses who at the same time in the presence of each other and of the Officer or Airman will also sign their respective names. If the Officer or Airman cannot write, he will make his mark in the place in the Will where his signature would ordinarily appear, and immediately above their signatures on the Will the witnesses will write a memorandum as follows:—"The above Will has been first duly and audibly read over to this Officer or Airman when he appeared

to understand it and made his mark hereto in our presence as aforesaid". In such cases, however, it is recommended that the guidance of the Officer's or Airman's immediate superior Officer be obtained.

3. The Short Form of Will (see pages 15 and 16 of this Book) may be used by an Officer or Airman on Active Service but it must be entirely in his own handwriting. It is pointed out, however, that under the laws of some of the Provinces of Canada, such a Will is ineffective as to real estate. Therefore an Officer or Airman having a Canadian domicile and owning real estate should use the Will Form R.C.A.F. R. 60 or R. 60A., and appoint therein a responsible executor. An Officer or Airman having a domicile out of Canada should not use the Short Form on page 16 because it may not comply with the law of such domicile.

4. No person who receives any benefit under a Will can be a witness. If a person to whom an Officer or Airman intends to give any part of his estate is a witness of the Will, he will not be allowed to receive the intended gift. He may, however, be appointed an executor.

5. When making a Will it is not desirable that alterations be made in it. If, however, alterations are made by the Officer or Airman in his Will, he and the two witnesses must write their initials in the margin opposite the alterations. Any changes in the provisions of a previously made Will can always be made by a new document called a Codicil which should refer to the previously made Will and then state the changes desired, and be dated and signed and witnessed in the same manner as the Will itself.

6. A completely new Will can at any time be made and in such case it revokes, or cancels, any Will of earlier date. The laws of all the Provinces of Canada except one, and of most English speaking countries provide that marriage after the date of a Will revokes that Will. Therefore, an Officer or Airman, immediately upon his marriage, should make a new Will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as shown in his Will.

7. The Will of an Officer or Airman on Active Service is not invalid by reason that at the date it was made he was under the age of 21 years.

An Officer or Airman who has made a Will before his enlistment, is recommended to inform his Commanding Officer where such Will has been deposited and the Commanding Officer shall upon receipt of such information forthwith complete the following certificate and despatch the same to the R.C.A.F. Records Officer.

Before embarkation, each Officer or Airman is recommended, particularly those who have real estate, to consider the necessity for executing a document appointing some person or Trust Company his Attorney to manage or otherwise deal with real estate during his absence from Canada; also to review his affairs in the light of any changes that may have occurred since the date of his last Will and, if desirable, make a formal Will and inform his Commanding Officer thereof as indicated at the top of this page, or make a Will on R.C.A.F. R. 60 or R. 60A., and hand it duly completed to his Commanding Officer for transmission to the Records Officer concerned for safe custody.

The Officer receiving such Will shall complete the following certificate:—

Jack had planned on going to university when he returned to Canada. He had a badly scarred ear drum and a bad knee & our family doctor was certain he would never go overseas. However an R.C.A.F. Dr. passed him knowing full well his chances of getting clear of a plane. This has been a heart breaking thought for me since according to what reports we have he was the only one to go down with the plane and I certainly held that Dr. responsible for my son's death. However I do not intend doing anything until I have more information. Even then I don't suppose I can do more than have the facts printed in the newspapers. He was slated for his commensioa but even that has been withheld. I am sorry for the delay. I have been ill myself.

Yours truly
Mrs. Ina Patterson

 - (a) my wife

 - (c) 26 Cherry Ave., Ottawa, Ont.
 - (d) all my estate.

If more than one beneficiary, set out in clause 2 (d) what each is to receive, such as:

"my mother, Ethel Brown, 480 Yonge St., Toronto, Ont.	\$100.00"

- (3) Failure to appoint an executor or an executrix can only result in additional expense in the settlement of the estate in question. You are, therefore, strongly urged to make such an appointment. - (4) **Do not omit to date the will.** You are to **sign** the will with your usual signature in the presence of **two witnesses**, each of whom must immediately thereafter, and in your presence, sign his or her name and insert his or her address and occupation in the place provided. No person who receives any benefits under the will should act as witness. It is preferable, though not essential, that the witnesses be persons not on Active Service.
- (5) Any additions or alterations to this Will must be initialled by the Testator and both Witnesses.

GENERAL

The laws of all the provinces of Canada, except one, provide that marriage subsequent to the date of the will revokes that will. Therefore, an officer or airman, immediately upon his marriage, should make a new will in order that, in the event of his death, his estate may be distributed in accordance with his wishes as set out in his will.

To be completed only by personnel who have previously executed a Will.

Dear Mrs. Patterson:

It is a privilege to have the opportunity of sending you the Operational Wings and Certificate in recognition of the gallant services rendered by your son, Sergeant J.I.S. Patterson.

I realize there is little which may be said or done to lessen your sorrow, but it is my hope that these "Wings", indicative of operations against the enemy, will be a treasured memento of a young life offered on the altar of freedom in defence of his Home and Country.

Yours very sincerely,

1. I hereby acknowledge that I have read, understand and agree to the following conditions of service in the event of my being accepted for enlistment in the Royal Canadian Air Force:

- (a) That I will, on completion of recruit training at Manning Depot perform any ground duties including General Duties which may be specified at the discretion of the Commanding Officer of the unit to which I may be attached, until the Royal Canadian Air Force is in a position to commence my training as aircrew.

Parts Radiographed: RIGHT KNEE
INCLUDING UPPER PORTION OF THE TIBIA & LOWER HALF OF THE
FEMUR.

Reports:-

Films of the right knee show the articular surface of the tibia to be tilted downwards and forwards, a small amount. This appears to be due to an old fracture through the neck of the bone, with some impaction and healing in that position. There are no post-traumatic changes at the knee joint. The lower third of the femur appears normal.

PATTERSON, Johnson I.S. RCAF APT.

Extkx

Broke left knee, seven years ago.

At the present time, there is a depression in the tibia.
just below the knee.

This tends to make the patella very prominent.

The movements of the knee are good, and he states
that he has no disability.

RECOMMEND X-RAY OF RIGHT KNEE, INCLUDING THE UPPER PORTION
OF THE TIBIA AND LOWER HALF OF THE FEMUR.

A.L. WILKIE, M.D.
/HP.

13-1-43

X-Ray shows an old healed fracture in the upper
end of the tibia, which tilts the articular surface
forward

This causes the gross deformity, seen clinically.

As far as this condition is concerned, considering that
there are no arthritic changes in the knee, he is fit

Ottawa, Ontario, 14th August, 1945.

Mrs. Mildred Patterson,
Foresters Falls,
Ontario.

Dear Mrs. Patterson:

This will acknowledge receipt of your application for the war service gratuity in respect of the late Sgt. Jack I.S. Patterson.

In the case of death of a member of the forces, regulations provide that the gratuity on his behalf is to be paid either to a person who was dependent upon him at the time of his death or, if there was no dependent, it is then to be paid into his service estate for distribution in accordance with the terms of his will or, in the absence of a will to the person or persons legally entitled to his estate.

Records reveal that pay was assigned to you by the deceased at the time of his death, which may or may not indicate that a state of dependency existed. Therefore, in order to facilitate the handling of your application and in order to hasten settlement of the gratuity payable in respect of your deceased son, will you kindly inform us whether or not you were dependent upon the assignment received.

If dependency is claimed, your case will be referred to the appropriate authorities for investigation. On the other hand, if no dependency is claimed, the gratuity will be paid into your son's service estate.

Since the advice requested will be of distinct assistance to us, an early reply will be appreciated.

Please forward your letter to The Secretary, Department of National Defence for Air, Ottawa, Ontario (Attention: DAF/Gratuities Section), quoting the above file number.

Yours very truly,

(J. MacL. Murray)
Air Commodore
for Chief of the Air Staff

Dear Sir: -

My son's pay was assigned to me ^{AUG 26 AM 9:50} but I did not claim it as a dependent. Like so many mothers I regarded myself as my son's banker, looked after his insurance etc.

I'm sorry not to have answered this letter sooner but have been ill.

I hope this answers your questions.

yours truly

Mrs. Pattersons

This will acknowledge receipt of your application for the war service gratuity in respect of the late **Sgt. Jack I.S. Patterson.**

In the case of death of a member of the forces, regulations provide that the gratuity on his behalf is to be paid either to a person who was dependent upon him at the time of his death or, if there was no dependent, it is then to be paid into his service estate for distribution in accordance with the terms of his will or, in the absence of a will to the person or persons legally entitled to his estate.

Records reveal that pay was assigned to you by the deceased at the time of his death, which may or may not indicate that a state of dependency existed. Therefore, in order to facilitate the handling of your application and in order to hasten settlement of the gratuity payable in respect of your deceased **son**, will you kindly inform us whether or not you were dependent upon **son** the assignment received.

If dependency is claimed, your case will be referred to the appropriate authorities for investigation. On the other hand, if no dependency is claimed, the gratuity will be paid into your **son's** service estate.

Since the advice requested will be of distinct assistance to us, an early reply will be appreciated.

Please forward your letter to The Secretary, Department of National Defence for Air, Ottawa, Ontario (Attention: DAF/Gratuities Section), quoting the above file number.

Yours very truly,

(J. MacL. Murray)

FILE NO. R216287 (R. 2-1-1)

Ottawa, Canada, June 23rd 1945

Dear Sir:

In view of articles which have appeared in the Press from time to time, you are no doubt aware that the payment of a War Service Gratuity has been authorized in respect of all deceased members of the Armed Forces on active service. This gratuity is payable to a person who was dependent upon the member of the Force at the time of his death, but if it is found that there were no dependents, then the gratuity will form a part of the Service estate.

To be entitled to the gratuity as dependents, applicants must either have been eligible for dependents' allowance at the time of the member's death or in receipt of an assignment of pay, part of which at least must have been used for the support of the recipient. Where one or more persons were in receipt of dependents' allowance, they alone are entitled to the gratuity, although another person may have been receiving an assignment of pay and may have been partly dependent upon the deceased member.

The authorities responsible for the payment of the gratuity are anxious to settle all claims from dependents of deceased personnel, or if there were no dependents, to include the gratuity in the Service estate. This letter is, therefore, addressed to you as recorded next of kin, with a view to inviting an application from a dependent or one who is authorized to act on behalf of the service estate of the marginally noted.

It will be appreciated that the question of dependency must be settled before payment of the gratuity can be made. Therefore, in order to deal with each case as expeditiously as possible, an early reply to this letter would be greatly appreciated. All communications should be addressed to The Secretary, Department of National Defence for Air, Ottawa, Attention: R.C.A.F. Records Officer.

Yours very truly,

(T.K. McDougall),
Group Captain,
for Chief of the Air Staff.

Dear Sir: My son Sgt. Jack Patterson

R 216 287 had assigned his pay to me from the date of his enlistment. This I believe answers your questions. I know he believed and hoped that I would receive his gratuity if he was not allowed to come back.

yours truly

Dear Sir:

We acknowledge your letter dated 10th July last enclosing your draft for .75¢, representing interest on a \$50.00 Victory Loan Bond.

Your remarks are noted regarding the \$250.00 Dominion of Canada Bonds held in safekeeping by you, and we might say that Mrs. Patterson listed these securities with us as part of her son's Service estate. If the bonds are in bearer form, she will not require our assistance in dealing with them. It is suggested that you get in touch with both Mr. and Mrs. Patterson for instructions concerning their disposal.

If any of the bonds are registered in the deceased's name, we will be pleased to re-register them in Mrs. Patterson's name, or convert them into bearer form, whichever she may prefer. Possibly Mr. Patterson's consent could be obtained if necessary.

Yours faithfully,

Re. Patterson, Johnson Irwin Stewart, Sgt. Deceased.
No. R 216287 R.C.A.F. Your File H.Q. R-216287.

Dear Sirs;-

We have to-day paid a cheque for \$893.86 signed by Mrs. Mildred F. Patterson in favor of your Department against Savings Account No. 4893 which was opened in the name of Jack S. Patterson and his mother Mildred F. Patterson. These people are well known in the district and we are satisfied Jack S. and J.I.S. Patterson was the one and same party.

With reference to the second paragraph of your letter of June 4th, 1946 and also the third paragraph, we have no evidence that the late Mr. Patterson had \$250.00 in Dominion of Canada Bonds in safekeeping. Mr. Irwin Patterson, father of the deceased has \$250.00 in bonds in safekeeping in his own name but he did instruct us to credit the account of his son with the interest coupons.

If these bonds belonged to the deceased we would like to have definite instructions from your Department to deliver the bonds to the father, Irwin Patterson so that he could turn them over to his wife who is the sole beneficiary of the Estate.

We are enclosing a draft for .75¢ representing interest on a \$50.00 D. of C. bond which was credited a few days ago.

Yours very truly,

W. A. McLean

Dear Sir:

This Branch is administering the Estate of the marginally named deceased airman, who lost his life on the 8th of July, 1944, while on active service.

Advice has been received that he maintained a joint bank account with his mother, Mrs. Mildred F. Patterson, Forrester Falls, Ontario, in your Branch. Mrs. Patterson has requested that this account be administered with the Service Estate and it is respectfully requested, under the authority of Order-in-Council P.C. 6223 dated 28th of September, 1945, that a cheque payable to the Receiver General of Canada be forwarded to this Branch, please.

Mrs. Patterson also advises that you hold in safe keeping \$250.00 in Victory Loan Bonds. As Mrs. Patterson is the beneficiary named in the Will on file at this Branch, it would appear to be in order to release these Bonds to her or, in the alternative, to forward them to this Branch in order that they may be administered with the remainder of the Service Estate.

My son's regimental number was R 216287 and he was in the Air Force in this last war. His plane crashed in Paris during a raid on the Germans on July 7th 1944

I see by your letter I must have named my son Jack. This was his name to us but you will find the name Johnson Devin Stewart on his file. I have tried ~~not~~ to make this mistake but must have done so in this letter. This will probably help you ~~clear~~ locate his file.

OTTAWA, Canada, 26th March, 1946.

Mrs. Irwin Patterson,
Foresters Falls,
Ontario.

Dear Mrs. Patterson:

I wish to acknowledge your letter of recent date concerning your son, Sergeant Johnson Irwin Stewart Patterson.

As you were previously advised it is the duty of the Imperial War Graves Commission to care for the graves of all who served in the Forces of the British Empire and each individual grave will be appropriately marked and will receive the reverent care. Some time may elapse, however, before it is possible for the Commission to take the necessary steps to ensure that all the graves located on the Continent are being carefully and reverently tended.

It would be quite in order if you wish to forward as you suggest, grass and flower seeds to Mr. Des Cateaux who has been caring for your son's grave. Please be advised, however, that all correspondence is still subject to British Censorship.

May I again extend to you and the members of your family my sincere sympathy in your great loss.

Yours sincerely,

R.C.A.F. Casualty Officer,
for Chief of the Air Staff.

I have just rec'd

another letter from the chap who found and identified my son Sgt. Jack Patterson 216287. This letter tells me the exact location and condition of his grave and the picture is a bleak one for any mother to have.

I know we aren't allowed to bring our sons home and I could not afford it if we were but I would like to send some grass and flower seeds to the chap who has visited the grave (knowing how poor France must be I should also like to add a few vegetable seeds).

I expect the Graves Commission will get around to fit this cemetery (Borran) in time but meanwhile I'd like to know my son's grave was cared for (The chap is doing that but I would also like to help out).

I will be very grateful to you for this information. Thank you

yours truly

Mrs. Edwin Patterson

Dear Mrs. Patterson:-

In view of the information contained in your recent letter, the war service gratuity payable in respect of the late ~~Sergeant Jack I.S. Patterson,~~ will be paid into his service estate.

Distribution may be expected within the reasonably near future. However, in those cases where the estate has not yet been settled, payment will be delayed awaiting the final disposition of all service assets.

Any further enquiries should be directed to the Estates Branch, 308 Sparks St., Ottawa, Ontario, (Attention: War Service Gratuity Section).

Yours truly,

(J. MacL. Murray)
Air Commodore
for Chief of the Air Staff

OTTAWA, Canada, 27th November, 1945.

Mr. Irwin Patterson,
Forester's Falls,
Ontario.

Dear Mr. Patterson:

Further to my letter dated June 14th, a report has been received from Overseas giving additional information concerning the burial place of your son, Sergeant Johnson Irwin Stewart Patterson.

This report advises that a Graves Registration Unit has visited the Cemetery at Boran-Oise, and that your son's grave number has been changed from No. 111 to Grave No. 26.

The reverent care of the burial places of all who served in the Forces of the British Empire is the task of the Imperial War Graves Commission. Already eminent architects are at work, planning the construction of beautiful cemeteries, and each individual grave will be supported and sustained by the nations of the Empire. I hope it may be of some consolation to you to know that your gallant son's grave is in sacred care and keeping.

May I again extend my sincere sympathy in your great loss.

Yours sincerely,

R.C.A.F. Casualty Officer,
for Chief of the Air Staff.

Dear Mr. Patterson:

A further report has been received concerning your son, Sergeant Johnson Irwin Stewart Patterson.

Information received from Mr. Jean Descateaux of 18 Avenue, Carnot Paris, 17, France, states that your son's aircraft crashed in Mr. Baillif's Park, 64 Rue de Paris, Prestes, (Seine & Oise). On July 9th, the body of your son was recovered and identified by Mr. Descateaux who also states your son was buried by the Germans at Boran, Department of Oise, France.

It is permissible to correspond with Mr. Descateaux, but I wish to point out that all correspondence to France is subject to British censorship. ✓

As previously advised, presumption of death action is being instituted by the Air Ministry and you will receive official notification of this action by registered letter from the Chief of the Air Staff.

May I express my sincere sympathy in this time of anxiety.

Encl:

Saturday, the 8th July, 1944 at 0130 hours in the morning a four engined Canadian aircraft crashed in flames in Mr. Bailly's park, 64 rue de Paris, Prestes (Seine & Oise). Amongst the remains of the aircraft I have not found up to now any trace of the crew. But on Sunday, July 9th about 80 meters from the aircraft I found the body of an airman identified as CAN/216287 - JIS - AIRMAN PATERSON - UC -RCAF. Unfortunately, this got around the locality and I could not bury him in the park. Before the Germans came I managed to remove but a few personal effects. The French Gendarmerie came to the scene of the crash and immediately a Police Officer removed his identity discs. On Tuesday the 11th, the Germans came to fetch the body, but despite my enquiries, did not bury him in the locality. I happen to know that he was buried at BORAN (Oise). Description which might help to identify him, 1.80 meter, square built, fractured skull "occipito paristale". The front part of the fuselage fell one kilometer from here. I learnt that another airman had been found but his identity is unknown to me. Perhaps the Gendarmerie of Beaumont could give you more information. If for any reason or another you need any further details please contact: Mr. Jean Descateaux 18 Avenue Carnot, Paris, 17.

Dear Mr. Patterson:

Confirming my telegram of recent date, I regret to inform you that advice has been received from the International Red Cross Society at Geneva concerning your son, Sergeant Johnson Irwin Stewart Patterson, previously reported missing on Active Service.

The report quotes German information which states that your son lost his life on July 8th, 1944, but does not contain any further particulars. The International Red Cross Society is making every effort to obtain the location of your son's grave. However, I feel sure you will appreciate the difficulties attendant upon securing additional details.

Since this information originates from enemy sources it is necessary for the present to consider your son "missing believed killed" until confirmed by further evidence. However, in the absence of additional information, his death will be presumed after a lapse of six months from the date he was reported missing.

May I assure you and the members of your family of my deepest sympathy.

Dear Mrs. Patterson:

In reply to your letter regarding your son, Sergeant Johnson Irwin Stewart Patterson, I am indeed sorry that no word of him has yet been received.

The International Red Cross Society at Geneva has all the information they require concerning your son and you may be assured any news of him that is secured will be forwarded to you immediately. If advice should come through that he has been made a prisoner of war you will be advised in detail as to procedure of sending him parcels and letters, but at the present time I feel sure you will appreciate that it is not possible to furnish any address for him and letters despatched in the usual manner would only be returned to you after a period of time.

Your great anxiety to obtain some word of your son is fully realized and I do wish to assure you that everything that can be done to find some trace of him has been undertaken.

May I again offer my sincere sympathy in this anxious time.

Dear Sir:

AUG 29 AM 10 50

Seven weeks ago you informed us that our son R216287 (R.O.4.) Sgt. Johnson Irvin Stewart Patterson was reported missing after operations over Creil on July 7th - 18th.

You stated enquiries had been made through International Red Cross Society & all other appropriate sources & that any information would be sent me at once.

Up to the present time I have just waited, hoped and prayed but surely there is something else I can do. I had thought of writing to some of the local boys (now in France) but was afraid I might do more harm than good.

Will the R.A.F. or the Squadron Leader at the station where Jack was posted write to me if any of the crew returns to England. (In his letter to me he said I might hear first & he asked me to write him)

I hope I am not troubling you too much by writing but its getting so hard to just wait. Thank you

Yours Sincerely
Mrs. Irvin Patterson

Dear Sir: -
My son R216287 Sgt. Jack

Patterson was reported missing last week. We feel reasonably sure that he is alive & I would like to keep his letters going but do not know where to send them. Will you please send me any information that will help me.

If he is a prisoner of war am I allowed to send a newsy home letter or do I have to fill out a form.

If I send a parcel would it be sent on (if he was a prisoner) and how often could I send.

If I keep sending his letters to his original address (R.C.A.F. overseas) would his letters be kept at the station until he returns.

yours truly
Mrs. Ivin Patterson

P.S. Would it help any if I appeal directly to our (Can) Red Cross or International Red Cross.

Dear Mr. Patterson:

It is with deep regret that I must confirm our recent telegram informing you that your son, Sergeant Johnson Irwin Stewart Patterson, is reported missing on Active Service.

Advice has been received from the Royal Canadian Air Force Casualties Officer, Overseas, that your son and the entire crew of his aircraft failed to return to their base after taking off to carry out bombing operations over Creil, France, on the night of July 7th and the early morning of July 8th, 1944.

The term "missing" is used only to indicate that his whereabouts is not immediately known and does not necessarily mean that your son has been killed or wounded. He may have landed in enemy territory and might be a Prisoner of War. Enquiries have been made through the International Red Cross Society and all other appropriate sources and I wish to assure you that any further information received will be communicated to you immediately.

Your son's name will not appear on the official casualty list for five weeks. You may, however, release to the Press or Radio the fact that he is reported missing, but not disclosing the date, place or his unit.

Permit me to extend to you my heartfelt sympathy during this period of uncertainty and I join with you and the members of your family in the hope that better news will be forthcoming in the near future.

Dear Mrs. Patterson,

It is with deep regret that I have to confirm the news that your son, Sergeant Johnson Edwin Stewart Patterson, is missing following operations on the night of 7/8th July, 1944.

He was Air Gunner of an aircraft detailed to attack Creil. As is usual, silence was maintained after take-off and therefore, it is not possible at the moment to determine the cause of its failure to return.

Your son was a member of an experienced crew and I am sure that the Pilot, Flight Lieutenant C.O. Johnston, would do everything possible to ensure their safety. There is, of course every possibility that they abandoned the aircraft and landed safely in enemy territory and, if this is the case, news should reach you from the Air Ministry within the next few weeks. We can only hope that they are safe and that you will be hearing shortly.

It is desired to explain that I have arranged for your son's personal effects to be taken care of by the Committee of Adjustment Officer at this Station and they will be forwarded to you in due course. Any further information concerning the missing aircraft will be sent to you by the Air Ministry, but if, as often happens, you receive news from other sources, I shall be most grateful if you will let me know.

May I express the sincere sympathy which I personally and the members of my Squadron feel with you at this
